Shining Armor : No....I just have some question to ask you...

Queen : What's question? Why I invasion? Why I pretend to be Cadence or why I choose to used you?

Shining Armor :I want to know who is real you....The evil queen who hunger for power....or a playful mare who love to play prank and hang out with commoner friends...

Queen : *Silence for a while*...Who know...Even since I was born as Queen Of Changeling....I pretend to be so many pony...Wearing so many mask. So many acting, many fake and many lies....I became so many pony until I don't know anymore who is the real me...What is my trueself...*Sigh*...You don't know what it take to be a queen...The queen can't think about herself. Her people always come first.

Shining Armor :

Queen : But maybe....That playful mare is might be a pony that I want to be...If only I am not a queen nor Changeling...[If I Were A pony](#)....

Queen : But why....Why did you come this far just to asked me that silly question...Why waste your time with me...You just got your real Cadence back...Why don't you just marry her....

Shining Armor : That because Cadence is my friend...And I just realize that who I fall in love with....It is her imposter....It's you....

Queen : *Chuckle* Such a hopeless love you have...To fall in love with a fake person...But thank to that love you gave me that make me able to defeated Celestia....

Shining Armor : And you....Do you love me?

Queen :*Silence for a while before she open her eye to look at Shining Armor*
Can a love eater like me feel love? I don't know...But it isn't matter to me anymore...Since I will die here... She close her eye and prepare to died again...*

Shining Armor : No...You can't die yet....

Queen : Plese leave me be....Please let dead be a punishment for my crime...I don't want to live anymore... *Said with tired voice*

Shining Armor : *Shake his head* Your crime isn't that bad....It's not like your crime can't be forgiven...Now get up...

Shining Armor lay down to drag the queen to lay on his back. The queen moan from the pain of muscle after she spend too long time on laying. But she isn't resist or try to struggle away from Shining Armor's back.

Shining Armor : You Can't die yet. You still have the role to play in this world...Your race and your people still need you.

He said while looking around him. He can see so many Changelings around here. Some where dead in their own craters and some are injured. Some have enough strength to stand and watch him and their queen.

Queen : No...Please....*Almost cry*...Leave me....I don't want to be queen anymore...This role is too hard and to painful for me to bear....

Shining Armor : Than, don't be! Let's me help you. Let us pony help you. You don't have to face this starvation crisis alone anymore. Come with me. We can ask Princess Celestia for help. Let her help your people. You don't have to be a lone queen and take this ruler burned all by yourself.

Queen : I....I don't have to be a queen anymore...C...Can I be myself if I go with you? *Her voice seem more calm and sweet. Not sound like the voice of an evil mature mare anymore*

Shining Armor : Yes...You can be anypony you want to be...You don't have to be anyone but yourself now....

The queen smile and she finally shade away her second disguise. Showing her true-self that hiding underneath the fake skin of fearsome Changeling Queen. The body of young Changeling mare.

She look like this. But as a Changeling Queen.

Shining Armor : Oh...You are so adorable!! *Said with smile and a hind of teasing*

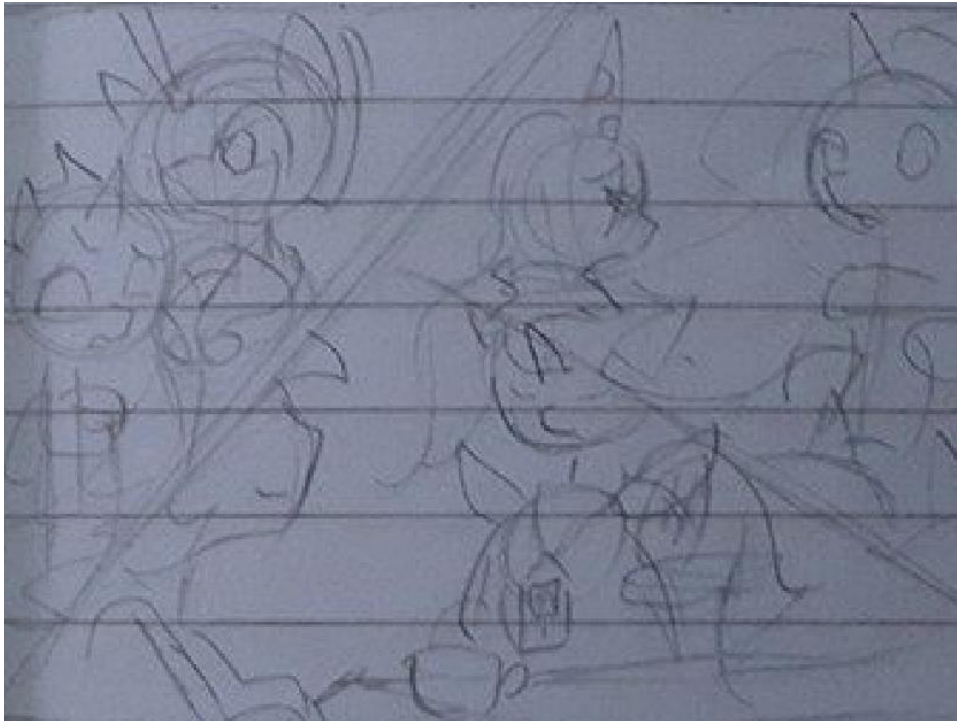

Queen : S...Shut up!! Q-Queen not support to be adorable!! A strong fearsome queen is what I have to be. To make our enemy fear us. To make people respect me. To make every Changeling believe in their queen and always have hope that the queen can save them....And that why I have to hide this real me under the fearsome form every since my mother pass away and the queen title was pass down to me....Nobody want follow a ruler that look this weak anyway....

Shining Armor smile and start to walk with smaller Changeling Queen on his back. With Equestria border as his destination. Every survive Changeling that crash around the queen start to walk after him as well.

Shining Armor : And now...you don't need to do that anymore...Can I know your real name?

Chrysalis : Queen Chrysalis....No...not anymore...It's just Chrysalis now....

Shining Armor brought Chrysalis (and any survive Changelings he found along the way) to meet Princess Celestia in Canterlot.

After princess known about starvation problem that force Changelings to invade her city, like a thirstily found oasis in the middle of desert. She agree to take Changeling in and help them. Some Changelings was found as them being alone or with there own kind. But there also have some Changelings that receive some kindness and get help from a local pony even before soldier arrived and found them. Pony help these injure Changeling even if they look scary to them. Changelings now know that pony have a good heart and always willing to help if only they asked for it. They now feel bad for what they did at Canterlot's invasion.

But help also come with condition. Princess Celestia see that Chrysalis doesn't fit to be a Queen Of Changeling. And with Chrysalis herself willing to give up on her title and her crown. And that make every Changelings become Celestia's people. Become the citizen of Equestria. Chrysalis gladly to accept this condition because

But Changeling's crime also not gone without any punishment. All Changelings must work for community service to redeem themselves. But this also gave them a chance to be in pony social much more closer. To learn how to work, how to earn money and love. Help support the kingdom that finally gave them a home for them to live and plenty of love for them to never be starve ever again.

All Changeling in disguise will always wearing collar. But it's not for marking them as prisoner nor to control them. It doesn't have a shock function or anything. But it's more like a symbol to show that they are Changeling and they are under protection of Equestria's law.

