Soundtrack

Life in Equestria

Life in Equestria shimmers
Life in Equestria shines
And I know for absolute certain

That everything (everything)
Yes, everything
Yes, everything is certainly fine
It's fine

Twilight Sparkle: Yes! Everything's going to be just fine!

My Very Best Friends

My Little Pony, My Little Pony
Ahh, ahh, ahh, ahhh...

(My Little Pony)
I used to wonder what friendship could be
(My Little Pony)
Until you all shared its magic with me

Big adventure
Tons of fun
A beautiful heart
Faithful and strong
Sharing kindness
It's an easy feat
And magic makes it all complete
You have my little ponies

Do you know you're all my very best friends?

Behold, Princess Twilight Sparkle

Thou Princess Twilight cometh
Behold, behold
A Princess here before us
Behold, behold, behold

Behold, behold (behold, behold)
The Princess Twilight cometh
Behold, behold (behold, behold)

The Princess is
The Princess is here!

Celestia's Ballad

You've come such a long, long way
And I've watched you from that very first
day
To see how you might grow
To see what you might do
To see what you've been through
And all the ways you've made me proud
of you
It's time now for a new change to come

You've grown up and your new life has
begun
To go where you will go
To see what you will see
To find what you will be
For it's time for you to fulfill your destiny!

The Failure Song

I was prepared to do my best
Thought I could handle any test
For I can do so many tricks
But I wasn't prepared for this
Levitation would have been a breeze
Facts and figures I recite with ease

Twilight Sparkle: The square root of five
hundred and forty-six is twenty-three point
three six six six four two eight nine one zero
nine.

Teacher: She is correct!

I could ace a quiz on friendship's bliss
But I wasn't prepared for this
Will I fail, or will I pass?
I can't be sure...

She can't be sure...

My mind is sharp, my skills intact
My heart is pure...

Her heart is pure...

Oh, I've taken my share of licks
I've made it through the thin and thick
But no I wasn't

Oh no, she wasn't

Oh no, I wasn't

Oh no, she wasn't

No I wasn't
Prepared... for this!

The Ballad of the Crystal Empire

Princess Cadance needs our help
Her magic will not last forever
I think we can do it
But we need to work together
We have to get this right
Yes we have to make them see
We can save the Crystal Ponies with their history

It says that they like jousting
They flew a flag of many hues
Made sweets of crystal berries
They had a petting zoo with tiny ewes

Oh we have to get this right,
Yes we have to make them see
We can save the Crystal Ponies with their history

There was a crystal flugelhorn
That every pony liked to play

And a Crystal kingdom anthem
Can you learn it in a day

Oh, we have to get this right,
Yes we have to make them see
We can save the Crystal Ponies with their history

A true, true friend helps a friend in need
A friend will be there to help them see
A true, true friend helps a friend in need
To see the light that shines from a true, true friend

Applejack: Yee-haw! Now that's more like it.
What's next?
Twilight Sparkle: The townspeople are furious.
We need the old Pinkie Pie back.
Applejack: I'm on it. I know just the thing.

The townspeople need you, they've been sad for a while
They march around, faces frown and never seem to smile
And if you feel like helping, we'd appreciate a loooooot
If you get up there and spread some cheer from here to Canterlooooooot!
Pinkie Pie: Come on ponies, I wanna see you SMILE!
Crowd: PINKIE!

A true, true friend helps a friend in need
A friend will be there to help them see
A true, true friend helps a friend in need
To see the light (to see the light)
That shines (that shines)
From a true, true friend!

A True, True Friend

A true, true friend helps a friend in need
A friend will be there to help them see
A true, true friend helps a friend in need
To see the light that shines from a true, true friend
Rainbow Dash: Um, hello! Friend trapped inside, remember?

Rarity needs your help
She's trying hard doing what she can
Would you try, just give it a chance
You might find that you'll start to understand

A true, true friend helps a friend in need
A friend will be there to help you see
A true, true friend helps a friend in need
To see the light that shines from a true, true friend

Rainbow Dash: Uh, what just happened?
Twilight Sparkle: There's no time to explain, but we need your help. Applejack's trying to make dresses!
Rainbow Dash: Say no more!

Applejack needs your help
She's trying hard doing what she can
Would you try, just give it a chance
You might find that you'll start to understand

A true, true friend helps a friend in need
A friend will be there to help them see
A true, true friend helps a friend in need
To see the light that shines from a true, true friend

Rarity: [gasps] Oh my, what a terrible dream I had. Or, maybe I'm still having it.
Twilight Sparkle: Rarity, Pinkie Pie is about to lose the apple farm. We need Applejack's help!
Rarity: Lose the apple farm? Well we can't let that happen, now can we?

Pinkie Pie is in trouble
We need to get there by her side
We can try to do what we can now
For together we can be her guide

The Success Song

You were prepared to do your best
Had what it takes to pass the test
All those doubts you can dismiss
Turns out you were
Prepared for this!

You clearly have just what it takes
To pass a test with such high stakes
We knew for sure you would prevail
Since when does Twilight Sparkle ever fail?

All those doubts that you can dismiss
Trust yourself and you cannot miss

Turns out you were
Turns out I was
Turns out you were
Turns out I was

Turns out you were
Prepared... for this!

