START OF ACT #1

INT. PONYVILLY - AFTERNOON

Alternate Dawn walks down the street, and is in a good mood. Then again after the "Special treatment" Super Surprise gave him last night anypony would be in a great mood.

Alternate Dawn notice that he's walking down the market street, and decides to stop at the cafe. As he gets there he sees his friends Sparity and Little-AJ, sitting at a table outside. The two girls are enjoying each others company. As he get's closer Little-AJ notices him and waves.

LITTLE-AJ

Alter, over here!

Alternate Dawn waves back and joins the two.

ALTERNATE DAWN

Hey you two, so how's the happy couple doing?

SPARITY

Well both our mothers are getting over the fact that they might not get grand-fillies. But they're supportive.

Alternate Dawn smiles.

ALTERNATE DAWN

That's great to hear. But I
shouldn't keep you two from your
date. I'll see you later.

Alternate Dawn starts to walk off, but stops when Sparity
speaks again.

SPARITY

Oh, wait a minute. We wanted to
give you the card you made of
Little-AJ.

ALTERNATE DAWN

Card?

Sparity gets her saddlebag from the ground and takes out a
Perfect Type ID Card. She hands it to Alternate Dawn.

ALTERNATE DAWN (CONT'D)

When did I make this?

LITTLE-AJ

When the three of us... you know.
"Played"

All three blush as they quickly think about the three way
they had together.

Alternate Dawn looks at the card and sees that it's Little-
AJ, but she's a stallion. He looks at Sparity and Little-
AJ.

ALTERNATE DAWN

When we were "playing". When
exactly did I make this?

Sparity and Little-AJ look at each other and blush. Little-
AJ turns her head and looks towards the ground.

LITTLE-AJ

Quietly When... I fucked you.

Alternate Dawn sits down at the table and moves his seat
closer to the girls.

ALTERNATE DAWN

I take it, it happened as you
cummed in me?

Both Sparity and Little-AJ faces are completely red.
Little-AJ gives Alternate Dawn a nod in acknowledgment.
Alternate Dawn hands the card back to the two.

ALTERNATE DAWN (CONT'D)
Here, you two can keep it. It's
worthless.

Little-AJ and Sparity turn there heads to Alternate Dawn is
dismay.

SPARITY / LITTLE-AJ
Shocked, almost yelling WHAT!?

ALTERNATE DAWN
Sorry, but it's true. I couldn't
even use this card to heal you if
you were hurt, Apple.

Both the girls still look at Alternate Dawn a little
shocked.

SPARITY
(Trying to keep her voice
low)
But we made my cards the same way.

Alternate Dawn blushes a little, but looks at the two
seriously.

ALTERNATE DAWN
That's because when we had sex,
you were a mare. Your proper
gender.

SPARITY
What do you mean?

ALTERNATE DAWN
Sigh The spell for making the
Perfect Type ID cards has two
rules, that I don't know how to
work around yet.

LITTLE-AJ
What are they?

ALTERNATE DAWN

Rule 1: The cards can only be made when a mare and stallion have sex, and the stallion cums inside the mare. Blow jobs, anal, and hoof-jobs don't work. This is because the spell collects a egg from the mare and the sperm from the stallion. It creates an embryo that has the same DNA as the card's owner, and puts it into the crystal here.

(Points to the gem at the top of the card)

Rule 2: The card of the pony it's for has to be in there true form, and gender. This is because of the X and Y chromosomes, that detriments our genders.

Both Little-AJ and Sparity become a little upset.

LITTLE-AJ

So you mean...

ALTERNATE DAWN

Sorry. But you have to be mare when the card is made. Which means having sex with a stallion that can cast the spell.

Little-AJ becomes more upset. The thought of having to have sex with anypony else other then Sparity hurts.

Sparity sees that Little-AJ is upset, and goes to hold her hoof. She looks at Alternate Dawn.

SPARITY

Couldn't you change the card some how?

ALTERNATE DAWN

(Shakes his head)

Sorry. But Apple's soul would reject the body the card would make. And I don't feel like testing theories with my friends lives.

