

WHERE THE MAGIC OF FRIENDSHIP DIES

Coming up on ~~PTN~~, Princess Twilight Sparkle gives us a final friendship lesson, not just to her faithful students and friends, but also to us as well. All (of this) in the series finale of My Little Creature: Friendship is Tragic, The Last Problem. It's one show you don't want to miss, so stick around.

Future Twilight Sparkle

Sometimes friendships can be hard, and it takes work to maintain them. But without friends, things can be a lot harder.

Luster Dawn

I never thought about friendship being something to work at, and I don't mind work. I guess if they don't have to fade away, maybe making friends isn't the waste of time I thought. But I've been so focused on my studies, I wouldn't know where to start.

Future Twilight Sparkle

That's alright because I know exactly where to send you.

[Future Twilight Sparkle]

When I started out, I was unsure
I thought I had all that I needed, didn't know what to expect
But when I took the crown, I saw the truth
All this time friendship was horseshit¹
And I think you see it, too

This is where the magic happened
This is where we should have been
Our friendships weaved together stronger
But now we don't care any longer
And the one thing we'll outlive
Is what the Magic of Friendship gives

[Future Pinkie Pie]

¹ Alternately: rubbish

And no matter how much time goes by
I'll still be shagging "Big Cheese"
with some fun new games to try

[Future Rainbow Dash]

Time was ever-waning, obviously
That's 'cause nothing lasts forever
let alone our memory

[Twilight, Pinkie Pie, and Rainbow Dash]

This is where the magic happened (where the magic happened)
This is where we should have been (where we should have been)
Our friendships weaved together stronger
But now we don't care any longer
And the one thing you'll outlive
Is what the Magic of Friendship gives

[Future Applejack]

And mah farm will go to mixed-blood kids
'Cuz ah'm a lesbian
tae Dash

[Future Rarity]

And I'll never stop regretting from
The animosity
of the way things have passed

[Future Fluttershy]

And because the scorn that I feel
For every single filthy creature
is so strong that it's surreal
It was all a ruse, naturally

[Future Twilight Sparkle]

Oh, and how I used to wonder

[Choir]

(Ah-ahh-ahh...)

[Future Twilight Sparkle]

What friends could get me!

[All]

This is where the magic happened (where the magic happened)

This is where it goes to die (where it goes to die)

As pony bonds begin to sever,

Our ethnic makeup(')s changed forever,

And that's when we realize,

It's how our nation and culture die. (beat)

[Future Twilight Sparkle]

How our nation and culture die...
