Break Free

(Music & Lyrics By J.Furman, J.Vaughn, D. Whittemore)

VERSE

I have so much more to say
but I live in slow motion
from moment to moment ay

Holding back from day to day
The clocks ticking slowly
But time cannot hold me down

PRE

I find myself, in the rhythm of my feet
Feel it in my heartbeat
The time is now - and I won't hold back
hold back

CHORUS:

Break free Yeah - I'm Running
Watch me Yeah - I'm Running
I let go, in this moment
all roads, open
Gonna break free yeah - I'm Running
I was born to break free
I was born to break free

VERSE 2

I choose my path, I choose my dreams
My spirit's a fighter
A passion igniter

All I needs, inside of me
A light shining brighter
A spark to a fire