Princess Cadence : Chrysalis, Are you sure that you don't mind being a maid of me? To see a queen like you to low down yo-

Chrysalis : It's really fine, princess. I'm gladly to serve you!! I'm happy to be maid to serve somepony more than pretend to be an evil queen to rule upon starving race. This maid's duty weight less than being queen in many level!

Chrysalis stop to catch her breath before continue with more calm voice and have a hint of regret

Chrysalis : And this is the only I could apology for what I did to you back there...

Princess Cadence : Stop it, Chrysalis. You said sorry to me enough now. And I already said I forgive you. You did it because you have a reason. You have a starve people and you just want to help them. You just don't have any good pony by your side to gave you a good advice and that make you made the wrong decision. But it all being past now. Please forgive yourself already.

Chrysalis : S...Sorry, princess. For make you feel uncomfortable. But how could you forgive me so easy? I imprison you for 3 month with few food and water enough for you to survive. I deserve worst punishment than this...

Princess Cadence : That because I am Princess Of Love, dear.

Princess Cadence grab Chrysalis with her front hoof and hug her.

Princess Cadence : Learn to forgive, learn to forget, that is what I have. Sometime love can turn your worst enemy to become a strongest ally if you do it right.

Chrysalis : *Hug Princess Cadence back and cling her face with princess's chest and crying* I'm sorry....I'm sorry...I'm sorry....

Princess Cadence calm down her tearful maid until she getting better and become normal once again. Before she grin and asked her maid the question that she didn't gave her a chance to prepare at all

Princess Cadence : So...How your love with Shining Armor?

Chrysalis : L...love?...err...About that...*Said without making eye contact with Princess Cadence.*...Ever since he take me and some survive Changelings back to Canterlot. We still not talking anything about our romance relationship again. And he always go out and busy with helping my people. So I don't dare enough to disturb him...

Princess Cadence listen before she shake her head with disappointing.

Princess Cadence : That's really bad of you...

Chrysalis : W...What?

Princess Cadence : Shining Armor working so hard to ensure the safety of your people. But you did nothing to help him at all...

Chrysalis : N...No...I...I asked him before to go along with him on finding survive Changelings and help Changelings find home and job. But he never let me go with him. *Look down and feel bad* He always told me to stay her and serve you...Saying I don't have to a queen-like work anymore and let him handle them all....

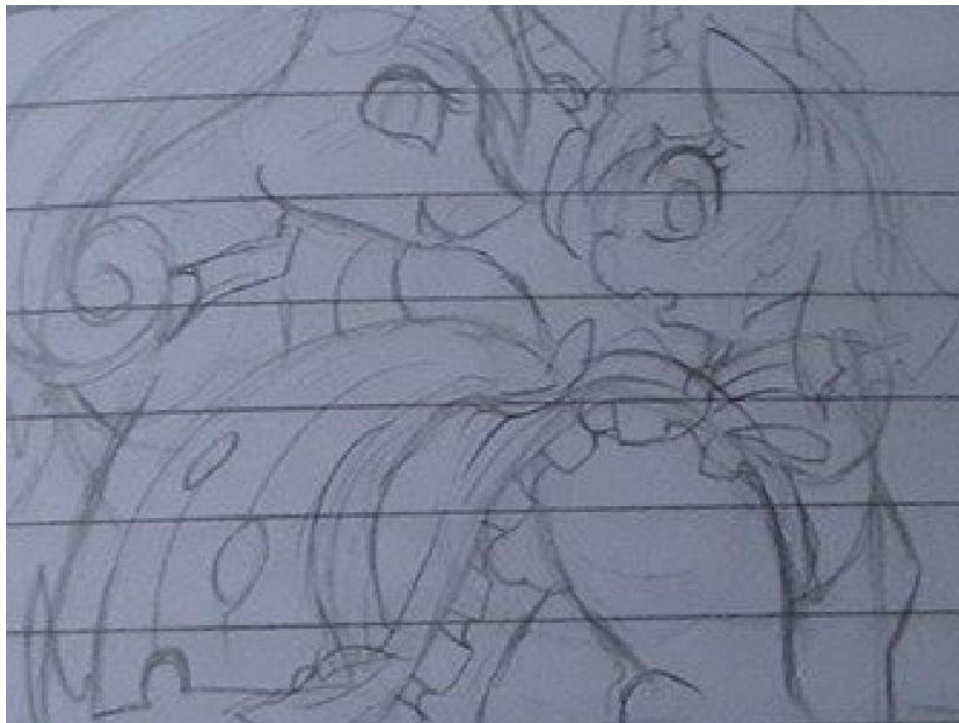

Princess Cadence : And serve me, you did. But what about him?

Chrysalis : I always serve food and clean his room in the barrack everytime he return to Canterlot...

Princess Cadence : Just that? And nothing more? That is not difference from normal maid work at all. I thought you should have something better than that to reward him! He stand up for you and save your people from starvation after all. And as his MAREFRIEND, you should reward him must more special than simply clean room and serve food!!

Chrysalis : B...But...What should I do, princess? I...I never have lover before or know anything about it...Should I buy some gift for him? What did he like?

Princess Cadence : Object wasn't do....I think you already have a special gift with yourself... *She grin and walk close to Chrysalis. Before she used her magic to grab and life the edge of maid's dress. To reveal her panty underneath*

Chrysalis : *Blushing* Y...You mean...M...me...him...on bed?

Princess Cadence : Yes...Shining is tired and stressful a lot latterly from his extra duty. Maybe you should help him relax and relieve some stream. *giggle*

Chrysalis : B...But do you think he will interest in me?

Princess Cadence : What do you mean?

Chrysalis : I mean...I date with him while disguise my body as you. I don't know if he want to have fun with...an evil looking body like this...Maybe what he want and dream to have sex with is a sexy pony mare like you...

Princess Cadence : *Blush and giggle* Oh...hush. You gave me too much credit...But believe me, Chrysalis. It will be ok. You are fine as the way you are now and I'm sure no stallion can resist to an adorable flank of your.

Chrysalis : I...I don't know...M...Maybe it will be best if I at least disguise myself as pony before-

