

Twilight's Castle : Royal Library : Adult's Section : Close Time [Continue Story of Mare Can Be a Handful]

- Alter walk into adult section with book that need to be return to the bookshelf. He found Sparity reading erotic novel here in the deeper part of the room. This isn't the first time he found her here and something about her reading R-18 book in this room kinda bother him somehow.

- Alter told Sparity that she should take the book to read in her bedroom. She should not read that kind of book here. But she said that it will be easy for her to get the new book here when she done the old one. And it's the close time now so it not like he laying here reading book going to bother anypony. Since only member of this castle can enter this section.

- Alter told her that she bother him. Sparity asked how is she bother him. She choose to read the book in the deeper part of the room just to avoid being on his way to take care bookshelf after all. But he said it something else that bother him.

- Sparity asked him what bother him. He said it's her body. So she asked him, Is it her dragon form that bother him. He said it's not that reason. He frustration to tell the trust and Sparity tried to pursue him to tell the real answer. Until he finally yell the trust to her.

- He tell her that her pussy is wetting right now and her clitoris just make a slightly wink again and again. Not only that. She also created a sweet scent of arousing mare as well. It's her scene and scent that bother a male like him. A trigger his instinct to mate her.

- Sparity tell Alter that it's normal thing to happened since she reading an erotic novel here with a lot of sexual action in it. As an Element of Honestly. She completely honest with what she said and tell absolute trust without any shame

- Alter said that it's is a reason while she have to read that kind of book in her own bedroom instead in open place like this and he said he still seeing her soaking pussy right now.

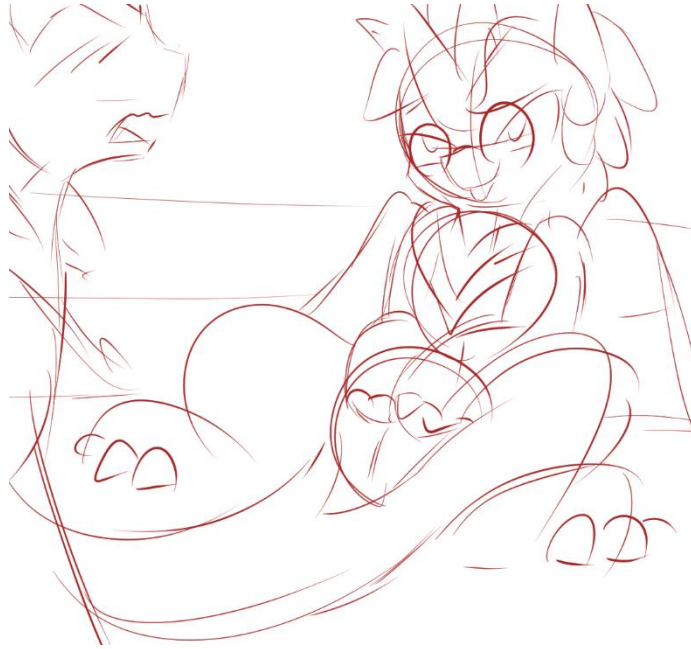

- Sparity tell him to just ignored her and it still be fine. But Alter said it can't be fine. Because her arousing state bother him a lot until he can't focus on his task. Sparity asked him how much did she bother him. He said that because her arousing state just make him arouse as well. He see that the mare in front of him seem having no shame to hide her genital. So he just show what she did to him. Show his erection that keep throbbing and slapping his belly again and again because the scent of the mare.

- Sparity tell him that he being a pervert and Alter yell back to her that it's just natural reaction and he can't stop it.

