START OF ACT #1

INT. SODA SHOP

Alternate Dawn sits alone at a table with a mug of root beer. His over all mod is gloom.

Super Surprise comes up to him from behind.

SUPER SURPRISE

Why do glum chum?

Alternate Dawn looks behind him, and sees his friend. He turns his attention back to his drink.

ALTERNATE DAWN

Depressed Oh, hey Surprise.

Super Surprise sits next to Alternate Dawn.

SUPER SURPRISE

Wow... You look like a filly, who just found out that Santa isn't real.

ALTERNATE DAWN

Well if you had the same two weeks I did.

Alternate Dawn takes a drink of his root beer, not finishing his sentence.

SUPER SURPRISE

Didn't you bang Sparity? I'd say that would have been a good day.

Alternate Dawn whimpers and puts his head down on the table with a "thud".

Super Surprise looks off to the side and calls out to the bar tender.

SUPER SURPRISE

Hey Tapper, I'm going to need two "Smile Surprises" over here!

TAPPER (O.S.)

Come'n right up!

A waitress comes up with two large drinks that have fruit hanging from the side. Super Surprise places Alternate Dawn's root beer on the waitress's tray for her to take away.

Super Surprise takes out a note-pad and pen.

SUPER SURPRISE

So, tell Dr. Surprise what's wrong.

Alternate Dawn looks at the new drink and goes to take a sip.

ALTERNATE DAWN

Rather not.

Alternate Dawn takes a sip and is surprised by the taste.

ALTERNATE DAWN

What is this?

SUPER SURPRISE

Fruit smoothly with ten pixie sticks added in.

Alternate Dawn downs the drink, and looks off to Tapper.

ALTERNATE DAWN

I'll take another.

When Alternate Dawn gets his drink he drinks half of it one gulp.

SUPER SURPRISE

Oh, I forgot to mention that it's spiked with a truth
potion!

Super Surprise smiles at Alternate Dawn, as he frowns at her.

ALTERNATE DAWN

I hate you, right now.

SUPER SURPRISE

Yea. I get that a lot with this drink. So spill, what's
wrong?

ALTERNATE DAWN

Well as the whole town knows, Sparity came over
to my place the other week and we ended up having
sex.

SUPER SURPRISE

Yep, and the next day she caught you red-hooved
trying to get with Jacky. And then Spike took you
for a "talk". Next part.

ALTERNATE DAWN

Well Ms. Rarity came up with a plan for the two to
get back at me and--

CUT TO:

INT. SODA SHOP - LATER

After Alternate Dawn finishes telling Super Surprise about having a three way with
Sparity and Little-AJ, Super Surprise's face is red from blushing and is shocked.

SUPER SURPRISE

Even if you were changed into a mare, you got to
have a three way with them! Most ponies would
have more of a bounce in there step than me!

ALTERNATE DAWN

Ya... Well my Mom only found out the first half of the story. So she got a "little" upset with me.

CUT TO:

FLASH BACK

INT. TWILIGHT'S THROWN ROOM

TWILIGHT

Upset So you sleep with Sparity, who's the daughter of two of my closes friends. But then you try to get with Little-AJ who's also the daughter of another best friend of mine!

Twilight face twists with anger and sadness. Her eyes fill with tears.

TWILIGHT

It's not that I never expected to have a mare friend or two growing up, but I thought I raised you better!

Not only does everypony knows about this, but I had to find out from a report from one of the guards!

Yells Do you have anything to say?

Alternate Dawn goes to say something but looks at the ground. A pause icon appears on the screen.

ALTERNATE DAWN (V.O.)

I thought about telling her about how the two had their "payback", but I didn't feel like digging myself a deeper grave.

Super Surprise looks at the screen for a moment and then looks towards Alternate Dawn.

SUPER SURPRISE

Good idea.

Super Surprise moves away from the screen. A play icon replaces the pause icon.

ALTERNATE DAWN

Sadden No mother...

Twilight's face shows nothing but sadness as she starts to cry.

TWILIGHT

Since you live on you own it's not like I can ground
you, and send you to your room.

Alternate Dawn takes a small sigh of relief, as he still looks towards the ground.

TWILIGHT

Guards, please show Prince Dawn to the dungeon!

Alternate Dawn's eyes widen from hearing this, but remains silent.

TWILIGHT

Tell the warden that if they, or any other guard
shows him "any" special treatment, they'll be in the
cell next to his!

