

Valentine Spiral

THIS IS NOT A FULL INDUCTION. Only listen to this if you have already been hypnotized by one of My FULL INDUCTIONS. This recording utilizes many of My trigger phrases from other recordings and is intended for those already experienced with Hypnosis at an intermediate level: Hang on tight Dominica Valentines day Spiral will leave you conditioned to obey My hypnotic spiral spins around and around you will find yourself lost inside My voice unable to escape the warm, heavy, lethargic feelings coming over you soothing you deeper and deeper into My dreamy world. Waking to realize you have been staring at the spiral for many hours you can not remember where the time went for each of the words that are so very seductively whispered in your ear by Me take a little more or your will away from you until there is no more to take. Using the power of many of My hypnotic spells I will plunge you so deep you will find yourself drowning in the waves of submission that will ultimately overtake you.