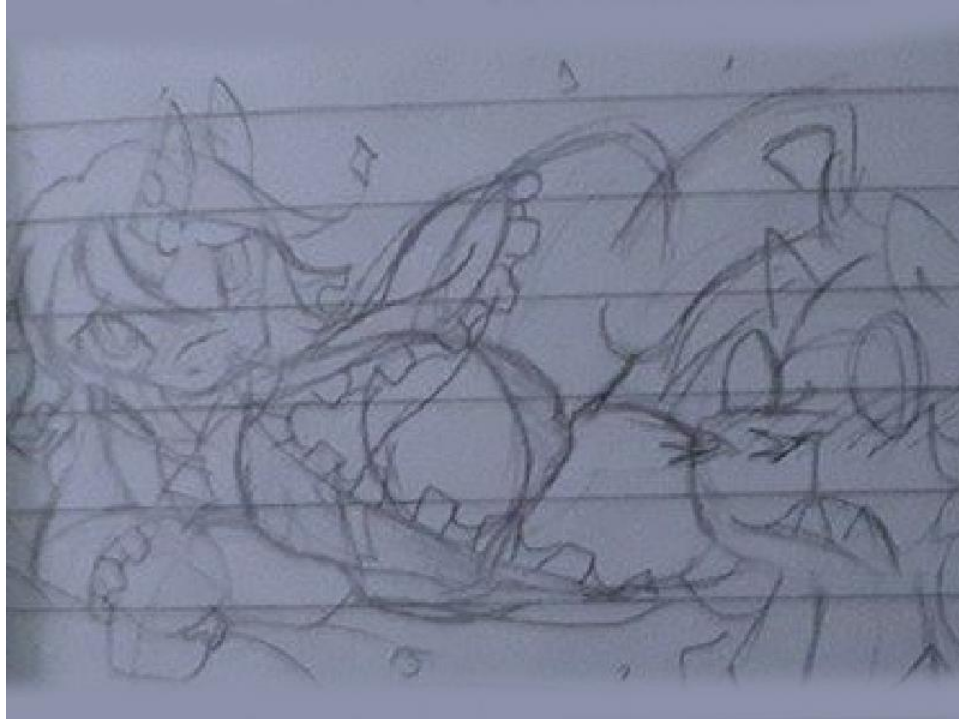

Princess Cadence : You should not do it. Your first time with him should be between him and your true-self. You should not be ashamed of your real body. *Nuzzle Chrysalis to leave her bedroom* Now, go on, Chrysalis. It about time for Shining Armor to come back now. Let's Shining Armor experience the real you...

Chrysalis : *Panic and looking at Princess Cadence's door slowly close* B...But I'm scare!! Can you go with me!?

Princess Cadence : Ask for threesome later, Chrysalis. You are on your own this time. Good luck!! *Closing the door completely*

Barrack. Shining Armor's Captain's bedroom. Night

Shining come back to his bedroom in barrack after coming back from Dodge City with Pegasus Royal Guard team. He opens the door the door and when he turns on the light. He became shock and blushing hard when seeing Chrysalis in her maid outfit and sexy pose laying on his bed.

Shining Armor : Chrysalis!?!

Chrysalis : W...Welcome back, Shinni-...M...Master. How is your trip?

Shining Armor : *"Master?"* It went well....We found some survived Changelings in Dodge City. Some come back here with us and some asked to stay with their pony friend in that town. But that off the point. Now, tell me why are you here..a...and pose like that? *Blush*

Chrysalis : I just want to please you, master. I want to thank you for help my people...But I have nothing to give you but myself.

Shining Armor : D...Don't sell your body like that, Chrysalis...It's not right. You don't have to do that. It's my duty as soldier to protect everyone.

Chrysalis : But you save us. Save your enemy that fool you once. You don't have to risk your neck to save us at all. But you still choose to do it. Please let me do something in return...

Shining Armor : It's fine, Chrysalis. Just you serve my breakfast and clean my room is enough for me now.

Chrysalis : But I don't think that enough! I want to do more for you. Please let my body please you, master.

Shining Armor : *Look at Chrysalis with silence for a while before he take a deep breath and sigh* ...Say my name, Chrysalis...

Chrysalis : But master... *Become nervous when Shining stare at her* ..S...Shning...

Shining Armor walk close to the bed and suddenly pin her to the bed. He look at her face to face and very close.

Shining Amor : Chrysalis...You want to please me...Is it because you **want** to....or because you **have to**?

Chrysalis : *Think a bit before said* I...I have to do it...I have to reward you...But deep down inside...I want to...to do it...to have sex with stallion who love me...and who I love too...

Shining Armor : That I want to hear, my little love bug. And if I going to have sex. I want to have sex with a mare I love...Not a queen who sell her body in exchange for help. Or maid who got order to please her master. I want to **fuck** youm Chrysalis. You as you...So, no more this Master thing, ok?

Chrysalis try to respond but suddenly got kiss on the lip by Shining Armor. It's deep kiss with tongue and Chrysalis also taste some delicious love along the process.

Chrysalis : *Said after Shining Armor break the kiss* N...Now...Please lay down on your bed and let me service you

Chrysalis tried to sit up but she was push down to lay on her back by Shining Armor instead.

Shining Armor : No no no. A true knight must serve lady first. Now, let see what we have here. *Looking at Chrysalis's panty that start soaking wet with her juice. He kiss her pussy thought the fabric*

Chrysalis : *Shivering from the touch* Oh...S...Shining...M...Maybe it might best...I...If I disguise as pony first. *Try to start up the green frame. But Shining stop her.

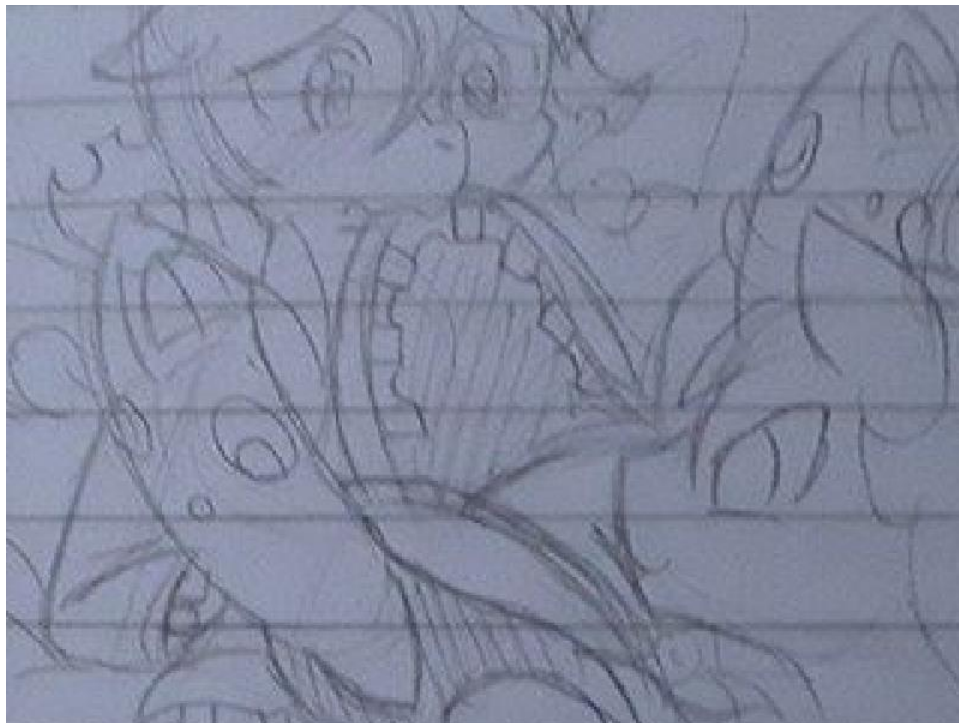

Shining Armor : No, Chrysalis. I said I want to have sex with real you. And I really mean it. Please stay true to yourself

Chrysalis : Y...You don't understand. M...My sex is difference from pony!!

Chrysalis blushing when seeing that while she talks. Shining already take her panty out from cover her sex. Now her slight glowing green fresh of pussy already show itself toward her lover.

