

XTC 4 Queened Under Me

I take your slave training to a new level, rewarding your helpless obsession... with a taste of My pussy. But you will do it MY way — MzXTC's way! Putting you deep, deep, deep under hypnosis is only part of the experience. I will control everything that you see, everything that you hear, everything that you smell... even the air you breathe. Watch, as a drop of My nectar catches the light, reflects it into your eyes, and dazzles your empty mind. Feel the heat of My smooth, silky, tanned thighs wrapped tightly around your head, as I push My swelling labia closer and closer to your salivating mouth. Take a deep breath, now, My slave... and hold it! Your face is going to be busy for a while... This is a VERY clear MP3 file recorded on My brand new computer. I did not muddle the quality with allot of effects I find it is more powerful and erotic not disguising My Dominant and sexual tones. This is intended to be used with the XTC FLASH file as the visual mentioned in this MP3 refers to the FLASH. *** WARNING MATURE AND EXTREMELY EXPLICIT SEXUAL AND HYPNOTIC CONTENT!