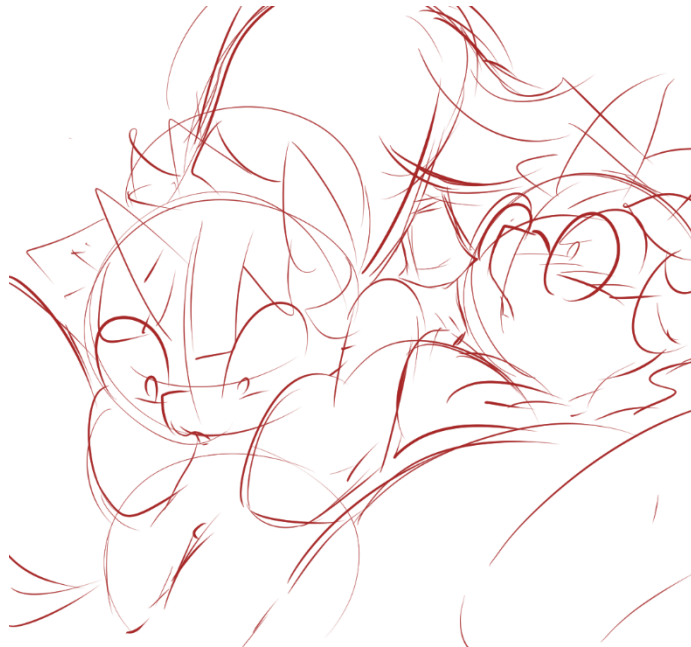

- Sparity tell him that she was sorry and tell him that maybe she should take her responsibly and fix this mess for him. And when Alter asked what she mean. She just grin and turn herself to lay on her haunch and showing her pussy completely to Alter.

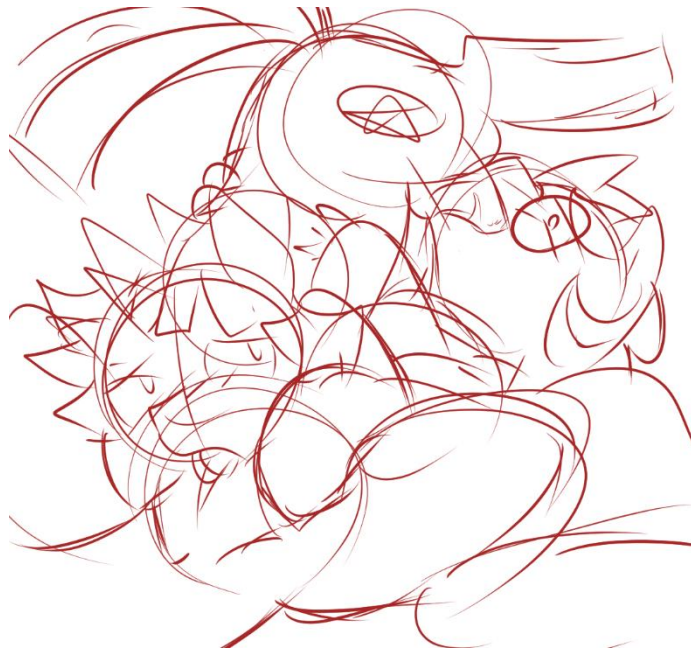

- Sparity told him that she can feel him sneak peek looking at her pussy so many time now since she start reading book here. But she just let him do it without said anything. Wait until some male here have enough courage to finally talk with her. She invite him to look at her pussy closely. Only if Alter want to.

- Alter walk to stand beside Sparity that now laying on her back. He look at her pussy with interesting. Because it's not look like pony pussy that being in water drop shape. But her pussy just look like a slit on smooth surface and it look so clean and beautiful. He science discuss about her unique dragon pussy closely without knowing that his throbbing cock is nearing Sparity face.

- Sparity take Alter's cock into her mouth and make him yell with surprise. She start sucking his cock and make him moan from pleasure. All of his science thoughtful gone from him. Sparity tell him to return a flavor and Alter gladly do it for her. He start licking her pussy and clitoris.

- Both of them keep pleasure each other with their month. Try to bring other into the orgasm.

- Sparity cumming first since she more aroused than Alter and her clitoris is more sensitive than his cock. She soaking Alter's face with her marecum. But she still not stop until Alter cum deep in her mouth. She drinking and swallow all of his cum without any gag reflex.