Two guards come up to Alternate Dawn to escort him.

Alternate Dawn turns around and walks off with his head down.

END FLASH BACK

CUT TO:

INT. SODA SHOP - CONTINUOUS

Alternate Dawn and Super Surprise still sit at the table.

Super Surprise tries to lighten the mood.

SUPER SURPRISE

So you were sent for a little time out. I'm sure if you
ask Sparity or Jacky nicely, they would help make
you "feel" better!

ALTERNATE DAWN

Whimper

SUPER SURPRISE

A little shocked Oh... Another round Tapper!

CUT TO:

FLASH BACK

EXT. PONEYVILL - DAY

ALTERNATE DAWN (V.O.)

I caught up with Sparity a few days ago, and asked
her if she wanted to go out or do something.

Sparity nervously smiles and shows the pendant that Little-AJ gave her.

ALTERNATE DAWN (V.O.)

She told me that her and Little-AJ officially became a couple last weekend, and showed me the pendant to prove it.

CUT TO:

END FLASH BACK

INT. SODA SHO - CONTINUOUS

Alternate Dawn is still depressed, and even Super Surprise looks a little down.

SUPER SURPRISE

So let me get this right. Your mom is still upset with you and won't see you. Your first mare-friend was stolen from you by the same mare you had a three way with.

Alternate Dawn finishes his drink and places the glass back on the table.

ALTERNATE DAWN

Welcome to my life! *Argh* How long does this potion last?

SUPER SURPRISE

What potion?

Alternate Dawn blinks and looks at Super Surprise.

ALTERNATE DAWN

Annoyed The "truth potion" you had my drink spiked with.

Super Surprise gives a grinning smile.

SUPER SURPRISE

Like I said, "what potion"?
(Smiles)

ALTERNATE DAWN

You mean...

SUPER SURPRISE

Completely lied to you about it, and still got you to tell the truth!

Alternate Dawn looks at empty glass, then back at Super Surprise.

ALTERNATE DAWN

I "really" hate you right now.

Super Surprise ignores the dirty look from Alternate Dawn.

SUPER SURPRISE

But don't you feel better talking about it, and getting that stress off you chest?

Alternate Dawn looks off to the side and calls out.

ALTERNATE DAWN

I'm tapping out, Tapper.

TAPPER (O.S.)

21 bits.

Alternate Dawn leaves the bits on the table and goes to leave.

Super Surprise quickly leaves bits for her drinks and follows Alternate Dawn.

CUT TO:

INT. PONEYVILL - EVENING

Super Surprise catches up with Alternate Dawn and walks with him.

SUPER SURPRISE

Awe... Come on Dawny, don't be like that.

Alternate Dawn stops and looks at Super Surprise with a frown.

SUPER SURPRISE

Wait I know! What you need is a "PARTY"!

ALTERNATE DAWN

Look SS, thanks for getting me to talk about everything, it did help a little. But the last thing I want to do is attend a party and have everypony talk about me behind my back.

SUPER SURPRISE

So we make it a privet party, and only invite a few ponies.

Alternate Dawn stops walking and turns to Super Surprise, upset.

ALTERNATE DAWN

A little mean, Almost yelling Look SS. I don't want a party!

Super Surprise is a hurt from having Alternate Dawn yell at her. Her mane and tail become flatten.

Alternate Dawn looks at his friend and sees that he hurt her feelings. He goes up to Super Surprise and hugs her quickly.

ALTERNATE DAWN

I'm so sorry SS! I didn't mean to yell at you!

SUPER SURPRISE

Sniffles Its okay...

ALTERNATE DAWN

(Looks at Super Surprise)

No it's not. I shouldn't have yelled at you. It's... I'm just stressed out with everything from the last few days.

But that's no excuse for taking things out on you.
I'm so sorry.

Alternate Dawn hugs Super Surprise tightly again. After a moment the two look at each other, and Alternate Dawn sees that Super Surprise's mane is back to its normal poofyness.

ALTERNATE DAWN

Still friends?

SUPER SURPRISE

(Smiles)

Lovingly Still friends!

But if you're stressed, how about a massage?

Alternate Dawn raises his eyebrows.

ALTERNATE DAWN

That's not a bad idea. I wonder if the spa could fit me in today?

SUPER SURPRISE

Why pay them, when I can give you one for free?

ALTERNATE DAWN

Thanks for the offer, but I think they'll have to work on me for an hour or more to get me to unwind.

