

# Transgender Enema

This trance is for you femme sluts that LOVE enemas. You don't regard that GUSH of water up your ass as a punishment... Oh no... For you, it is a joy... an obsession. For you... it is SO relaxing and comforting... to feel the long, slim nozzle slide up your behind... and to hear the satisfying \*CLICK\* as the valve is opened... and feel the warm water come RUSHING down the long tube... into your ass... and into your tummy. Filling you up... making you look like a pregnant little whore... all full with Dominica's baby... your ass and pussy dripping. Yes, it DOES make your pussy DRIP, doesn't it girl? Mmmm... did I say pussy? Oh yes... because this is a very SPECIAL enema... for ALL My little boys who absolutely CRAVE to be My little girls... My Finishing School trannies... even My Jessicas... Because the water is laced with Dominica's special mix... of female hormones... and Mind Control. And every time you come in for a "fill-up," you're going to find yourself becoming more and more female... expelling all those nasty male hormones, and flushing them away, where they belong! Leaving only MY elixir in your body... Making those breasts rounder... fuller... Shrinking that tiny clitty-cock until you almost can't find it any more. Oh girl, haven't you dreamed of this? Get down on your knees, and thrust your ass up and back, ready for another infusion... of Dominica's special formula! You may find yourself actually kneeling on the bathroom floor... slipping a nozzle deep inside... and flushing yourself with warm, relaxing water... even while you're listening to My sleepy words. Go ahead, darling. Because every time you do, you find yourself becoming more and more female! <EOL> <EOL>This very special MP3 offering includes light subliminal here and there since the sound quality is so crystal clear. This is priced high due to the EXTREME FETISH CONTENT!!! Just be glad I enjoy doing these filthy nasty things to you My little sissy slut!