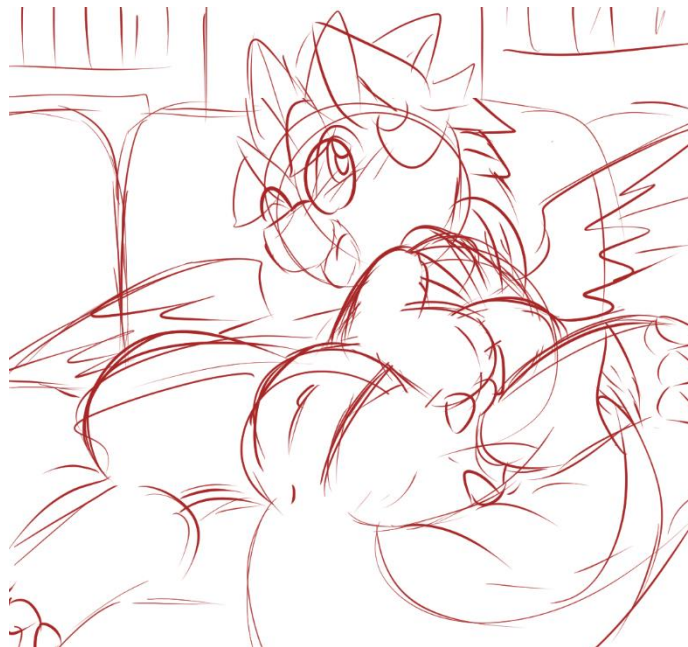

- Both of them move to sit together when their orgasm clam down enough. Alter told Sparity that your mare making sex like an easy thing. Sparity asked what he mean. He told her that he just don't know how the male like him can asked female for sex without it sound like he is a pervert. Female can easily invite male to bed with them so easy....- Alter said that why he fear to make a move and just wait for female to make a move for him. Sparity said that he is such a hopeless in romance and asked how he can

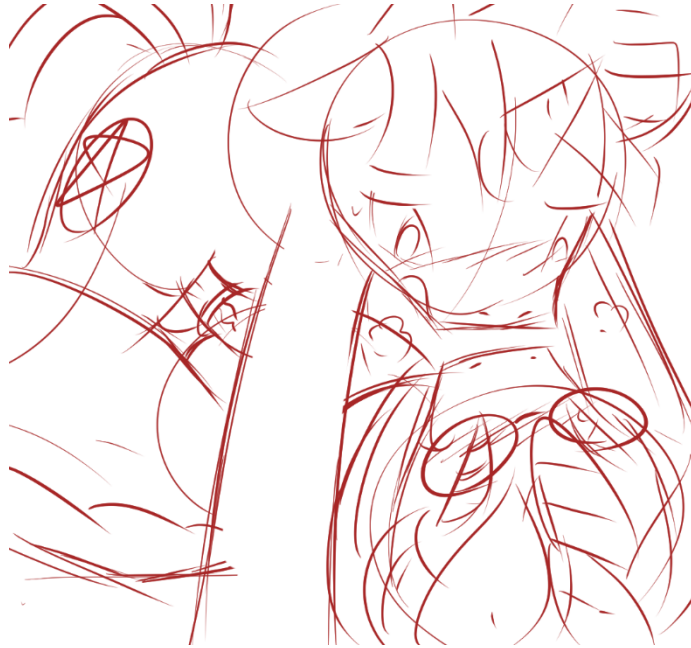

have sex with Little AJ before. Alter shock at first before calm down and said that it's Little AJ who make a move first and take his virgin. A first mare she every have sex with. He asked Sparity how she know it. She tell him that Little AJ told her about that when they have fun time together and listen that make her interesting in him. So she tried to allure him to have sex with her until she finally success now...