SUPER SURPRISE

Pony please! Give me 30 minutes, and I'll have you smiling and completely relaxed.

Alternate Dawn smiles at Super Surprise.

ALTERNATE DAWN

Thanks SS, but I don't want to inconvenience you.

SUPER SURPRISE

Nope you're coming home with me. And if I don't have you smiling in 30 minutes or less, I'll pay for you to have a spa day!

ALTERNATE DAWN

Cautiously What's the catch?

Super Surprise thinks for a moment, before she gets an idea.

SUPER SURPRISE

You have to pinkie promise to just lay down, relax and let me work my magic!

ALTERNATE DAWN

Just lay down, and let you give me a massage?

SUPER SURPRISE

Yep!

ALTERNATE DAWN

And if I'm not relaxed in 30 minutes, you'll pay for me to have a "full" spay day?

SUPER SURPRISE

I pinkie promise!

ALTERNATE DAWN

Joyfully Well, I'm in your hoofs then.

Super Surprise is so happy to hear this, that she hugs Alternate Dawn, lifting him off the ground.

SUPER SURPRISE

Excited Yes! I promise you'll be smiling by the time I'm done!

Super Surprise puts Alternate Dawn back on the ground and the two laugh.

END OF ACT #1

START OF ACT #2

INT. SUPER SURPRISE'S HOME

Super Surprise and Alternate Dawn walk into her house, and Alternate Dawn sees that despite party supplies being everywhere everything is well organized.

Super Surprise leads Alternate Dawn to a room with a massage bed.

Alternate Dawn takes a deep breath in, taking in the soft scent coming from the vanilla flowers.

ALTERNATE DAWN

To himself I think this is exactly what I need.

Super Surprise gets a few cloths and oil from a cupboard and turns to Alternate Dawn.

SUPER SURPRISE

What was that?

ALTERNATE DAWN

Nothing sorry. So how did you want to start this?

Super Surprise motions to the massage table.

SUPER SURPRISE

Hop on face down, and I'll start on your back.

Alternate Dawn climbs on the massage table lying on his stomach, with his face facing the floor. He hears Super Surprise place a few things on the nearby table, as she starts humming a song.

SUPER SURPRISE

Okay, going to get started. So just relax, tell me if you want more or less pressure as I go. And if you want me to focus on anything let me know.

As Super Surprise starts, Alternate Dawn feels the oil being poured on his back.

Super Surprise starts the massage on Alternate Dawn's shoulders and neck. Only after a minute all the stress seemed to melt away at her touch. Alternate Dawn let out a moan of pleasure.

Super Surprise slowly starts her way down on Alternate Dawn's back. She pours more oil onto him, rubbing it into his fur as she pushes down harder on his back.

ALTERNATE DAWN

Lightly Keep going SS. This feels great!

Super Surprise continues making her way down Alternate Dawn's back. Once she's makes it half way, she finds a knot that that's a little hard to work past. She hears Alternate Dawn moan a few times as she tries to work it out.

SUPER SURPRISE

Mind if I climb up on ya, so I can press harder on this knot?

ALTERNATE DAWN

Dazed Uh-hu.

Super Surprise climbs up on the table and sits over Alternate Dawn's flank. She presses down on the knot again with a little more force and feels Alternate Dawn's back loosen up.

ALTERNATE DAWN

Sweet Luna!

SUPER SURPRISE

Seductively Now, now. We'll get to that part later.

Super Surprise slides herself down to Alternate Dawn's legs. She pours a little bit of oil on to her hooves and starts to massage his flank. Super Surprise uses both her front hooves on his flank and slowly works her way down into Alternate Dawn's inner thighs.

Alternate Dawn feels Super Surprise's hooves all over his flank, but he feels for a quick moment that she touches his balls. He jumps at the feeling, but Super Surprise doesn't seem to notice.

Super Surprise continues to work the upper and inner part of Alternate Dawn's legs. She starts to rub the inside the upper part is Alternate Dawns leg with her left hoof, allowing the back of her right hoof to moving all over his cock.

Alternate Dawn can't help but let his cock get hard.

ALTERNATE DAWN

Um... SS, you're kind of rubbing me...

Super Surprise grins and sees Alternate Dawns cock coming out.

SUPER SURPRISE

Opps. Sorry about that Alter.

Super Surprise slides off of Alternate Dawn and moves to the head of the massage table.

