START OF ACT #1

INT. AERIAL ACE'S HOUSE

Aerial Ace is looking at Alternate Dawn completely upset and is at the point where she's about to cry. Alternate Dawn looks at Aerial Ace ashamed. He goes to speak, but Aerial Ace talks first.

AERIAL ACE

Upset, commanding Get out!

ALTERNATE DAWN

Ace I know your upset, but can't we talk...(Cutoff)

AERIAL ACE

Commanding, Starting to cry I said get out!

ALTERNATE DAWN

But.

AERIAL ACE

Yells "Leave"!

Alternate Dawn looks at the floor ashamed at himself for what happened. He turns around and heads for the door. As he opens it, he turns to Aerial Ace to say something. But he sees she's doing her best not to cry. Alternate Dawn quietly leaves.

Aerial Ace is still fighting the urge to cry. She turns around and walks to an end-table by the couch, and grabs a photo from it. Without looking at it she raises her hoof to smash it on the ground. Her hoof shakes as she fights with her feelings.

Aerial Ace looks at the photo and all the hatred from her face fades, but she becomes overwhelmed by sadness. She holds the photo to her chest tightly and cries.

AERIAL ACE

Crying quietly Snuggle bug....

SLOW ZOOM OUT

FADE TO BLACK.

INT. GOLDEN OAK LIBRARY - 2 WEEKS EARLIER

Alternate Dawn is packing his saddlebag with two books, a few gems and a bag of bits.

ALTERNATE DAWN

Thanks again for taking care of
the library for me Spike.

SPIKE

No worries. It's actually nice
being in the old place again.

Alternate Dawn finnish packing his saddlebag and is ready
to leave.

SPIKE

So where are you going again?

ALTERNATE DAWN

I'm just heading to Rose Town for
a few days. They have a few
scrolls that belonged to Morgana
The Mage, that I want to study.

SPIKE

Joking tone So if you study
like your mother, I'll see you in
3 month.

ALTERNATE DAWN

I wish I could take that much
time! But with the trade dispute
going on over the new gold mine,
my mom wants me back in a week.

Alternate Dawn puts his saddlebag on and heads to the
door to leave. He turns to Spike.

ALTERNATE DAWN

Oh, if anypony need to use the Save
State...(Cutoff)

SPIKE

All the ID cards are by the
machine, and the energy capsules
are on the west wall.

And if Little-AJ comes in hurt from
her training, she can suck it up if
she has 3 or less broken bones.

You've told me 4 times now.

Alternate Dawn smiles nervously.

ALTERNATE DAWN

Sorry. (Opens the door to leave)
I'm off to catch the couch. I'll
see you in a few days.

Alternate Dawn leaves the library as he waves goodbye.

CUT TO:

INT. PONYVILLE - AFTERNOON

As Aerial Ace is flying over Ponyville, she sees her friends
Apple Eden and Sparity. She dashes down to greet them.

As she almost gets to the ground she gives her
usual warning.

AERIAL ACE

Yells Dig!

Everypony clears the way for Aerial Ace to land, but a
female unicorn comes out from a corner and is right in
the path of Aerial Ace's landing.

- Aerial Ace uses Tackle
- It's Super Effective
- Life bar for Unicorn depletes
- Unicorn is knocked out

As Aerial Ace starts to get up, Sparity and Apple Eden
come running towards her. Aerial Ace shakes her head and
looks towards her friends.

AERIAL ACE

It's alright you two, I've had
worse landings.

Apple Eden and Sparity run past Aerial Ace. Aerial Ace is
shocked that her friend ran past her and looked towards them.

Apple Eden and Sparity are next to the female unicorn
seeing if she's okay, but she's knocked out. The two look
over the female unicorn and see that she hit her head.
Sparity kneels down.

SPARITY

A little worried We should get
her to Nurse Red Heart. Put her
on my back.

Apple Eden carefully picks up the female unicorn and puts her on Sparity's back. She then picks up the female unicorn's saddle bag. Aerial Ace looks at what happened and goes to walk off.

AERIAL ACE

Well since you two got this covered, I'll head out.

As Aerial Ace turns to leave, Apple Eden grabs a hold of her ear and drags her along.

APPLE EDEN

You're coming too! You caused this!