Little-AJ looks like she wants to cry out of frustration.

LITTLE-AJ

So, in other words I have to have
sex with "you".

ALTERNATE DAWN

I'll try not to take that as a
insult.

SPARITY

Sternly Alter!

Alternate Dawn places a hoof on his head, knowing he's
about to cause his two friends to hate him again.

ALTERNATE DAWN

Sorry, I meant that to be a joke.
Look, I think we all need sometime
to think, and for you two to talk.
I'll catch up to you later.

Alternate Dawn gets up from the table and leaves. Sparity
is trying her best to calm Little-AJ down, who looks like
she just wants to scream.

INT. GOLDEN OAK LIBRARY - TWO DAYS LATER

Alternate Dawn is busy trying to get his work done in the
library, when he hears a knock at the door. He puts down
the stack of books he was putting away and goes to see who
it is.

Alternate Dawn see Little-AJ is at the door, and she
doesn't look anymore happy then she did the other day.

ALTERNATE DAWN

Hey, Apple. Come on in.

Alternate Dawn moves out of the way and lets Little-AJ in.
She does her best not to look at him, and she isn't
talking. Not knowing what to do, Alternate Dawn tries to
start a conversation.

ALTERNATE DAWN (CONT'D)
So... How's your training going?

LITTLE-AJ
Upset, a little quiet Fine...

ALTERNATE DAWN
Okay. Did you get hurt?

LITTLE-AJ
No... I'm okay.

Alternate Dawn goes up to Little-AJ and places a hoof on her shoulder. She flinches at his touch, but doesn't move away.

ALTERNATE DAWN
This is about the other day, I take it.

LITTLE-AJ
Ya...

Alternate Dawn moves in front of Little-AJ and kneels in front of her. Little-AJ looks away.

ALTERNATE DAWN

Apple, look I'm sorry. I know what Sparity means to you. To be honest I'm still a little jealous.

Little-AJ looks at Alternate Dawn a little puzzled.

ALTERNATE DAWN (CONT'D)

When Sparity and I had sex, it wasn't to make the Perfect Type ID cards. *Sigh* It's because we were in love. Making the new cards... Just happened.

LITTLE-AJ

So what is this then, payback?

ALTERNATE DAWN

No. I would never hurt you two like that. I value your friendship too much. I know now, what I did to the two of you was wrong. And I lost Sparity because of it.

But you two ended up together, and I couldn't be happier for you. Truth be told. I want to make your card the most right now, for Sparity's sake.

Little-AJ looks up at Alternate Dawn. She isn't upset but still a little confused.

LITTLE-AJ

What ya, mean?

ALTERNATE DAWN

Because you're always trying to train alone, and fighting monsters. How do you think she would feel if you died.

Little-AJ's eyes open wide. She never thought about what would happen or how Sparity might feel. Little-AJ never thought about being killed. Little-AJ starts to cry, and looks at Alternate Dawn not knowing what to say.

Alternate Dawn hugs Little-AJ, trying to comfort her.

ALTERNATE DAWN (CONT'D)
Don't cry, please. I've made you
upset enough.

Little-AJ hugs Alternate Dawn back, and tries not to cry.

LITTLE-AJ
I'm sorry, Alter. I never
thought...
(Takes a deep breath in,
still trying not to
cry.)

ALTERNATE DAWN
It's alright Apple.

Alternate Dawn looks down at Little-AJ and smiles.

ALTERNATE DAWN (CONT'D)
I know this might be me putting my
hoof in my mouth, but I think we
should talk to Sparity about
making your Perfect Type ID card.
(Little-AJ looks up at
Alternate Dawn)
I know it's bad to label it as
"just sex". But I think she should
know why I want to make your new
card.

Little-AJ looks up at Alternate Dawn and smiles.

LITTLE-AJ
Thanks Alter. But I think this is
a conversation for her and me. Let
me talk to her alone, and I'll get
back to you.

ALTERNATE DAWN
Lovingly Sure thing Apple.