Shining Armor : Not so much difference I see so far. It's true that it have glowing green fresh instead bright pink like us pony. But this still look hot to me. *Shining Armor chuckle and lick her pussy to taste her juice. * And sweet...

Chrysalis : Ohhh....Shining...

Chrysalis embarrassing and tried to hold back her moan. But some still left out from her mouth. So she took hold the edge of her skirt and bite it to suppress her moan.

Shining Armor : Let's start this by make you cum first, shell we?

Shining Armor smile before continue licking Chrysalis pussy. Until Chrysalis's clitoris start to poke out from it cover hood above pussy. Shining Armor tried to capture it with his lip. But it always keep hiding back every time he tried like it have mind of it own and don't want to get caught by him. So Shining Armor keep assault the clitoral hood and tried to make what hiding inside to come out from it shell.

Chrysalis : Ah!!!

Chrysalis finally let her moan out and make edge of skirt drop from her mouth when Shining Armor licking the hood of her clitoris harder. The hood unable to protect her sensitive nub from his assault at all. The pleasure her body feel taking effect on her.

Chrysalis : T...This is a..B-bad idea...P...Please let me be a...Pony!! Ohhh!!!

Shining Armor can sense that the mare in front of him hold herself back from something, she tense up so much and seem tried hard to not enjoy his service.

Shining Armor : I want you as you are right now. So please relax and enjoy yourself. *He tried to lick clitoral hood one more and finally see her clitoris start to come out*

Chrysalis : B...But...It's going to come out!! Mmmm!! *Groan when her clit finally got assault directly*

Shining Armor : Let it out. Don't hold back. I want to enjoy this first time sex with my marefriend. But I don't think that will happen if she don't open to me. *Lick her clitoris one more as it seem start to get bigger. But still tried to hide itself under the hood*

Chrysalis : N...No...You will freak out when it come out! You will not like this real me...Real me really difference from pony or even Changeling...

Shining Armor : I promise, Chrysalis. I promise and swear I will accept everything about you. No matter how much difference from us pony. So please, don't hold back...Anything that hold you back from enjoy our private moment. Just lets it go...

Chrysalis look into Shining eye that gave her a promise and courage to show herself completely to him. So she close her eye and whisper.

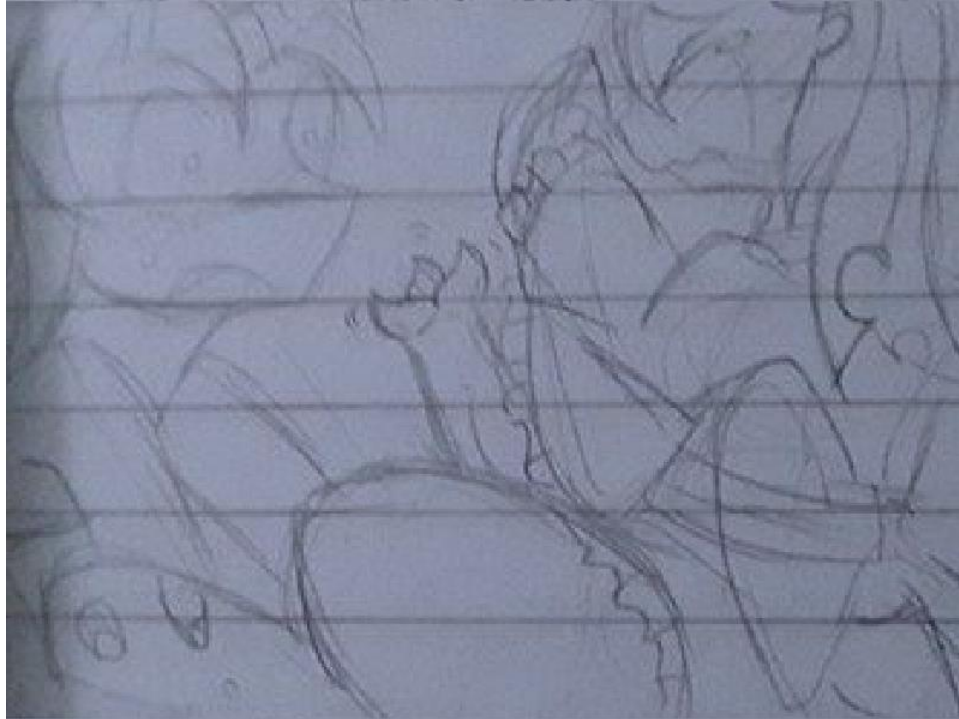

Chrysalis : Shining....I love you...

Chrysalis life her skirt with her front hooves to hide her face from Shining Armor. Because she don't want to see his face when she finally let part of herself come out. Shining Armor look at her clit that come out of her hood completely with smile. But his smile slowly fade when her clitoris start to get bigger and longer. Magical increase it size until it fully erect. It's now look like a pony's cock but without middle ring and a tip have a little strange shape...

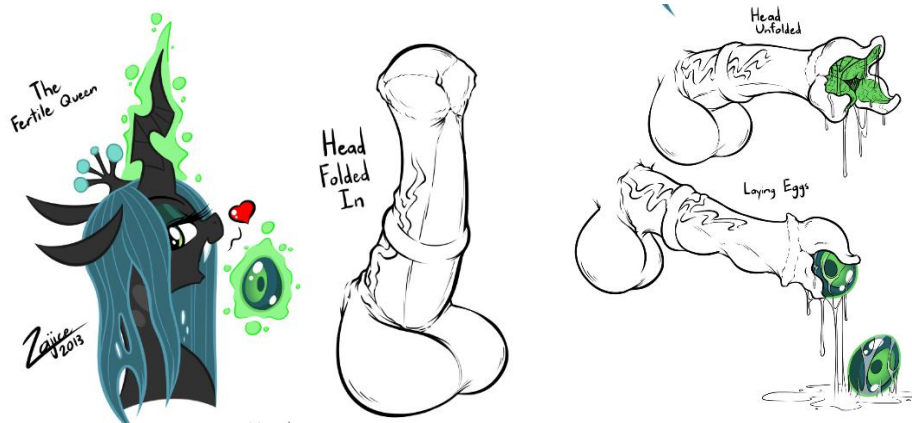

Shining Armor...O...oh...So you have a penis like me?... *Sweat*

Chrysalis : A..Actually...I...It's my ovipositor...

Chrysalis still hide her face behind her skirt and let her second hold back go. Her ovipositor twitch like a real cock. But not only that. The tip of her ovipositor slightly open. Three 3 petal-like flesh that cover her tip open like a bloom flower and show big hole inside that start to leaking precum-like fluid.

Chrysalis : P...Please don't scare or disgust in me... *Shivering and cry*

Her ovipositor look like this. But without middle ring and testicle. She is herm

Shining Armor : Disgust?...No...Chrysalis. I admit that I'm shocked at first. But don't worry. It's not something I can't accept. *Calm down from shock and look at strange penis in front of him with interest* Do every Changeling have this?

Chrysalis : No...Only queen have it. Since we are only one that can produce egg.