AERIAL ACE

Owe.. Owe! Okay, just let go!

As Sparity starts to walk off, Apple Eden follows her with Aerial Ace in tow.

CUT TO:

INT. CLINIC - LATER

Apple Eden, Sparity and Aerial Ace are standing in the hallway outside a room, as Nurse Red Heart comes out. She looks at the three a little concerned.

APPLE EDEN

How is she doing?

NURSE RED HEART

She's okay for the most part. But she can't remember anything right now.

SPARITY

You mean she has amnesia?

Nurse Red Heart silently nods her head. She looks to the room.

NURSE RED HEART

Poor thing is scared beyond belief right now.

Apple Eden looks sternly at Aerial Ace, who already looks a little upset at herself.

APPLE EDEN

Upset This wouldn't have happened if you weren't so reckless!

Aerial Ace looks at Apple Eden upset.

AERIAL ACE

It's not my fault! I shouted out
to everypony that I was landing!

Sparity looks at Aerial Ace a little angry.

SPARITY

How many times has everyone told
you not to fly so fast and so
low to the ground!

NURSE RED HEART

Sternly Girls!

Sparity, Apple Eden and Aerial Ace look towards Nurse
Red Heart. They're all a little ashamed.

AERIAL ACE

Sorry. Is there anything we can do?

NURSE RED HEART

Do you three know who she is?

Everyone looks at each other and shakes their heads.
Nurse Red Heart looks through the door and sighs.

NURSE RED HEART

This might be an issue then?

APPLE EDEN

Why?

NURSE RED HEART

Amnesia can be tricky. Her
memories could come back on their
own in time. Or they could be
triggered by something like a
smell, seeing something she would
recognise, a sound.

SPARITY

How long could this last?

NURSE RED HEART

Heavy hearted That's the trick.
It could be a few hours, days,
months or her memories could never
come back.

Sparity, Apple Eden and Aerial Ace look towards the
door where the female unicorn is, they're all worried.

NURSE RED HEART

She's okay to stay here for a few days, but we're not set up for long term care for something like this.

Aerial Ace looks at the floor, upset with herself. She looks up a Nurse Red Heart.

AERIAL ACE

It's okay. I have an extra room she could use.

Apple Eden and Sparity are shocked hearing this.

APPLE EDEN

Umm... You don't have the neatest kept place Aerial.

AERIAL ACE

So you can help me clean up a little.

SPARITY

Before we make plans. Maybe we should I talk to her?

NURSE RED HEART

I'll tell the truth, it would be better for her to be able to be out and about, since something might trigger her memory. But I still want her to spend the night.

SPARITY

Okay. We'll talk to her, and let you know what we came up with on our way out.

Nurse Red Heart smiles and nods to the girls before heading off. Sparity lightly knocks on the door before they head in.

UNICORN

Crying, scared Hello?

Aerial Ace, Sparity and Apple Eden walk into the room. They see the female unicorn sitting up on the bed curled into a ball. She's been crying and looks scared.

SPARITY

Hey, how are you doing?

UNICORN

I'm a little scared.

SPARITY

Ya, we talked to Nurse Red Heart
and she told us you have amnesia.

The female unicorn wipes her eyes and looks at the three.

UNICORN

Do I know you three?

SPARITY

No sorry. I'm Sparity, this is
Apple Eden and Aerial Ace.

Aerial Ace makes her way to the bed.

AERIAL ACE

I'm sorry, I'm the one that ran
into you and caused this.

The female unicorn stays curled up and looks at Aerial Ace.

AERIAL ACE

The nurse said that your memory
might come back faster if you were
able to be out of here. So I
wanted to see if you wanted to
come stay with me.

The female unicorn puts her head on her knees and
slowly starts to cry.

UNICORN

Lightly crying I don't... know.

Apple Eden goes up to the and sits on the bed. She goes up
to the female unicorn and hugs her. The female unicorn
turns to Apple Eden and hugs her back as she cries.

After a few moments the female unicorn calms down, and
pulls away from Apple Eden.

UNICORN

Sorry about that, but thank you
for the hug.

Apple Eden looks at the female unicorn and smiles.

APPLE EDEN

No worries apple dumpling!

The four look at each other and smile.

SPARITY

Nurse Red Heart said that she wanted to keep you overnight, so you don't have to decide anything right now.