START OF ACT #3

INT. SODA SHOP - THE NEXT DAY

Alternate Dawn is enjoying a banana split, when a magic aura surrounds his head and push his head into the dish. He quickly looks around to see what's going on.

Alternate Dawn sees Sparity and Little-AJ near by. Sparity doesn't look to happy, and Little-AJ looks like she was just yelled at by her mother. The girls sit at Alternate Dawn's table.

As Alternate Dawn cleans his face off, he looks over his friends with caution.

ALTERNATE DAWN

So I take it you two had a "talk".

LITTLE-AJ

Ya... Opening with "I want to have sex with Alter" wasn't the best way to start.

Alternate Dawn smiles nervously and looks at Sparity. Even though she's in her pony form, she's starring at him like a dragon would.

ALTERNATE DAWN

Nervously Sparity, let me explain.

SPARITY

Save it... *Sigh* I know you only have good intentions when it comes to wanting to make the new cards. But I'm still not happy about Little-AJ having sex with you.

ALTERNATE DAWN

If there was another way Sparity, you know I would opted for it. No offence Apple.

LITTLE-AJ

None taken.

SPARITY
I have a few rules, for me to be
okay with this.

LITTLE-AJ / ALTERNATE DAWN
Cautionally Okay...

Sparity looks at Little-AJ and Alternate Dawn.

SPARITY
Rule 1: You two are not allowed to
kiss each other on the lips.

Rule 2: I get to keep my and
Apple's cards unless they're
needed

Rule 3: To make this up to me,
(Points at Alternate
Dawn)
you're paying for the trip to the
comic convention in the Crystal
Empire that Apple and I are now
going to next month.

Little-AJ turns to Sparity and protests.

LITTLE-AJ
But it's on the same weekend as
the tournament I want to go to
in...

Sparity glares at Little-AJ. Little-AJ nervously smiles.

Alternate Dawn looks at the two and smiles. He knows
Little-AJ is beat. He looks to Sparity.

ALTERNATE DAWN
I can agree to the first and third
rules, but I need to have the
cards in case I need to use them.
But I'll promise to keep them
safe, and make sure no one will be
able to see them.

SPARITY
Fine.

The three sit in silence's for a moment. Sparity gets up to leave first.

SPARITY (CONT'D)

I don't care where or when you two do this. But it's done privately and I don't want to hear "anything" about it!

Sparity walks off in silence's leaving Little-AJ and Alternate Dawn at the table. The two look at each other.

ALTERNATE DAWN

So...

LITTLE-AJ

The sooner the better. I want my happy waifu back.

Alternate Dawn blushes a little and looks down at the table.

ALTERNATE DAWN

Um... Did you want to come to my place then right now?

Little-AJ is a little shocked hearing this. She blushes and looks off to the side since she embarrassed.

LITTLE-AJ

Wow... Umm. I kind of thought we would, you know... In a few days to get ready.

ALTERNATE DAWN

Ya, completely. I just thought you wanted to since you said.

LITTLE-AJ

Ya. I mean, I'm willing if you are.

ALTERNATE DAWN

For sure!

The two are completely embarrassed. They sit at the table for a moment not knowing if they should go or not.

ALTERNATE DAWN (CONT'D)
I guess I'll go pay my tab, and we
can head out.

Little-AJ nods her head in agreement. The two get up from
the table and go to leave.

START OF ACT #4

INT. ALTERNATE DAWN'S STUDY - LATER

Little-AJ and Alternate Dawn sit on his bed. They're both
blushing and waiting for the other one to take the lead.

ALTERNATE DAWN
Sorry for this being so awkward.

LITTLE-AJ
It's alright. I was thinking we
could have started by kissing or
something, but Sparity said we
can't.

ALTERNATE DAWN
Ya, no worries. I can understand
since she is your marefriend, and
that's kind of personal.

Little-AJ looks at Alternate Dawn with a half smirk.

LITTLE-AJ
So is having sex.

The two look at each other and start to laugh.

