

Vampire Mistress

One bite, that's all it takes, a few moments of hypnotic pleasure followed by searing bite that leads to a spiraling desire of ecstasy and enchantment. Never again will plot escape. In My warped world of underlings and dark power you will find yourself lost inside My world, lost inside My eyes, and intimately trapped inside My coffin with Me. The hot, searing, passionate bite of pleasure begins a domino effect of internal LUST and greed for My hypnotic touch. See all the undead freaks of nature licking their sharp gleaming teeth eying you as their next meal craving to feed upon your very soul. Only My Power saves you from their hungry clutches. The cost of My favor and protection is your never ending obedience and slavery until the end of time. Dare you try to escape for you will have hell unleashed upon you!!!