SUPER SURPRISE

Okay, flip over please.

Alternate Dawn is a little struck at hearing this. Since his cock started to become erect he doesn't want Super Surprise to see it.

ALTERNATE DAWN

Umm... You see... It's just...

SUPER SURPRISE

What was that?

ALTERNATE DAWN

Nothing...

Alternate Dawn slowly turns over, and lays on his back side. He sees Super Surprise above him smiling down at him. She moves her hooves up and starts to massage his head.

Super Surprise starts at the lower part of Alternate Dawn's ears, and works her way to his muzzle. Alternate Dawn can't help but to open his mouth as he pants.

Seeing that Alternate Dawn's eyes are closed, Super Surprise moves her muzzle down to Alternate Dawn's horn and starts to lick it.

Alternate Dawn's eyes shoot open and he sits up. He looks back at Super Surprise in shock.

ALTERNATE DAWN

Surprised What are you doing?

Super Surprise looks at Alternate Dawn plainly.

SUPER SURPRISE

Giving you a massage.

ALTERNATE DAWN

You were licking my horn! Do you know how sensitive they are?

SUPER SURPRISE

Kind of.

ALTERNATE DAWN

Then why were you licking it?! Are you trying to turn me on?

SUPER SURPRISE

(Smiles)

Yes!

Alternate Dawn can't believe his friend. He frowns as a thought comes to him.

ALTERNATE DAWN

You were planning this all along, weren't you?

SUPER SURPRISE

Playfully Only after I started. And besides you pinkie promised that you would let me work my "magic".

And I kind of want to see what one of these new cards look like.

Alternate Dawn looks at Super Surprise a little shocked.

Super Surprise jumps up on the massage table and sits behind Alternate Dawn. She reaches around Alternate Dawn and starts to giving him hoof-job.

Alternate Dawn closes his eyes, enjoying the feeling. He leans back into Super Surprise, and lets out a moan.

Super Surprise moves her left hoof up and turns Alternate Dawns head so it faces her. She leans in and kisses him deeply.

As they kiss, Super Surprise lets her hoof find its way back to Alternate Dawn's cock. With a hoof on each side, she slowly moves her hoofs up and down his cock.

The oil covers Alternate Dawn's cock, allowing Super Surprise to hold it tighter and keep her movement constant.

Super Surprise rub the head of Alternate Dawn's cock with one hoof, as she strokes his shaft with the other. His cock releases of its juices.

Super Surprise moves his muzzle to Alternate Dawn's ear and speaks softly into it.

SUPER SURPRISE

Come on Alty. I want to feel you cum.

Super Surprise softly bites Alternate Dawn's ear. She softly moans, moving her body against his each time she strokes Alternate Dawn's cock down wards.

Alternate Dawn starts to squirm in the embrace of his friend. He feels Super Surprise move her hind legs around him, holding him closer and tighter to her. He places her hooves around her legs, rubbing them gently.

Super Surprise feels Alternate Dawn's cock start to twitch in her hooves. She holds it tightly as she quickens her hoof job. She breathes harder into his ear, almost whimper as she speaks to him.

SUPER SURPRISE

Please... Your cock is so hard. I can feel it wanting to explode. It's okay. You can cum as much as you want.

Super Surprise slows her hoof job, holding tightly as she can with her two hooves. With each motion upwards she takes in a breath, and with each stroke down her moans almost sound like whimpers as she pushes harder onto Alternate Dawn's body.

Alternate Dawn bites his lower lip as he breaths in and out heavily. He places his head on Super Surprise's shoulder and leans into it as he cums. Alternate Dawn's cock sprays his semen all over his chest, and Super Surprise's hoof.

As Alternate Dawn rests on Super Surprise, she brings her hoof up and licks the cum that's on her hoof.

SUPER SURPRISE

Hmm... Have to say, your Alter sauce doesn't taste that bad.

ALTERNATE DAWN

Lightly Laughs Thanks.

Alternate Dawn closes his eyes, and nuzzles into Super Surprise's neck and shoulder.

ALTERNATE DAWN (CONT'D)

I could fall asleep right now.

SUPER SURPRISE

Well, I would recommend a shower first.

ALTERNATE DAWN

Why?

SUPER SURPRISE

Because you're covered in Alter sauce, and have oil
all over you.

Alternate Dawn opens his eyes and looks at himself. He sees that his chest is covered
with his cum, and that he is quite oiled up. He looks at Super Surprise a little a shamed.