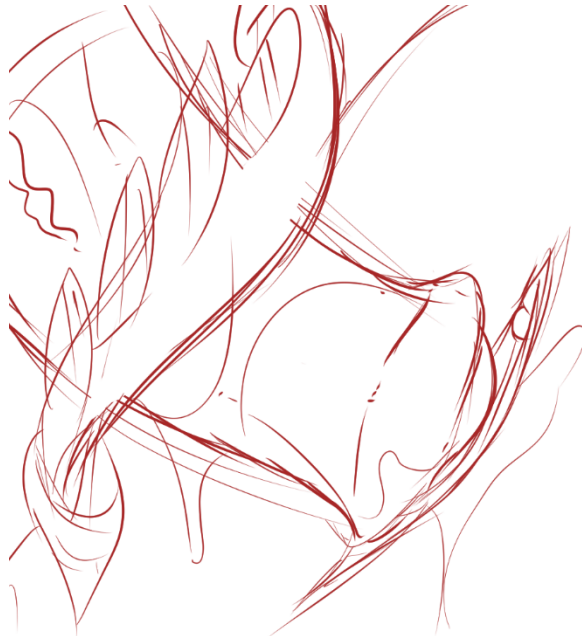

- Seeing that both of them have enough rest now. Sparity stand up. She present her pussy and winking clitoris to her stallion again and asked him if he interesting to fuck her or not. She said she safe at the moment so he is free to cum inside her without worry about baby. Seeing that female finally make a move for him. Alter blushing and nod before he walk follow Sparity to reading area of this adult section that have big sofa for both of them to have softy sex together.

- Sparity laying on her back again. Near the edge of sofa. She present her pussy to the stallion in front of her and make his cock erection to the full mass once again.

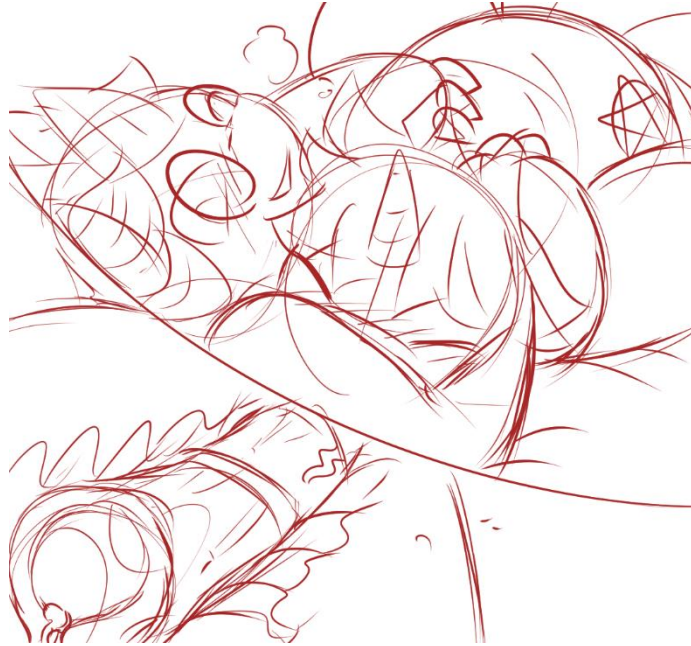

- Alter push both of his front legs on sofa while his hind hoof stand on the floor. He laying his cock on her belly. He look at her with worry and asked her if he can really have sex with her for real. Sparity encourage to be like a true stallion and just push his cock into her pussy already.

- Sparity used the tip of her tail to wrap Alter's cock and guide him to her pussy. Alter shivering when his tip touching her soaking love hole and finally found the courage to push his rod into her pussy.