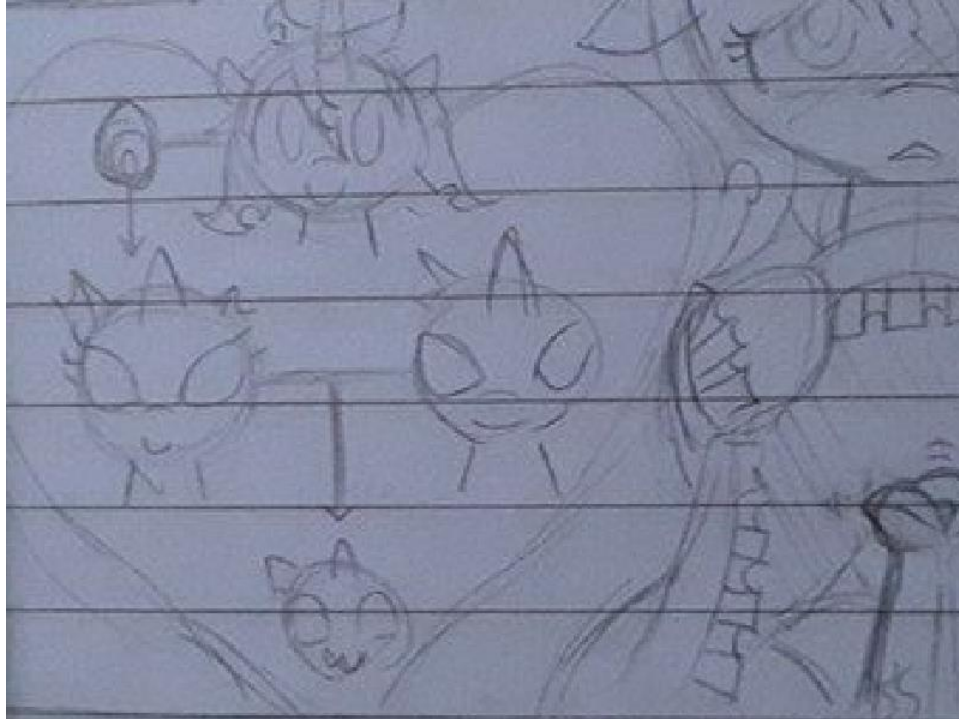

Shining Armor : So you need to lay fertile egg inside other creature womb in order to reproduce Changeling?

Chrysalis : Where do you get that idea from? Some scary movie?...No...We didn't reproduce new Changeling like that. The Queen Of Changeling only lay egg in either cocoon or female Changeling womb...

Shining Armor : So the queen stir all her child to all female In the hive?

Chrysalis : That kinda depend on situation. There have two option to create new Changeling here. First option. The queen can reproduce asexual by laying an fertile egg in special cocoon she made that work similar to womb and let unborn Changeling growing in it. This method will be used when Changeling Queen can't find any female Changeling that ready to carry child or she have to increase number of her subject quickly. But Changeling that born from this method is weak and have low chance to survive. Some even died in the cocoon.

Second option is laying blank egg directly into female Changeling drone's womb. Female Changeling drone have full set of female genital, pussy, clitoris, vaginal or womb and able to carry any child of any race. But they lack of ovary to produce egg by themselves. So when she fall in love with other male Changeling or any male creature and want to have child with him. She have to come ask for egg from the queen. This blank egg will be imprint with that female Changeling drone once it was plant inside her womb. And when male fertilize that egg by inject his sperm into her. They will have their own child together...But this method really rare in these now day. Because starvation make all female Changeling refuse to carry child. Because they barely have enough love to sustain themselves.

Shining Armor : Oh...That seem like the nature birth control program somehow. But aren't that a bit dangerous? If something happened to the queen. Doesn't that mean it's the end of the hive? Since Changeling can't reproduce without queen?

Chrysalis : Yes...It is....A lot of hive gone because of that reason...and now I'm the only Queen Of Changeling. There have only one hive left...

Shining Armor look at Chrysalis who look down and tried to hold her tear. She is really be a lonely queen and her responsibility is a lot for her. It's true that now she no longer have to rule Changelings. But her job as the queen is still here. The future of her race still being upon her hand and her unique reproductive organ.

Shining Armor : Oh...Chrysalis...*Hug Chrysalis without caring that their cocks rub and touch each other* I'm really sorry...I'm nearly genocide your race from the work because the barrier I cast to repel you all...

Chrysalis : It's ok Shining Amor *Hug him back* We safe now...You save us now...all of us...

Shining Armor : *leave the hug and start to talk again* So....Mmmm....You ever have sex with so many female Changeling in your hive before, right? Judge from many Changeling that invade-

Chrysalis : N...No....All of them was born from my mother eggs, not mine. Ever since she pass away from old age and illness several years ago. The starvations crisis force us to stop increase our population. So I never lay egg in any Changeling before...

Shining Armor : But you still have to do it sooner or later, right?

Chrysalis : Yes...I hope you don't mind if sometime I got invite by female drone to insert my ovipositor into her vagina and fuck her until both of us reach orgasm and I lay egg directly inside her womb. *Blush*

Shining Armor : *Chuckle* That explain is a little bit too image...But it's fine, really. You just do what you have to do...and it kinda hot too *blush and turn on*

Shining Armor start to aware with his position and what his cock laying itself again the smooth skin of his lover's ovipositor.

Chrysalis : S...So....You don't mind that I have dick?

Shining Armor : *Laugh* Well...I can get used to it. It let me have more thing to play with the mare I love after all. So many option for our sexual time. Pussy, cock and anal. You have all! But don't expect me to let you used you little dick to fuck my ass so soon, ok? *Nervous* I still need some time to open myself for that idea....

Chrysalis : Just ignore it if you want to, Shining. Please just enjoy my pussy only. *Mention to her pussy that now being at the base of her ovipositor and soaking wet with arouse *

Shinning Armor : Don't get me wrong. Just because I said I'm not ready to take your cock up to my ass yet. It doesn't mean I'm anti it, ok?

Chrysalis : But! Ah!! *Flinch when Shining Armor grab her ovipositor with his front hooves*

Shining Armor : *Softy rub his marefriend cock-like ovipositor* I said I will accept everything about you, Chrysalis. And I really mean it.

Chrysalis : Oh...Shining....It's feel good... *Moan with pleasure she receive from her unique organ that she never let anyone touch before*

Shining Armor : *Chuckle* It's feel strange to jerking somepony cock. After only jerking my own cock for so long ever since I know how to masturbate.

Chrysalis. : H...Hope it's not disgust you. *Blush*

Shining Armor : No...not at all! I don't even mind to do this!!

Shining Armor move his moth closer to Chrysalis's ovipositor and slowly licking it. His action make Chrysalis shivering hard and moan loudly. And she moan so lewd when he nibble her petal-like flesh when it open. This new experience put so much curious to Shining Armor. Ever since he know how to masturbate in young age. He always have a secret desire to know how it feel like to get suck by someone and how it feel like to jerking and sucking somepony cock. But he isn't

gay himself. So he didn't dare to approach that to any stallion. But with Chrysalis. It's difference. She is female to him. All curious of him can finally be fulfil because his special somepony have both pussy and cock for him to play with.

Chrysalis : Shining...Ahh....so good....Mmm....