LITTLE-AJ (CONT'D)
Well how's this. Sit down on your
legs, and I should at least be able
to get you going.

Alternate Dawn gives Little-AJ a puzzled look but does as
he's told. He moves to face her, and sits down on his legs.
Little-AJ moves up to his head, and moves it down a little.
She holds Alternate Dawn's horn and starts to lick it
slowly from the base to the tip.

Alternate Dawn's eyes widen, he bites his bottom lip as he enjoys the feeling.

ALTERNATE DAWN

Try to be careful... It's kind of sensitive.

Little-AJ keeps working on Alternate Dawn's horn. As she moves from the bottom to the top of his horn, she drags her tongue on it. Once she reaches the top she sucks on the tip, as she moves her tongue around it. She feels Alternate Dawn start to squirm on the bed and pant, so she tries to suck on his horn harder.

Alternate Dawn without knowing, lets off a small magic blast while his horn is inside Little-AJ's mouth. She moves her head and coughs a few times. She looks at Alternate Dawn.

LITTLE-AJ

Did you just magically cum, inside my mouth?

Alternate Dawn is a little ashamed, but when he looks at Little-AJ he starts to laugh.

LITTLE-AJ (CONT'D)

What's so funny?

ALTERNATE DAWN

Laughing You're... mane... tail.
Go look in the mirror.

Little-AJ gets off the bed and makes her way to Alternate Dawn's dresser that has a full size mirror on it. She sees that her mane and tail are sticking out like giant puff balls. She looks back at Alternate Dawn a little upset.

LITTLE-AJ

You're so, going to pay for this.

Alternate Dawn tries to stop laughing and puts his front hoofs up.

ALTERNATE DAWN

How about this. I'll make it up to you, by pleasing you for a bit.

Little-AJ starts to walk back to the bed, as she pats her mane back down. She hops on the bed and looks to Alternate Dawn.

Alternate Dawn slides off the bed and sits on his hind legs. He motions for Little-AJ to move closer to him.

Little-AJ grins since she knows what he's thinking. She spreads her legs and shuffles down to the edge of the bed.

Alternate Dawn starts to slowly lick Little-AJ's pussy with the tip of his tongue, making sure he doesn't miss any of it.

Little-AJ smiling for the pleasure, runs her hands threw Alternate Dawns mane. She bends her head down a little and starts to lick Alternate Dawn's horn a little.

Alternate Dawn lets out a small whimper, but continues to lick Little-AJ's pussy. He sticks his tongue into her pussy a little and starts to pivot his head back and forth.

Little-AJ drops to the bed grasping at the sheets. She lets out a few moans.

LITTLE-AJ

Come on Alter. Can't you tongue
fuck better then that?

Alternate Dawn barriers his muzzle into Little-AJ's pussy, pushing his tongue in as much as he can. He can't help but get hard hearing her moan and pant. Me moves his left hoof down and starts to stoke his cock.

Little-AJ can't help but squirm from being tongue fucked by Alternate Dawn. She starts to get the urge to kiss or to suck on something, but doesn't want Alternate Dawn to stop. She moves her left hand up to her mouth and starts to suck and tongue two of her fingers. She moves her right hand down and starts to rub the top of her pussy.

Alternate Dawn seeing that Little-AJ moved her hand down looks up.

ALTERNATE DAWN

You know, I think I could do
better with my hoof.

Little-AJ looks down and takes her fingers out of her mouth.

LITTLE-AJ
So prove it.

Alternate Dawn raises his right hoof up and starts to rub Little-AJ's pussy slowly, picking up speed as he goes. He pushes harder on Little-AJ's pussy letting part of his hoof enter her pussy.

LITTLE-AJ (CONT'D)
Screams AHHH! Fuck that feels great Keep going!

Alternate Dawn is more than happy to comply with his friends request. He also starts to stroke his cock faster.

Hearing Little-AJ yell Serene wakes up from her nap. She's under the bed and looks around to see what's going on. She can't believe what she sees a few feet in front of her. Not only can she see Alternate Dawns fully erect cock, but she watches him stroke it.

