

XTC Oral Milking

Making you CUM, slave CUM! Sex with MzXTC, pleasuring My sweet juicy pussy, making ME cum over and over and over again. Oh, but ONLY with your MOUTH, slave 27. Only with your lips, your tongue. Licking, nibbling, sucking at My hot clitty... USING you for My pleasure! And when I cum, YOU get to cum TOO! That's right, you get to ORGASM. But I'm not going to let you cum all at once, slave. I want this session to LAST. So I'm only going to let you cum ONE tiny droplet at a time. And another. And another. Slipping you into a DEEP sleep. A VERY deep sleep. Cradled in the Voice of XTC. Triggered by My Collar of Control to WORSHIP, CRAVE, FOLLOW, and OBEY. Like a robot. Automatically. Your mind empty. Your mouth drooling. Your sex THROBBING. And your entire body trembling from head to toe as I milk you SLOWLY, until your slave balls are as drained and empty as your slave brain. Mmmmmm!