Chrysalis moan with pleasure and cry with tear of happiness. She felt so happy that a Changeling like her lucky enough to meet her true love. To met somepony who love the real her and her unique sexual organ. A stallion who accept both genital of her.

Shining Armor : *Stop licking and look at throbbing ovipositor in front of him* Mmmm....I can't believe that I'm going to do this...My past-self not going to believe me...

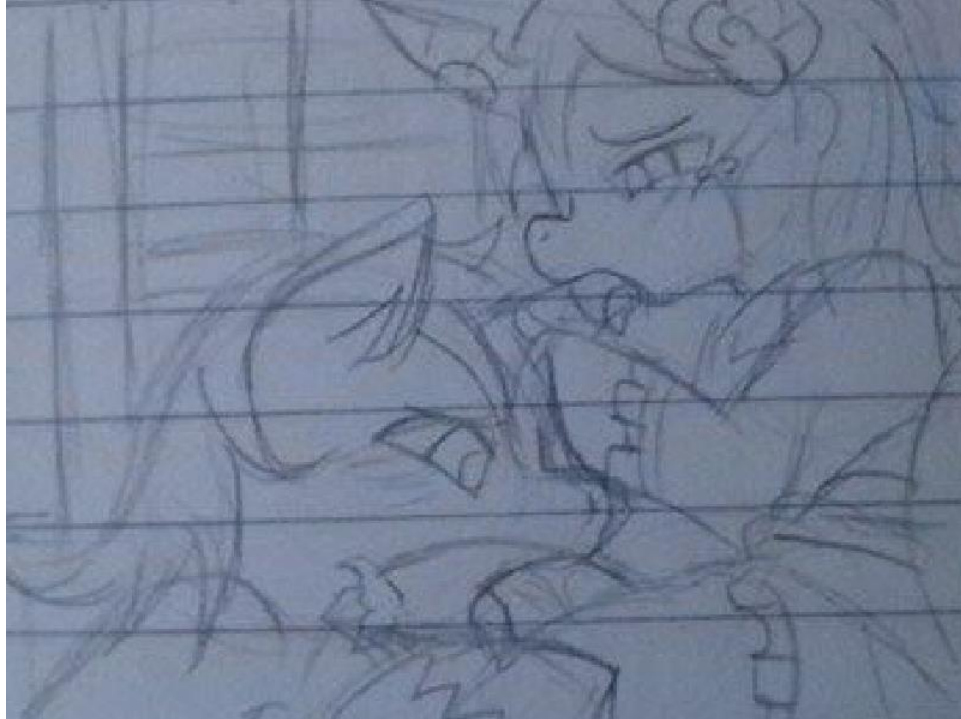

Chrysalis : What do you- MEOW!!!

Shining Armor take a huge breath before he opens his mouth wide and take her ovipositor into his mouth and start sucking it. Make Chrysalis flinch and cry with a strange sound when her sensitive ovipositor was wrapped by a soft wetting fresh and getting lick in the same time.

It's felt strange for a stallion like him to suck somepony cock. Shining Armor never imagine before that he will do it in his life. But now he finally do it. Do it for a mare he love.

Chrysalis pant from the pleasure her stallion gave. She want to return this feeling somehow. But Shining Armor's cock is too far from her reach and she don't dare enough to used her magic on his sensitive rod when she can't see it in her view. So he choose to suck another rod of him instead. His horn.

Shining Armor : MMMM!!! *Moan while Chrysalis's ovipositor still being in his mouth, when his sensitive horn got suck by her. But he didn't protest with her action and continue pleasure his mare*

After sucking Chrysalis's ovipositor for a while. He finally leave his mouth from her rod and lick her precum-like fluid that gather on his tongue. But it seem so difference from male precum. It's much more sweet like it full with nutrient and love for any egg she will lay.

Shining Armor : *Take his horn out of his lover mouth and look up to her* I think we should move to our main event now. I hope you don't mind if I will go back to play with your pussy again.

Chrysalis : I...I don't mind. Please have fun with my pussy. *Give Shining an alluring smile*

Shining Armor set his position (Missionary position). Her head now on the same level as Chrysalis and look at her with warm smile.

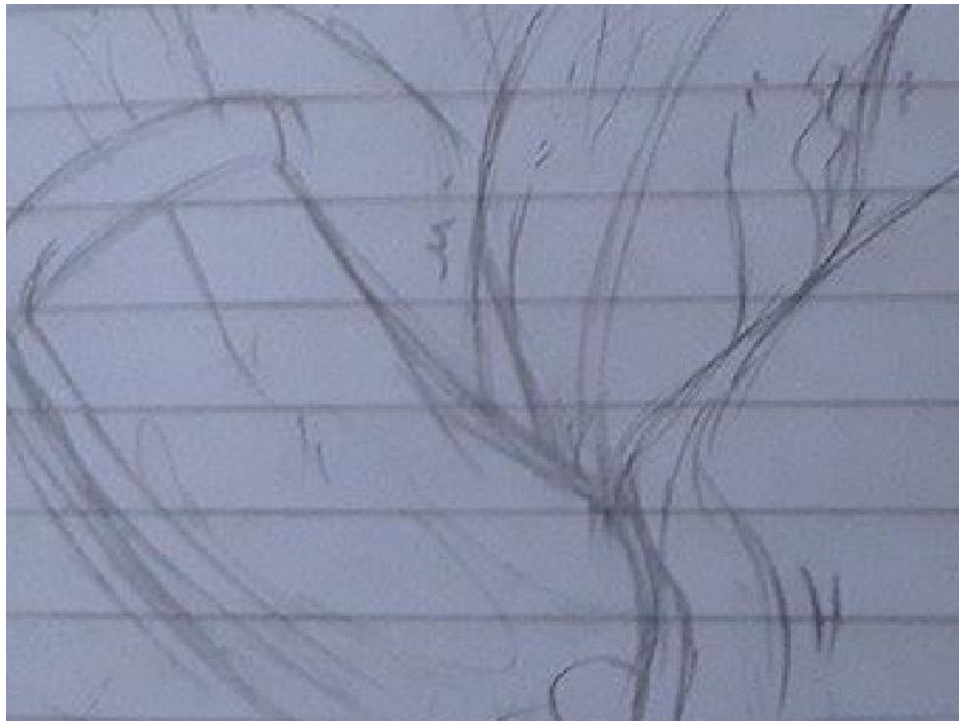

Shining Armor : Ever get penetrate before? Like with some male Changeling's dick or sex toy?

Chrysalis : Well...I do ever have sex with pony because when I need quick love. So I'm not new on this. But well...This is kinda be my first time to have sex without

any disguise. And... *Looking at her throbbing ovipositor with worry* ...with my ovipositor on action like this. *blush*

Shining Armor : Don't worry, my love. I will be gentle for you.

Shining Armor grab his cock and aim his flare at Chrysalis soaking's pussy. He run it along with her glowing green sensitive slit, make her ovipositor throbbing from pleasure it female part receive. Shining Armor move his cock until he finally found her open.

Chrysalis moan in her throat when Shining Armor's cock tip slowly open her tight pussy and gain access to her sensitive canal. The feeling is so much instant. So much pleasure than the time she have sex with disguise cover. This feeling is more real...*

Chrysalis : Ohhh Shining...So good....This feeling is so much better than the time I have sex with disguise on. MMmmmm....Ah!!