LITTLE-AJ (O.S.) (CONT'D)
Faster Alter, faster!

Serene listens and can hear Little-AJ moan and pant. She looks back to Alternate Dawn's cock. She can't help but move closer to it.

She can pick up the smell of Alternate Dawn's cock. The smell is overwhelming for her. She sees that his cock is starting to release some of its juices, making Alternate Dawns cock wet as he continues to stroke it.

Serene opens her mouth to suck on Alternate Dawns cock. She lets her tongue hang out as she gets closer. She can smell and taste Alternate Dawn's juices as he continues to stroke his cock.

LITTLE-AJ (O.S.) (CONT'D)
Panting Hey Alter... Let me see
that cock of yours.

Just as Serene goes to close her lips around Alternate Dawns cock, it moves away from her. Serene's face is a mixture of dismay and frustration.

Alternate Dawn moves up to the bed, and looks at Little-AJ.

She grabs his mane and holds his head as she kisses him. She pulls away and looks into Alternate Dawn's eyes.

LITTLE-AJ (CONT'D)
You better have something for me
to suck on.

Alternate Dawn grins at this. He sits down on the bed and leans backwards, using his front hooves to keep him up. Little-AJ is socked with what she sees.

LITTLE-AJ (CONT'D)
It's... HUGE!

ALTERNATE DAWN
Thanks, I try my best.

Little-AJ looks up at Alternate Dawn.

LITTLE-AJ (TO HERSELF)
By the moon goddess! How is that
suppose to fit in me?

Little-AJ moves to Alternate Dawn's cock and starts to lick it. She stops at the ring on Alternate Dawns cock, and moves her tongue around it. Hearing him moan, she starts to nibble on it.

Little-AJ feels Alternate Dawn place a hoof on her head and pushes her head down on his cock. She moves to the tip of his cock and starts to suck it. After getting half of his cock in her mouth, Little-AJ feels it hitting the back of her throat.

She moves back to the head Alternate Dawns cock and works on it.

ALTERNATE DAWN
Come on Apple. It felt great
having my cock in your mouth.

Little-AJ slowly works her way down Alternate Dawns cock again. She tries to get more of his cock in. She moves past getting more then half of Alternate Dawn's cock in her mouth, but having something that big down her throat cause her gag reflexes to kick in. She turns her head letting Alternate Dawns cock fall out of her mouth, letting her cough.

Alternate Dawn seeing this moves to Little-AJ

ALTERNATE DAWN (CONT'D)
Are you okay?

LITTLE-AJ
Coughs Ya... It's just for me to
take in sorry.

ALTERNATE DAWN
Oh, that's right. This is your
first time with a stallion isn't
it?

Little-AJ looks at Alternate Dawn a little embarrassed.

LITTLE-AJ
Kind of... Sparity and I have used
"toys" with each other.
(Looks at Alternate
Dawn's cock)
But nothing "that" big!

ALTERNATE DAWN
Sarcastically Well if it's too
big for you.

Little-AJ frowns at Alternate Dawn from being teased. She
shoves him down onto the bed.

LITTLE-AJ
Just watch!

Little-AJ climbs up on Alternate Dawns lap. She moves so
his cock is under her. Lowering her pussy onto Alternate
Dawn's cock and starts to rub the two together.

They both moan from the feeling. Little-AJ's pussy becomes
wet from the feeling, and her juices cover Alternate Dawn's
cock. She moves her hand down to his cock and slowly start
to guide it in.

Little-AJ lets out a whimper as Alternate Dawn's cock
enters her pussy. She works past the head of his cock and a
little down, but it's a little much for her to take in. She
lets out a few painful moans.

Alternate Dawn sees that Little-AJ is having issues getting
his cock in. He rolls them over she her back is on the bed,
and he's on top.

Alternate Dawn slowly pushes his cock back into Little-AJ's
pussy. As he pushes it in he feels that it's tighter then
anything he's ever felt. He slowly works his hips back and
forth slowly.