I've Got to Find a Way

I have to find a way
To make this all okay
I can't believe this small mistake
Could've caused so much heartache

Oh why, oh why?

Losing promise
I don't know what to do
Seeking answers
I fear I won't get through to you

Oh why, oh why?

Babs Seed

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah

First, we thought that Babs was so really, really sweet
A new friend to have, then it seemed like such a treat
But then, we found the truth; she's just a bully from the east
She went from Babs, yeah, to a bully and a beast
Everywhere we turn, she's just a step ahead

Babs Seed, Babs Seed, what we gonna do?
Got a bully on our tail
Gotta hide, we gotta bail
Babs Seed, Babs Seed, if she's after you
We gotta run, we gotta flee
We gotta hurry, don't you see?
Babs Seed, Babs Seed, she's just a bad, bad seed

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah

Hiding from a bully, we know it isn't right
But the Cutie Mark Crusaders, we aren't lookin' for a fight
Oh, she'll go home soon, and then we'll have some peace again
But for now, we're staying out of her way 'til then
Everywhere we turn, she's just a step ahead

Babs Seed, Babs Seed, what we gonna do?
Got a bully on our tail
Gotta hide, we gotta bail
Babs Seed, Babs Seed, if she's after you
We gotta run, we gotta flee
We gotta hurry, don't you see?

Why so mean? Why so crude?
Why so angry? Why so rude?
Can't you be nice? Can't we be friends?
Isn't it sad? Is this how it all ends?
Babs Seed, Babs Seed, she's just a bad, bad-
Babs Seed, Babs Seed, she's just a bad, bad-
Babs Seed, Babs Seed-

She's just a bad, bad seed!

Raise This Barn

Raise this barn, raise this barn
One, two, three, four
Together, we can raise this barn
One, two, three, four
Up, up, up, go the beams
Hammer those joints, work in teams
Turn 'em round quick by the right elbow
Grab a new partner, here we go
Apple family: Yeah!
Applejack: Come on, Apple family! Let's get to it!
Wee-hoo!

Raise this barn, raise this barn
One, two, three, four
Together, we can raise this barn
One, two, three, four
Finish the frame, recycling wood
Workin' hard, you're doin' good
Turn 'em round quick by the right elbow
Grab your partner, here we go
Apple family: Yeah!
Applejack: Whoo-wheel!

Raise this barn, oh, raise this barn
One, two, three, four
Together, we can raise this barn
One, two, three, four
Slats of wood come off the ground
Hold 'em up and nail 'em down
Turn 'em round quick by the left elbow
Grab a new partner, here we go
Apple family: Yeah!
Applejack: Come on, Apples! Get 'er done!

Look at us, we're family
Workin' together thankfully
We Apples, we are proud to say
Stick together the pony way
Bow to your partner, circle right
Get down if you're scared of heights
Forward back and twirl around
The barn's gonna be the best in town

What My Cutie Mark is Telling Me

These animals don't listen, no, not one little bit
They run around out of control and throw their
hissy fits (hiss)
It's up to me to stop them, 'cause plainly you can
see
It's got to be my destiny, and it's what my cutie
mark is telling me

I try to keep them laughing, put a smile upon
their face
But no matter what I try, it seems a bit of a dis-
grace
I have to entertain them, it's there for all to see
It's got to be my destiny, and it's what my cutie
mark is telling me

I don't care much for pickin' fruit and plowin'
fields ain't such a hoot
No matter what I try, I cannot **FIX THIS**
BUSTED WATER CHUTE!
I've got so many chores to do, it's no fun being
me
But it has to be my destiny, 'cause it's what my
cutie mark is telling me

Lookie here at what I made, I think that it's a
dress
I know it doesn't look like much, I'm under
some distress
Could y'all give me a hand here and help me fix
this mess?
My destiny is not pretty, but it's what my cutie
mark is tellin' me

I'm in love with weather patterns but the others
have concerns
For I just gave them frostbite over-top of their
sunburns
I have to keep on trying for everyone can see

It's got to be
It's got to be
My destiny
My destiny
And it's what my cutie mark
It's what my cutie mark
Yes, it's what my
cutie mark is telling me!

Apple family: Yeah!
Applejack: Yee-haw! Attagirl!
Apple Bloom: Alright, let's get to it!

Raise this barn, raise this barn
One, two, three, four
Together, we can raise this barn
One, two, three, four

Take your brushes, young and old
Together, paint it, bright and bold
Turn 'em round quick by the left elbow
Grab a new partner, here we go!

We raised this barn, we raised this barn
Yes, we did
Together we sure raised this barn
Yes, we did
Being together counts the most
We all came here from coast to coast
All we need to strive to be
Is part of the Apple family
Apple Bloom: Yeah!

Morning in Ponyville

Morning in Ponyville shimmers
Morning in Ponyville shines
And I know for absolute certain
That everything is certainly fine
There's the Mayor en route to her office
There's the sofa clerk selling some quills
Store owner: Morning, kid!

My Ponyville is so gentle and still
Can things ever go wrong?
I don't think that they will
Morning in Ponyville shimmers
Morning in Ponyville shines
And I know for absolute certain
That everything is certainly—