She moan loudly without care to suppress it anymore. Her front hooves garb the bed sheet so hard while her body swim in pure bliss

Shining Armor : Oh... You are so tight and so warm...So wet!! *At first. He think to make her pussy get used to his cock first. But with her wetness. He now able to make a move now. He start to pull and push his harder and faster to gain more and more pleasure from his marefriend love hole.

Chrysalis : *After fucking for a while* Ah!!! The feeling is too good!! I...I'm going to cum before you!!! Mmmm

Chrysalis's pussy leak more and more nectar that make Shining Armor able to fuck her faster and deeper enough to touch his tip with her cervix inside. While her abdomen start to soaking wet with her precum-like fluid that leak from the tip of her ovipositor. That her petal-like flesh keep open and close from time to time.

Shining Armor : Ohhhh...Than....Let's make you cum first! *Grin*

Chrysalis moan with sweet voice when her sensitive ovipositor was wrap by his magic and he start to stroke it as the same peace as he fuck her pussy. Make it feel like she fuck someone while getting fucked at the same time. She keep shivering and cry from overload passion she receive from both genital. Until her orgasm gauge finally explode*

Chrysalis : SHINING!!!! AHHH!!!

Chrysalis Yell with high pitch voice when she hit the peak. Her pussy squeeze itself so hard on Shining Armor's warm rod. Soaking it with her marecum. While her ovipositor throbbing hard. Petal-like flesh on the tip blooming completely and shooting growing green thick fluid out of her hole inside. Strain her face and front body with her own unique cum

Shining Armor : Do you need some rest? *Slow down his thrust when he seen his marefriend stop leaking cum.*

Chrysalis : Y...Yeah...A minute might be good. *Pant* S...Sorry for cumming before you.

Shining Armor : It's fine, really. I'm glad that I could make you feel good until it make you cum this quick. *Kiss her cheek*

Shining Armor adjust his position to make Chrysalis sit on his lab with his cock still being deep inside her vagina. He hugs her from behind and nuzzle her neck while look at his marefriend's semi-erect ovipositor and her cum-like fluid with interest

Shining Armor : I thought you going to release egg when you cum... *Look at the tip of Chrysalis's ovipositor that now close and that make her rod look like Stallion's cock without middle ring*

Chrysalis : W...Well. By our instinct. We. Queen usually release egg when our ovipositor penetrates and being inside Changeling's vagina. The tip of our ovipositor will lock with their cervix, so the egg will be sent into their womb directly when we experience orgasm. *blushing while her body imagine the image action of what she explains. That action is very hot for Changeling like her*

Shining Armor : So what with that green-fluid here? Is that your semen?

Chrysalis : N...No...That is our nutrients fluid. It's a fluid that not only help delivery our egg. But it also full with love to keep egg in heathy state as well. We only release this fluid when we cum while our ovipositor not being in the right place. While the egg was block from getting out along with this fluid.

Chrysalis look at Shining Armor that somehow seem interest in her nutrients fluid until the curious got the better of him. He moves his hoof to gather some cum that leak from the tip of her ovipositor and give it a taste. That sign turn her on a lot and that make her ovipositor go full erect once again

Shining Armor : Mmm...Taste sweet...So...That is a unique way to safety send egg to mother-to be Changeling, I guess. *Sigh with disappointed* And here I hope to see this Changeling egg of you for real...I guess that impossible now...

Chrysalis : *What Shining Armor said make her face hot* Y...You want to see m...my egg?...W...Well....I...If you really want to....I...I can go against our instinct and release my egg outside for once... *Her ovipositor keep close and open a bit. Like it exciting to release egg for the first time*

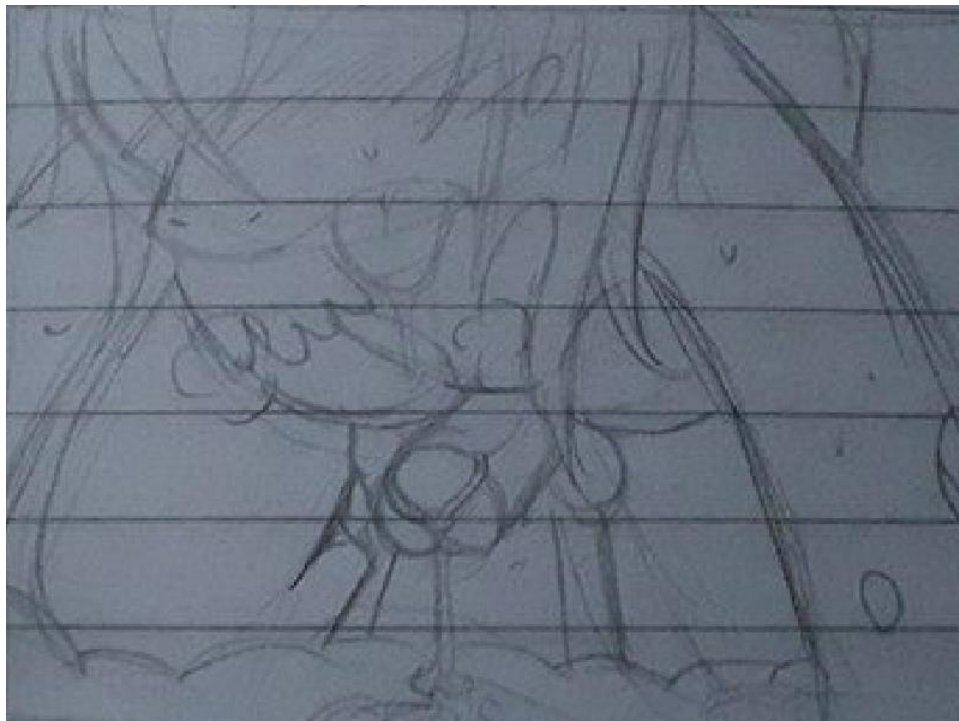

Shining Armor : You don't have to do it if you don't want to, Chrysalis. I don't want you to waste your precious egg for my selfish reason...

Chrysalis : Don't worry, Shining. As long as queen have enough love within herself. She can produce as many egg as she want. And infertile egg isn't living being. So don't worry that you kill my child or something.

Shining Armor : A...alright...So...How are we going to do it?

Shining Armor separate himself from Chrysalis. Let's her rest on bed a bit while he stand beside her. Chrysalis set herself to the new position that she want. Shining Armor blush hard when she turns her backside to him and present her soaking marehood to him. She place her front half body and front hooves on the bed while hindlegs was place on the floor. Chrysalis's ovipositor throbbing a bit like how mare's clit wink. It's a signal that they are now ready to be breed. And that make Shining Armor turn on a lot.

Chrysalis : I...I want my egg to land on soft bed when it was laid. I hope you don't mind fuck me from behind. *Blush and position her ovipositor that now it tip lay low near the surface of soft bedsheet*

Shining Armor said nothing and let his instinct guide his body to mount his mare . To claim her. To rut her. To cummings inside her and impregnate her. (But that impossible. Because there has no egg in Chrysalis's womb). He silently walk to stan behind his marefriend and lift his front half body to lay it on Chrysalis's back. Wrap his front legs tightly around her barrel and put his harden cock into her love hole in one go and his cock was embraced by her warm wet inner wall once again.