Little-AJ face is a mixture of both pain and pleaser. She
loves the feeling of having Alternate Dawn's cock inside
her. It's warm and feels great, but it's size is a little
much for her and hurts.

Alternate Dawn loving the feeling of Little-AJ's tight
pussy can't help but want more. He pushes a little and gets

a third of his cock in with one thrust. He feels a warm liquid push against his cock.

LITTLE-AJ (CONT'D)

In pain, slight pleasure Ahhhh!

Alternate Dawn looks down and sees that Little-AJ has her eyes tightly closed and she has tears coming out. He pulls his cock out slowly and looks down. He sees that Little-AJ cummed.

ALTERNATE DAWN

Worried Are you okay?

LITTLE-AJ

Panting, breathing heavily Ya...
Just a little much for me.

Alternate Dawn moves off to the side and lays next to Little-AJ. After a moment Little-AJ looks back at Alternate Dawn.

LITTLE-AJ (CONT'D)

Did you...?

ALTERNATE DAWN

Not yet. I was getting close. But
when you screamed I stopped.

LITTLE-AJ

Sorry... But I think that's the
first time I've ever cummed that
hard.

Alternate Dawn's face blushes hearing this.

LITTLE-AJ (CONT'D)

I take it you want yours though?

ALTERNATE DAWN

(Smiles)

Well... I have to cum inside you
to make the Perfect Type ID card.

Little-AJ looks down to Alternate Dawn's cock and sees that it's gone limp, but is still sticking out. She moves down to Alternate Dawns cock, and starts to stroke it with her hands.

Alternate Dawn lays down on the bed enjoying the feeling of having hands working on him. As his cock becomes erect again, He notices Little-AJ is twisting her hand as she strokes his cock.

ALTERNATE DAWN (CONT'D)

Sweet Luna, that feels great!

Little-AJ takes her right hand and starts to fondle Alternate Dawn's balls, as she continues to stroke his cock. After a moment she notices that his cock is releasing some of its juices. She moves her muzzle down and starts to lick the head of Alternate Dawn's cock.

Having his cock licked, stroked and his balls played with is a little overwhelming. Alternate Dawn lets out a whimper, and moans in pleasure.

Little-AJ looks up to Alternate Dawn and grins.

LITTLE-AJ

So, are hands better then hooves?

ALTERNATE DAWN

So good, that I think I might have
my first fetish!

Little-AJ holds Alternate Dawn's cock with both her hands
and strokes it harder, as she puts her lips around the head
of his cock to suck and tongue it.

Alternate Dawn feels that he's getting close to cumming. He
sits up and looks at Little-AJ

ALTERNATE DAWN (CONT'D)

Hey Apple... I'm getting close.

Little-AJ looks at the sheer size of Alternate Dawn's cock
at it's full size.

LITTLE-AJ

Um... I think you might have to
take the lead here. I don't think
I could get it in by myself.

ALTERNATE DAWN

Did you want to lay down again?

LITTLE-AJ

A little shy It might be best.

Little-AJ moves back to the head of the bed, and lays down.
She moves a pillow under her head.

Alternate Dawn moves to the middle of the bed, and
positions himself. He slowly sticks his cock back into
Little-AJ. Once he's a third in again Little-AJ winches. He
slowly starts to move his cock in and out.

Feeling Alternate Dawns cock in her again, Little-AJ can
feel the heat coming from it building up inside her pussy.
Even though his cock is bigger then anything she's had
before, she loves the feeling.

LITTLE-AJ (CONT'D)

Painting You... can try and...
go faster.

Alternate Dawn moves faster, and pushes to get more of his
cock in. At the faster speed he can get half of his cock
into Little-AJ's pussy.

Little-AJ grabs hold of Alternate Dawn's front hooves. She's on the edge of pleasure and pain. She lets herself moan and gasp with every thrust of Alternate Dawn's cock going into her.

Alternate Dawn lowers his head and speaks softly into Little-AJ's ear.

ALTERNATE DAWN

Apple, I love this feeling so much. I don't want to hurt you, but I want more.