UNICORN

Okay.

AERIAL ACE

I am sorry for what happened. If you don't want to stay at my place, I'll help get you set up somewhere and we'll do our best to find out who you are. I promise!

UNICORN

Thank you!

APPLE EDEN

Anyway's, we should let you get some rest.

Everyone waves goodbye and Sparity, Apple Eden and Aerial Ace leave the room. The female unicorn looks a little happy, but as she lays down her smile fades. She holds the pillow that's under her head and starts to look a little worried.

CUT TO:

END OF ACT #1

START OF ACT #2

INT. AERIAL ACE'S HOUSE

Aerial Ace opens the door to her place and walks in with the female unicorn, and Apple Eden.

AERIAL ACE

Sorry for the slight mess. I normally don't have too many guests.

UNICORN

It's okay.

The female unicorn looks around, and sees that the place could use a little dusting and reorganizing. Apple Eden looks at the female unicorn and smiles.

APPLE EDEN

Trust me, it was a little worse
(MORE)

APPLE EDEN (CONT'D)

last night. But I made sure your
the room is clean.

UNICORN

Thank you.

APPLE EDEN

No worries. I'm happy to help.
But I need to head home, so I'll
see you two later.

Apple Eden smiles and waves goodbye before leaving.

Aerial Ace looks at the female unicorn and sees she's
a little down.

AERIAL ACE

Anyway's as you can see here's
the living room.

(Walks to the kitchen)

Here's the kitchen. I normally
don't have much food here sorry,
since I eat out a fair bit. But
Eden and Sparity helped me last
night and got the fridge and
cupboards filled.

(Walks down the hallway)

Bathroom is here, and here's
your room. (Opens the door)

The female unicorn sees the room is nicely kept, and has
fresh flowers on the nightstand. Over on the fall wall is a
full size dresser with a mirror, and the bed is big enough
to fit two ponies with little issue.

AERIAL ACE

I know you're probably tired of
relaxing, but make yourself at
home. I'll go make us some lunch.

The female unicorn turns and lightly hugs Aerial Ace.

UNICORN

Caring Thank you.

Aerial Ace slightly blushes and hugs the female
unicorn back.

AERIAL ACE

No worries. You're welcome to
say as long as you need.

Aerial Ace and the female unicorn pull away after a quick moment. The two smile at each other before Aerial Ace leave the room.

The female unicorn puts her saddlebag on the dresser. She moves to the window in the room and opens it a little. She turns back to her saddlebag, and sees herself in the mirror. She can't bring herself to look at her reflection. She opens the saddlebag and finds a book titled "Advance Teleporting" and a bag of bits.

The female unicorn takes the book and heads into the living room. As she gets there, she smells something burning and heads to the kitchen.

The female unicorn see's that Aerial Ace is pulling something from the oven and it's completely black.

Aerial Ace pulls the muffin pan from the oven, and drops it into the sink. She lets out a cough from the smoke.

UNICORN

What happened?

AERIAL ACE

I thought if I used a higher
tempter the muffins would be
ready sooner.

The female unicorn looks a Aerial Ace a little nervously.

UNICORN

You weren't kidding when you
said you eat out a lot.

AERIAL ACE

If it helps, I know this great
restaurant.

The female unicorn smiles and moves to the sink.

UNICORN

Here, why don't you let me try.

The female unicorn throws the burnt muffins away, and grabs a new bowl and starts making a new batch of muffins.

Aerial Ace moves to the table and watches.

AERIAL ACE

By the way, what should I call you?
I can't see "Hey you" working.

The female unicorn turns while mixing the muffin batter.

UNICORN

I'm not sure sorry. My saddlebag
only had a book on teleporting
magic, and some money.

Aerial Ace looks over the female unicorn and sees her
cutie mark.

AERIAL ACE

Well your cutie mark is a book
and a pen, and if you have a book
on magic.

(Thinks)

How about "Master Caster"! And I
could call you MC for short.

UNICORN

Nervously Um... I was thinking
"Holy" might be nice.

AERIAL ACE
Holy Spelling!

The female unicorn thinks for a second and smiles at Aerial Ace.

HOLY SPELLING
I like it!