Chrysalis : Ohhh!!! Shining!!! *She squeak and moan loudly with suddenly filling and pleasure.

Chrysalis keep moaning to her lover name again and again when he start rutting her. For real, no hesitate, no gentle. He fuck her hard, deeper and fast. Make a countless pleasure spark to her body again and again. So much pleasure she receive, along with pure love and lust that pouring into her directly from the source. It was give freely to herself and only for her.

Shining Armor : Mmmmm...Chrysalis...Ah...I don't know how long I will last... *He keep rutting her even he feel that the tip of his cock inside his lover's vagina start to flare out bit by bit and make it harder and harder for him to move*

Chrysalis nearly forget her lover request. But she remember it now. She fight against her instinct and force her ovary to release one egg. Feed love to it until it grown into a proper size and place it into the ovipositor way (Her ovary connects directly to her ovipositor, instead uterus like in normal mare). Await to come out along with nutrients fluid that queen will release once she reach orgasm*

Chrysalis : Yes!!! Me too!! M...My egg is in place now!!

Shining Armor : Ahhh...So good...I'm going to cum!! I will cum inside you!!! *He hug his marefriend tighter and move his head to be side by side with his mare friend's head*

Chrysalis : Ohh!! It's going to come out!! Ahhh!! My egg going to **cum out**!!! *She can feel her egg slowly move inside her pelvin. Even her lover can feel it too, because her egg tube in close to her vagina. It make her way tighter like she was fuck by two stallion at once. It increases the pleasure to both party until Shining Armor's flare cock grown to it maximum size and than...*

Shining Armor : CUMMING!!!

Shining Armor howls when he hit his orgasm and thrust his cock into her completely until his cock's tip press again cervix of Chrysalis's empty womb. Load after load of his virile cum was shoot directly into her womb. Shower and fulfil this empty space of her with his cum until it completely fills and his thick fluid have no way to go. It starts to pour out along her vagina, down from her pussy and drip to the floor.

Chrysalis : C-Coming!!! It's coming now!!! I'm CUMMING TOO!!!

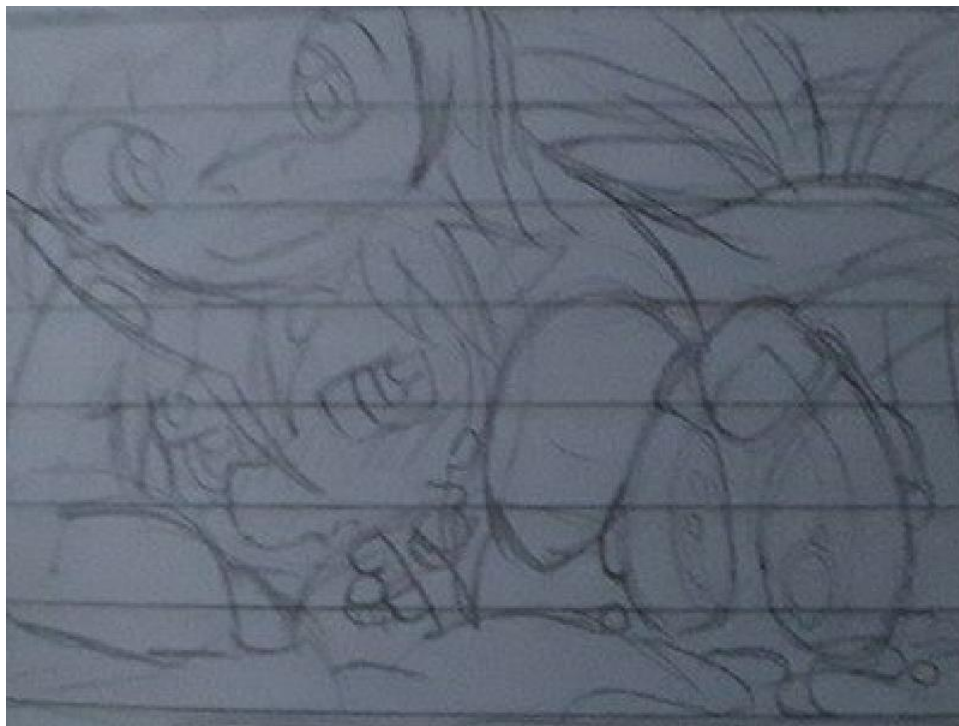

Chrysalis reach her own orgasm not so long after her lover start to fill her with his warm thick semen. Her vagina wrap itself so hard on Shining Armor's hard rog and soak them with her marecum. Shining Armor's orgasm might end now. But her orgasm still continue longer. She pant and moan from her orgasm that was prolong by her egg that slowly make it way from the base of her ocipositor to the tip. Giving countless pleasure to her until petal-like flesh on the tip of her ovipositor open itself completely and gently drop her glowing green egg on the softy bed. Showering it with pure glowing green nutrients fluid. Before the tip of her cock finally close itself and ending the long orgasm of Chryslas

Shining Armor can feel his mare get weak a bit from laying egg. He fear that she might fall down on her own egg underneath. So he grab his mare and drag her to fall down on the side along with himself. Lay down together beside one glowing egg that nobody ready to see it yet. Simply panting from post-orgasm they have together.

Shining Armor : *Finally get over from his post-orgasm state. He open his eye and see the object beside him. A thing he wish to see* Wow....Your egg is so beautiful...

Chrysalis : Y-You don't have to lie to make me feel better...I know it disgust you.
Open her eyes and look at her own egg that cover with sticky glowing green fluid

Shining Armor : Hmm? What make you think it disgusting?

Chrysalis : Doesn't that look weird to you? Pony don't lay egg like that. Not implant egg into another female...and see that green egg cover with green fluid. Doesn't that make it feel like something that come out of horror movie? *This is her first-time laying egg. And the first time she seems egg outside of body. Since

her mother never lay egg outside before. She never has sex in front of her daughter as well. So what she see at the moment is completely new to her. And it scares her...*

Shining Armor : Not scary to me anyway. Chicken laying egg outside too. But I didn't feel disturb at all. Implant egg inside female isn't sound difference from male implant their sperm into female at all. And I really mean it when I said that your egg is beautiful. It's look like a green beautiful gem. A jewel of life. *Look at the egg with interesting. It really look like egg-shape green gem to him*

Chrysalis : *Blush* Anypony ever told you that you are strange pony? Finding interest in something that normal pony usually disturb by it?

Shining Armor : *Giggle* Well. It's a perk for being a brother of egghead unicorn. Her love in research a new thing kinda rub me off a bit. *Yawn*

Chrysalis : You're tired? Maybe we should call it a night?

Shining Armor : Yeah. It's been a long day for me. But still the best day. Do you mind to sleep with me tonight?

Chrysalis : I thought you never ask!! *She float her egg to set it on the table beside bed and turn to hug her lover tightly like she fear he will disappeared if she let him go* Sleep well, my knight in shining armor. I love you.

Shining Armor : I love you too, my little love bug. Good dream, my very own queen.

Both of them sleep together in each other embrace.