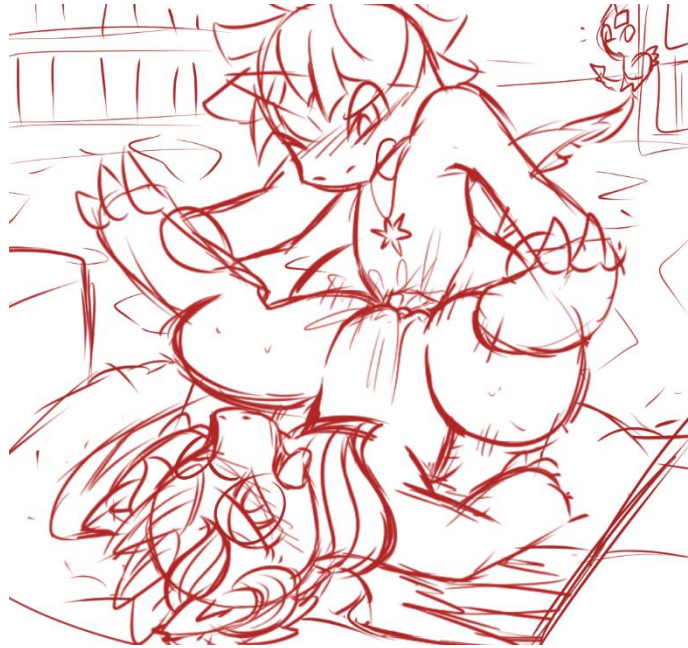

- Alter bottom out in Sparity. He hugged her tightly from the high pleasure he receives from her tight vagina. Sparity's vagina is tighter than normal pony since it was made to receive a slim cock of dragon. Not a thick cylinder cock of pony. Sparity hugged Alter and rub his back. Tell him that she already get used to his cock and he can start fucking her now.

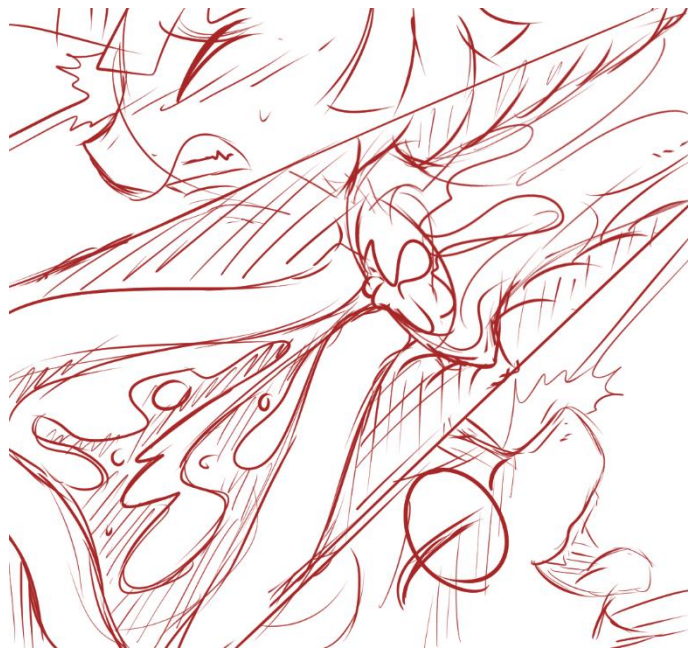

- Alter start fucking Sparity. Both of them talk with each other how good it feel for them. Sometime later. Alter leave Sparity embrace and grab both of Sparity's hind legs with his front hooves. Spreading her wide and fuck her with full force and speed.

- Sparity told Alter that she close to orgasm and Alter said that he also close as well. He lift Sparity's hip to be higher than her front half just to get the angle that make him able to fuck her with fully speed. Both of them pant and moan from pleasure without knowing that someone seeing them now. Alter seem forget that he come here with someone else who help him return book to bookshelf.

- Alter reach the orgasm first and he start cumming inside Sparity. But seeing that his mare didn't get orgasm yet. So he keep fucking thought his orgasm. Endure extreme sensitive of his cock for a while until Sparity get her own orgasm. Alter push all his cock into her and let her tightly hug his cock. He shoot his final batch of cum directly to her womb

- Alter embrace Sparity while both of them is in heaven bliss after orgasm. He feared to kiss her at first but for a while. He finally his own courage and drag Sparity to kiss him. With lip against lip. Tongue against tongue. Sparity let him kiss her and happiliy that he finally be man enough to finally make a move of his own. But that she can smell an arouse scent of some female. When she open her eye. She seen Serene standing behind Alter.