Holy Spelling finishes making the muffins and puts them into the oven to bake. She looks around the counter, and then turns to Aerial Ace.

HOLY SPELLING
Do you have a timer?

Aerial Ace looks at Holy Spelling and shrugs. Holy Spelling shakes her head and lightly laughs. Holy Spelling looks around and goes into the living room and comes back quickly with the clock from the wall. She places it on the counter.

Holy Spelling looks in the fridge and sees there's a bottle of juice. She takes the cork out and smells it. She turns to Aerial Ace.

HOLY SPELLING
Do you want any Apple juice?

AERIAL ACE
Sure. The cups are just above
the sink.

Holy Spelling gets them both a glass and pours them each a cup full. She looks at the clock and heads to the oven. She uses her magic to take the muffins out and places them on the stove. She looks to Aerial Ace.

HOLY SPELLING
Plates?

AERIAL ACE
Left cupboard.

As Holy Spelling gets the muffins on the plate Aerial Ace takes a deep breath in, smelling the fresh baked muffins.

AERIAL ACE
Knows how to cook, golden blond
hair, and a great set of legs. If
you have a special someone, I
think I might have to be jealous.

As Holy Spelling uses her magic to bring the muffins and drinks to the table, as she smiles at Aerial Ace.

HOLY SPELLING
Should I be worried that you're
already checking me out?

AERIAL ACE
Innocently What? I had to look at
your cutie mark to help think up a
name.

Holy Spelling laughs as she puts everything on the
table, and sits down. Aerial Ace takes her cup and
raises it to Holy Spelling.

AERIAL ACE
Well Holy Spelling, I'm Aerial Ace.
It's a pleasure to meet you.

Holy Spelling smiles and takes her cup and raises it
as well.

HOLY SPELLING
It's nice to meet you Aerial Ace!

CLOSE UP ON THE TWO CUPS LIGHTLY HITTING EACH OTHER.

CUT TO:

RANDOM SCENES

Over the next few days Holy Spelling spends time with Aerial
Ace, Apple Eden, Little-AJ, Sparity and Super Surprise.

They go from spending time at the Apple Farm, walking
around Ponyville to Tapper's Soda Shop.

CUT TO:

INT. SPARITY'S HOME

Sparity, Little-AJ and Holy Spelling are sitting in the
living room talking, and having a good time. There are a
few books piled up on the coffee table.

Spike comes in and sees the three girls.

SPIKE
Hi girls.

The three look over and see Spike. Sparity and Little-AJ
smile and wave, while Holy Spelling is a little unsure why
a dragon just walked into the house.

SPARITY
Hi Dad.

SPIKE

So how are things going?

SPARITY

Good. Holy came to borrow some books. Is Alter not back yet?

SPIKE

Not yet. But I'm not surprised. If he's studying magic scrolls, he might be gone a month instead of a week like he said.

But I'm taking a nap. I'll talk to you three later.

Spike walks off, and Sparity turns her attention back to Holy Spelling who's still a little shocked.

SPARITY

Are you okay, Holy?

HOLY SPELLING

Ya, sorry. I didn't know you were adopted.

Little-AJ and Sparity look at each other and start to laugh lightly.

SPARITY

I'm not adopted.

HOLY SPELLING

But he's a dragon!

SPARITY

Yep.

HOLY SPELLING

Sorry... I just thought.

SPARITY

It's alright. Let me show you something, just give me a minute.

Sparity walks off for a moment. Little-AJ looks at Holly Spelling and smirks.

LITTLE-AJ

Trust me. All the good looks come from her mother.

Holy Spelling looks a little confused, but waits for Sparity.

As Sparity comes back holding her Dragon Stone, she smiles at Holy Spelling. She activates the stone's power and transforms into her dragon form.

Holy Spelling is in awe from what she's seen. She rushes up to Sparity.

HOLY SPELLING
That's "amazing"!

(Takes the Dragon Stone)

How does it work? Are other ponies
able to use it? What abilities do you
have while in your dragon form?

Sparity looks a little nervous with all the questions, never mind that she's used to having ponies run away or at least be scared when they first see her dragon form for the first time.

Little-AJ is still sitting on the couch, and is laughing. Sparity shakes her head and looks at Holy Spelling.