ALTERNATE DAWN

Um...

Super Surprise points to a door across the room.

SUPER SURPRISE

Just threw that door. Clean towels are on the stand
next to the shower.

Alternate Dawn gets up and slowly gets off the massage table, and he heads to the
shower.

Super Surprise starts too cleans up the sheets that were on the massage table. She notices
that since Alternate Dawn was laying on her she's covered in oil as well.

Hearing the shower Super Surprise decides to join Alternate Dawn.

BATHROOM

Super Surprise makes her way into the bathroom, and sees that Alternate Dawn is
enjoying himself in the shower. She talks to him from the doorway.

SUPER SURPRISE

So how are these new cards made?

ALTERNATE DAWN

I would have to cum inside you.

SUPER SURPRISE

Wow... Out of all the unicorns I know, you got all
the fun spells!

Super Surprise walks to the shower, and gets in. She sees Alternate Dawn standing right
under the shower head with his face turn into the on coming water. The whole bathroom
is practically a mini-sauna, with how high the hot water is turned on.

Super Surprise moves beside Alternate Dawn so she can enjoy the water fully.

Alternate Dawn notices that Super Surprise is in the shower with him and jumps a little.

ALTERNATE DAWN

A little nerves What... What are you doing?

SUPER SURPRISE

Well I have oil on me too since you were laying on me. *Playfully* And I'm curious to see what my new card will look like.

Alternate Dawn blushes as he looks away from embarrassment.

Super Surprise takes her front right hoof, turning Alternate Dawn's head to look at her and kisses him deeply.

Alternate Dawn returns the kiss, and then looks at Super Surprise. Still blushing, Alternate Dawn stamper a little not knowing what to do.

Super Surprise grins with a little delight. She slowly kisses her way down Alternate Dawn's neck, making her way down his warm, wet body. As she makes it to his flank she puts her muzzle behind Alternate Dawn's butt.

Super Surprise takes one of her front hooves and starts to rub Alternate Dawn's balls from behind.

Super Surprise lays on the floor and turns onto her back, moving herself under Alternate Dawn. As she continues to rub his balls, she starts to run her tongue along Alternate Dawn's balls and cock.

Alternate Dawn begins to breath heavy, as he tilts his head back and moans. Alternate Dawn feels Super Surprise's hooves wrap around his waist as she moves her head closer, pressing her tongue harder against his cock.

Super Surprise sticks her tongue out as much as she can, and starts lapping Alternate Dawn's cock. With each lick Alternate Dawn gives off a new intensified moan.

ALTERNATE DAWN

More... Keep going!

Alternate Dawn's whole body starts to shake, and his legs begin to buckle.

Super Surprise grips Alternate Dawn's hips as hard as she can, and starts to suck hard on his cock.

Alternate Dawn hears the sound coming from Super Surprise as she sucks on his cock. He lowers his head and tries to look under him, but he can only see Super Surprise's mane and head bobbing up and down.

As Alternate Dawn cums inside Super Surprise's mouth she tries to swallow everything. Even when Alternate Dawn's cock finishes shooting out his cum, Super Surprise presses her lips hard around his cock, and tries to make every last bit come out.

Super Surprise moves from under Alternate Dawn and moves to his front. Alternate Dawn legs collapses making him lay on the floor. He stays laying on them.\\, as he looks to Super Surprise.

The two kiss slowly. Super Surprise smiles as Alternate Dawn pulls back. She sees his eyes are still have a recent-orgasm haze.

ALTERNATE DAWN

(Smirks)

So... You did hear that I said that I have to cum inside you right?

Super Surprise looks at Alternate Dawn a little confused.

SUPER SURPRISE

But you just did.

Alternate Dawn is shocked hearing this.

ALTERNATE DAWN

Um... Ya, but... How should I put this...

Super Surprise sees Alternate Dawn start to blush again, as he stumbles, and she can't help but laugh. Alternate Dawn looks at her and frowns.

ALTERNATE DAWN

You knew what I meant, didn't you.

SUPER SURPRISE

Yep. But seeing you try to explain it was great!

ALTERNATE DAWN

So did you want to... You know, in here?

SUPER SURPRISE

I'm tempted, but the water is getting cold. Why don't you wash off and join me on the bed, in my room.

Super Surprise winks as she gets up and turns around to leave. She playfully slaps Alternate Dawn with her tail.