Little-AJ looks at Alternate Dawn in a daze.

LITTLE-AJ

What do you...
(Screams loudly of both pain and pleasure.)

With one thrust Alternate Dawn pushes his whole cock into Little-AJ. Little-AJ arches her back as she screams from the feeling. She tightens her grip around Alternate Dawn's hooves as he moves as fast as he can.

Alternate Dawn can feel his cock twitch, wanting to release his cum. But Little-AJ's small and tight pussy is putting so much pressure around his cock, he almost can't. He pulls his cock out half way to relieve the pressure, and as soon as he feels himself cumming, he casts the spell to make the Perfect Type ID card and thrusts once more shoving his cock fully back into Little-AJ.

Little-AJ in a daze, from both the pain, pleasure and having Alternate Dawn cum when he was fully inside her, she can't think. She stays laying down breathing deeply.

ALTERNATE DAWN

I'm going to pull out okay?

Little-AJ looks at Alternate Dawn and gives him a nod. As his cock comes out, Little-AJ winches from the feeling. It's almost like her pussy wants to keep his cock inside her, and push it out at the same time.

Once Alternate Dawn finfishes pulling his cock out, a mixture of Little-AJ and his cum slowly drips out. He lays down next to Little-AJ and looks at her.

After a moment Little-AJ notices that Alternate Dawn is next to her and turns to him. She goes to speak, but nothing comes out buy a few pants. She's completely out of energy.

Little-AJ turns into Alternate Dawn and cuddles into his front hoof. After a few breaths she drifts off to sleep. Alternate Dawn tries to take his hoof away, but every time he does Little-AJ tightens her hold and almost growls.

He nervously smiles to himself, and lays his head down.

FADE TO BLACK.

INT. ALTERNATE DAWN'S STUDY - LATER

Little-AJ wakes up next to Alternate Dawn. She sees that he's using his magic to keep a book up for him to read.

LITTLE-AJ

What time is it?

Alternate Dawn looks down quickly and smiles. He turns his head to look at his clock.

ALTERNATE DAWN
About five after seven.

LITTLE-AJ
Carp...

ALTERNATE DAWN
What's wrong?

LITTLE-AJ
Missed dinner, and I was suppose
to get a few things done at the
farm before dinner.

Little-AJ goes to get up, but notices her legs are weak and
her pussy hurts as she moves. Alternate Dawn sees the
slight pain in her face?

ALTERNATE DAWN
Are you okay?

LITTLE-AJ
Ya...
(Falls back on the bed)
I think your cock was a little too
much for me. I can barely move,
and when I do it kind of hurts.

Alternate Dawn uses his magic to put his book on his desk
and he looks down at Little-AJ.

ALTERNATE DAWN
Joking tone Well they say,
"Blonds have more fun"

Little-AJ looks at Alternate Dawn a little unamused.

LITTLE-AJ
So, that's why I've seen you
looking at my mothers flank.

The two laugh. Little-AJ pulls Alternate Dawns head down
and kisses him, before resting on the bed again.

LITTLE-AJ (CONT'D)
Moans I'm going be walking funny
for a week.

Alternate Dawn lets a small laugh out.

ALTERNATE DAWN

So I guess that means you don't
want to go again?

Little-AJ gives Alternate Dawn a light punch.

LITTLE-AJ

Did you at lest make the card?

ALTERNATE DAWN

Yep.

Alternate Dawn uses his magic to bring the card up to them,
and shows it to Little-AJ. Little-AJ is shocked from what
she sees and looks at Alternate Dawn sternly.

LITTLE-AJ

What's with pose, I'm in?

ALTERNATE DAWN

Sorry. But it's the magic that
does it not me.

Little-AJ puts the card off to the side and goes to sit up
slowly.

LITTLE-AJ

Quietly Owe... Owe..

Alternate Dawn uses his magic to pick Little-AJ up and
starts to walk them out of the room.

ALTERNATE DAWN

Come on, I think we can abuse the
Save State this "once".

FADE TO BLACK.