SPARITY
Since I'm half dragon, it lets me
transform between my two forms.
Others have tried to use the stone,
but it hasn't worked for them. And I
can fly, and breath fire.

Holy Spelling looks at Sparity in awe.

LITTLE-AJ
Come on Sparity, you forgot the
other ability your dragon form
gives you.

Sparity looks at Little-AJ confused, while Holy Spelling looks between Little-AJ and Sparity.

HOLY SPELLING
Enthusiastic What is it?

(Looks at Sparity)

Can you poison, or paralyze others?

SPARITY
Nervously No... Apple what are
you talking about?

Little-AJ gets off the couch and heads to Sparity. She takes her by the head and kisses her. Holy Spelling blushes as she looks at the two.

Once Little-AJ is done kissing Sparity she turns to Holy Spelling with a grin.

LITTLE-AJ
She normally only uses her
tongue when we're alone. But the
things she can do with it!

Both Sparity and Holy Spelling look at each other and blush. Little-AJ starts to laugh.

CUT TO:

EXT. LAKE - AFTERNOON

Super Surprise, Apple Eden, Sparity, Little-AJ, Aerial Ace and Holy Spelling are out at the lake having a picnic and having fun. They start throwing a frisbee and playing in the water.

Super Surprise sees Harbinger and waves to him as she calls out.

SUPER SURPRISE
Hey Harbinger, come over here!

Harbinger looks over and flies to Super Surprise.

HARBINGER
Hey Super. What's up?

SUPER SURPRISE
How would you like to do me a
favor?

Harbinger looks at Super Surprise with a little bit of caution.

HARBINGER
Last time I helped you, I broke
my camera and almost got bit by a
Timber Wolf.

SUPER SURPRISE
Relax. I just wanted to get you
to take photos of the girls and
me today!

Harbinger looks at everyone and sees the good time they're having. He looks back at Super Surprise and nods.

HARBINGER

Sure. It's been a slow news week, so it'll be fun to take photos of something.

SUPER SURPRISE

Great!

(Moves close to Harbinger)

Whispers And if you get any "hot" photos I'll pay double.

Harbinger and Super Surprise look at each other and grin. Harbinger sets out to start taking photos. He gets a few photos of some of the girls playing with the frisbee. Another photo is when the girls are in the water with wet manes, playing with a ball and splashing each other.

Harbinger gets a photo of Holy Spelling drying her mane, with the sunlight behind her. The water droplets on her shine. A second photo of her drying her mane, has her looking at Harbinger sticking her tongue out at the camera.

Harbinger was able to get a photo of Sparity with her back to a rock and Little-AJ leaning up on her. Little-AJ has her hand rubbing Sparity's pussy as they look at each other.

Another photo is of Apple Eden and Super Surprise kissing behind a tree, followed by a photo of them rubbing their pussies together.

Harbinger gets a photo of Aerial Ace and Holy Spelling sitting in the shade of a tree. The two are looking at each other and it looks like they're about to kiss. The next photo has Holy Spelling trying to use her book to hide her face, and Aerial Ace looks angry as she's dashing towards Harbinger.

CUT TO:

INT. AERIAL ACE'S HOUSE - NIGHT

After being out all day Aerial Ace and Holy Spelling are relaxing at home. Holy Spelling is sitting on the floor with a pillow under her, close to the fireplace. She's reading one of the magic books that Sparity lent her, but she's slowly nodding off to sleep.

Aerial Ace notices Holy Spelling drifting off to sleep and goes to sit next to her. She nudges Holy Spelling to get her attention.

AERIAL ACE
Hey, if you're that tired, you
should head to bed.

Holy Spelling lays on Aerial Ace and nuzzles into her.

HOLY SPELLING
But if I did that, I wouldn't
have my soft furry pillow.

Aerial Ace blushes. She looks at Holy Spelling with a
smile and puts her wing around her.

FADE OUT

INT. PONYVILLE - AFTERNOON

Aerial Ace and Holy Spelling are walking through the town
shopping. Aerial Ace is caring most of the bags, while Holy is
looking at some vegetables and fruit at a vendor cart.

After Holy Spelling picks up a few things the two start to
walk off.

LITTLE-AJ
Joking tone Well that's it. I
don't think we can be friends
with them anymore Eden.