Alternate Dawn notice that the water has gotten a little colder, so he quickly washes himself off.

CUT TO:

SUPER SURPRISE'S ROOM - MOMENTS LATER

Alternate Dawn walks into the room with a towel around his neck.

Super Surprise notices that Alternate Dawn is walking a little slow, and looks tired.

Super SURPRISE

Are you okay?

Alternate Dawn sees Super Surprise sitting on the edge of the bed. He starts drying his mane and joins her

ALTERNATE DAWN

Ya. I think it's just from the heat of the shower, and playing in there. Just a little dizzy.

Alternate Dawn finishes drying his mane, and drops the towel on the floor. He sees that Super Surprise is rubbing herself and looking at him.

ALTERNATE DAWN

Starting with out me?

SUPER SURPRISE

Playfully Well you already cummed twice, and you need to cum again to make my card. So I thought I could use some attention.

Alternate Dawn takes the hint, and gets down on his knees as he moves in front of Super Surprise. He moves his muzzle down in front of her pussy, and starts to slowly lick it.

Super Surprise moves her hoof away and leans backwards, keeping herself up with her front hooves behind her.

Alternate Dawn slowly licks the outside of Super Surprise's pussy a few times, moving his tongue around her pussy's lips. Letting his tongue glaze over her clit, Super Surprise lets out a quick gasp every time he goes over it.

Super Surprise takes a hold of Alternate Dawn's head and pushes his muzzle into her pussy.

SUPER SURPRISE

Come on, Alter! Let's see what that tongue of yours can do.

Alternate Dawn sticks his tongue inside Super Surprises pussy, and licks upwards. As he reaches the top of Super Surprise pussy he lets his tongue come out, flicking her clitoris. He then pushes his tongue back in at the bottom of her pussy and repeats his movements.

Super Surprise loving the feeling lays down on the bed.

SUPER SURPRISE

I know you love talking when you're explaining something. *Moans* But if I knew your tongue was

this "talented", I would have invited you over sooner.

Alternate Dawn smiles to himself. He brings up a hoof and starts to rub Super Surprise's pussy. He moves his head and looks up at her.

ALTERNATE DAWN

You can thank my weakness to ice cream.

As Alternate Dawn hears Super Surprise moan, he sticks his hoof in a little bit into her pussy and picks up his speed a little.

Super Surprise starts to squirm a little from the feeling, and grabs the bedding. She lets out a few whimpers.

Alternate Dawn feels his cock becoming hard again. He moves his muzzle back to Super Surprise's pussy and starts to lick it again as he continues to rub it.

SUPER SURPRISE

Panting Come one Alter... Stop teasing me.

Alternate Dawn looks up.

ALTERNATE DAWN

Um. My cock is a little dry. Did you want to use some of that oil?

Super Surprise looks up and smiles.

SUPER SURPRISE

I got a better idea!

Super Surprise crawls up on the bed till she's in the middle and motions for Alternate Dawn to join her.

Alternate Dawn joins her on the bed and waits to see what Super Surprise has in mind.

SUPER SURPRISE

Okay, move on top of me and make it so you can still lick me, but make sure I can reach your cock.

Alternate Dawn looks at Super Surprise and grins.

ALTERNATE DAWN

You know, you could have just told me that you wanted to do a 69'er

Super Surprise looks at Alternate Dawn a little shocked.

SUPER SURPRISE

So that's what it's called. I thought it was called
"licky-licky, sucky-sucky".

The two laugh.

Alternate Dawn positions himself over Super Surprise, and starts to lick her pussy. He feels her grab his cock and pull it down a little. Super Surprise licks his cock a few times before she starts to suck on it.

As the two keep going, Alternate Dawn starts to rub Super Surprise's pussy again. She lets out a slight moan, but it comes out more of a hum since his cock is in her mouth.

As their bodies release their juices, they increase the intensity of pleasing each other.

Alternate Dawn uses his hooves to open Super Surprise's pussy. He licks the walls of her pussy as he tries to stick his tongue in as far as he can.

Super Surprise lifts her head off the bed, letting Alternate Dawn's cock fully move in and out of her mouth. Moving her tongue as she continues to suck on his cock, Super Surprise moves up on it so much, it starts to hit the back of her throat.

Alternate Dawn starts to feel his balls tightening up, as he's getting close to cumming again and moves his head.

ALTERNATE DAWN

Hey, SS. I'm getting close... So did you want to?

