

*Dear Reader,*

*Thank you for your purchase of Rape Day. Your support means a lot to me.*

*In this age of “thought crimes”, free speech is typically suppressed by large corporations.*

*I think you and I both know that you’re not going to go out and rape some one in real life because of a dark pornographic comedy.*

*That being said, thank you so much again. I hope you enjoy Rape Day.*

*Sincerely,*

*Jake (The author of Rape Day)*