Aerial Ace and Holy Spelling turn around and see Apple
Eden and Little-AJ

HOLY SPELLING
Hi you two. How are you doing?

LITTLE-AJ
Joking tone I'm so hurt... No
devastated.

Apple Eden nervously smiles.

APPLE EDEN
Sorry. She gets a little
energetic after her and
Sparity... Um... "play"

So how are things going for you
two?

AERIAL ACE
I can't complain. She cooks and
cleans, without me even asking!

LITTLE-AJ

Ya, that's probably because you never cooked or cleaned in your life.

AERIAL ACE

That's not true. I baked muffins the first day she came over.

Holy Spelling smiles nervously, and looks at Apple Eden

HOLY SPELLING

So how are things on the farm going?

APPLE EDEN

Good, thanks. We just finished harvesting the one orchard, so we're almost done for the season.

LITTLE-AJ

Yea, it's going to be nice to be able to sleep in this weekend.

Holy Spelling smiles and looks at everyone as an idea comes to her mind.

HOLY SPELLING

I know if you two have extra time now, why don't you come over for a slumber party!

Apple Eden smiles at the idea, while Little-AJ and Aerial Ace frown.

LITTLE-AJ

Is this going to be one of tough girly ones, where you do each other's manes and talk about your feelings?

HOLY SPELLING

And what's wrong with that?

AERIAL ACE

I think I'm with Apple on this one. I'm not one for girly things.

Apple Eden looks a little disappointed. Holy Eden taps Apple Eden's hoof and winks at her.

Holy Eden walks up to Aerial Ace and nuzzles her under the head.

HOLY SPELLING

Awe... Please Aerial. I promise
it'll be fun, and I'll even bake a
cake.

Aerial Ace blushes at having Holy Spelling nuzzle her, and
her eyes widen at hearing cake. She looks at Little-AJ.

AERIAL ACE

Hey Apple, we're having a sleepover
tonight. You wanna come over?

Little-AJ laughs lightly and pretends to use a whip.

LITTLE-AJ

"Waa-pshh"

Apple Eden, Little-AJ and Holy Spelling laugh, as Aerial
Ace frowns at being teased.

HOLY SPELLING

Why don't you invite Sparity, and
we'll stop at Super... (Cutoff)

SUPER SURPRISE

Yells Surprise!

Holy Spelling jumps as Super Surprise scares her
from behind. She turns to Super Surprise.

HOLY SPELLING

Slightly upset Scaring me
"doesn't" help!

SUPER SURPRISE

Awe... But it's kind of fun though.
But yea, I'm down for a sleepover.

(Looks at Aerial Ace)

Seductively So, is this going to
be like the last time you spent
the night at my place?

Aerial Ace blushes and places a hoof behind her head.

AERIAL ACE

Well, I don't think things will
get that "playful"

SUPER SURPRISE

Awe...

Holy Spelling looks at Aerial Ace and Super Surprise.

HOLY SPELLING

What games did you two play?

Super Surprise goes up to Holy Spelling and smiles.

SUPER SURPRISE

Oh the things we did. We even used
a frozen banana for one of our
"games"! It was a nice little
treat afterwards.

Aerial Ace and Apple Eden are blushing at hearing this.
Holy Spelling looks at Aerial Ace.

HOLY SPELLING

What kind of game do you play
with a frozen banana?

Little-AJ grins at Aerial Ace.

LITTLE-AJ

Yea, Ace. What "game" were you
two playing?

Aerial Ace hits Little-AJ with her wing.

AERIAL ACE

Anyways... How about we head home
Holy, and get things ready for
tonight.

HOLY SPELLING

Okay.

(Turns to the rest of the group)

Why don't you all come by for
seven tonight.

APPLE EDEN

Sure thing! See you later Holy.

As Holy Spelling and Aerial Ace start to walk off, Aerial
Ace turns her head and looks at Super Surprise and
Little-AJ. She frowns at the two and sticks her tongue
out at them.

Super Surprise and Little-AJ grin as they bump hooves.

CUT TO:

INT. AERIAL ACE'S HOUSE - NIGHT

Holy Spelling is getting the house ready for everyone to come over for the night. She's placed extra pillows, blankets out in the living room. She also placed a cake, chips, fruit and other snacks for the night out on the table for everyone.