Super Surprise goes to reply, but it's muffled from still having Alternate Dawn's cock in her mouth still. Super Surprise opens her mouth and lets Alternate Dawn's cock spring up. She looks at him and smiles.

SUPER SURPRISE

Ya, just let me get into position.

Super Surprise moves up to the head of the bed and lays on top of the pillows, with her front hooves under them. She moves her back hooves under her, and starts to waddle her flank, inviting Alternate Dawn.

Alternate Dawn positions himself behind Super Surprise and positions his cock. He slowly starts to push it in, and they both moan in pleasure.

Fully mounted behind Super Surprise, Alternate Dawn starts to move his hips back and forth. Letting his cock come half of the way out of Super Surprise's pussy, before pushing it back in.

SUPER SURPRISE

Come on, Alter. You can move faster than that!

Alternate Dawn grabs Super Surprise by the waist, and starts to move as fast as he can. He feels Super Surprise's pussy slowly start to tighten up around his cock, not wanting to let it go.

The motions from Alternate Dawn's thrusts, slowly make Super Surprise move forward on the bed. She uses her front hooves against the head board to the bed, so she doesn't hit her head. Super Surprise moves her muzzle into the pillow, and lets out a soft screen each time Alternate Dawn slams his cock into her.

ALTERNATE DAWN

About to...cum.

Alternate Dawn quickly casts the spell to make the Perfect Type ID card, as he cums inside Super Surprise.

The added presser of Alternate Dawns cum is too much for Super Surprise's body to handle, causing her to cum with him.

The Perfect ID card appears on the near Super Surprise's head.

Alternate Dawn rests on top of Super Surprise for a moment, allowing his cock to finish filling Super Surprise with his cum, before falling to the bed. He closes his eyes as he breaths heavily.

Super Surprise looks at Alternate Dawn and starts to giggle.

SUPER SURPRISE

Awe... Did I tire little Dawny out.

Alternate Dawn stays laying down with his eyes close.

ALTERNATE DAWN

We've gone three times! Let me catch my breath.

Super Surprise looks around and sees the new ID card. She look at it and sees the that it has her in a rather risqué position. She turns to Alternate Dawn to show him the card.

SUPER SURPRISE

Hey do all the cards look like this?

Alternate Dawn opens his eyes and looks at the card.

ALTERNATE DAWN

I only have the Sparity's two cards to go off of, but so far yes.

Alternate Dawn reaches for a pillow, and places his head on it and closes his eyes.

Super Surprise puts the card off to the side, and turns back to Alternate Dawn.

SUPER SURPRISE

Playfully Come on Alter, I only got mine once, to yours three.

Super Surprise sees that Alternate Dawn is fast a sleep. She covers the two of them with the blanket and kisses him on the head.

FADE OUT

INT. SUPER SURPRISE'S HOME - MORNING

Alternate Dawn wakes up the next morning, and looks around. He sees Super Surprise's Perfect Type card on the night stand next to the bed, but she isn't around.

Alternate Dawn takes the card with him as he leaves the room. As he looks threw the house, he finds Super Surprise in the living room, looking at plans of party plans.

ALTERNATE DAWN

Morning.

Super Surprise looks towards Alternate Dawn and smiles.

SUPER SURPRISE

Morning sleepy head! How are you feeling?

Alternate Dawn sits on the chair across from Super Surprise and stretches out.

ALTERNATE DAWN

Great actually! I don't think I've slept that good in years.

SUPER SURPRISE

See, all you needed was a nice relaxing massage!

Alternate Dawn smirks at Super Surprise.

ALTERNATE DAWN

Yea... Because that's all I got.

Alternate Dawn holds up the new Perfect Type ID card.

Super Surprise starts to giggle.

SUPER SURPRISE

Yea, it was kind of a fun night. But next time, I
want dinner and movie first.

The look at each other and laugh. Alternate Dawn looks up a clock that's on the wall and
sees it's almost 9am.

ALTERNATE DAWN

I should get going though. Serene is probably
wondering where I am... Or still sleeping.

Super Surprise and Alternate Dawn make there way to the door. Alternate Dawn turns
and hugs his friend.

ALTERNATE DAWN

That's for everything SS. You really helped me.

Super Surprise hugs Alternate Dawn back.

SUPER SURPRISE

Happy to help.

Alternate Dawn give Super Surprise a loving smile and heads off.

FADE TO BLACK.