With a knock at the door, Holy Spelling looks at the door with a smile. Aerial Ace walks to the door and sees Super Surprise, Apple Eden, Little-AJ and Sparity. She greets her friends with a smile and lets them in.

Everyone is sitting in the living room, and is having a good time.

SPARITY

Alright, time to have some fun!

Everyone turns their attention to Sparity.

APPLE EDEN

What did you have in mind?

SPARITY

(Grins) A good old fashion game of "Truth or Dare"! And naturally since I brought it up I get to go first.

(Looks to Apple Eden) So, truth or dare?

APPLE EDEN

Umm... Truth.

SPARITY

Who was the first pony you ever kissed?

Apple Eden blushes a little and looks down at the floor.

APPLE EDEN

A little shy It was Aerial Ace.

Everyone goes from looking at Apple Eden to Aerial Ace. Aerial Ace looks at everyone normally.

AERIAL ACE

What? I think everyone here kissed each other before. What's the big deal?

LITTLE-AJ

Okay...Well cous, you're up.

Apple Eden looks at everyone and thinks. She turns to Holy Spelling.

APPLE EDEN

Holy, truth or dare?

Holy Spelling nervously smiles and thinks for a quick moment.

HOLY SPELLING

I'll take the truth I guess.

APPLE EDEN

Who was the first mare or stallion you were with?

Holy Spelling looks down and a little upset.

HOLY SPELLING

I don't know, sorry.

Apple Eden eyes widen, and she is upset with herself.

APPLE EDEN

Oh, Holy I'm so sorry!

Holy Spelling looks up and gives a half smile.

HOLY SPELLING

It's okay.

Little-AJ takes a pillow and throws it at Apple Eden, hitting her in the head.

LITTLE-AJ

Good one Eden.

Super Surprise jumps up with pillows in each hoof.

SUPER SURPRISE

Yells Pillow fight!

A pillow fight breaks out with the six girls. Super Surprise and Aerial Ace try to stay in the air so they wouldn't be hit, but the rest of the girls throw pillows up at them making them come back down.

Sparity and Holy Spelling team up by using their magic to use a few pillows to block hits, and to throw a few pillows at everyone. But they failed to see Little-AJ come up from behind, and she hits them both on the head, but the pillow goes through Holy Spelling's horn.

Holy Spelling tries to look around but can't see anything.

HOLY SPELLING

Joking tone Help I'm blind!

Everyone laughs. Aerial Ace goes up to Holy Spelling and helps take the pillow off her horn.

AERIAL ACE

There's that beautiful face.

Holy Spelling blushes and look away as Aerial Ace grins. Holy Spelling sees a pillow by her hooves on the ground. She quickly uses her magic to grab the pillow and hits Aerial Ace, restarting the pillow fight.

FADE OUT

INT. AERIAL ACE'S HOUSE - LATER

As the night winds down and the girls are all in the living room talking. Apple Eden, Little-AJ, Super Surprise and Sparity have their pillows under them, and have their blankets covering them.

Holy Spelling snuggles into Aerial Ace and starts to fall asleep. Aerial Ace looks at her with love and smiles.

AERIAL ACE

Come on snuggle bug, let's get you to bed.

HOLY SPELLING

Slightly pouting No... I want my soft furry pillow.

Holy Spelling puts her hooves around Aerial Ace's neck and holds on to her. Sparity and Apple Eden smile at this, while Little-AJ and Super Surprise try not to laugh.

Aerial Ace gets Holy Spelling onto her back and takes her to bed, returning soon after.

Little-AJ and Super Surprise go up to Aerial Ace and tease her.

LITTLE-AJ

Awe, you have such warm and soft fur.

SUPER SURPRISE

You should try her tail! It's so nice and fluffy!

Aerial Ace looks at the two a little annoyed.

AERIAL ACE

I hate you two.

The group laughs. Sparity looks at Aerial Ace

SPARITY

Are you two...

Aerial Ace blushes and looks down.

AERIAL ACE

No. I want to ask her out
officially, but I'm kind of
nervous.

Everyone is shocked hearing this, and gives Aerial Ace
a puzzled look. Aerial Ace sees their faces.

AERIAL ACE

What?

LITTLE-AJ

The mare-slayer herself; in love!

Aerial Ace's face turns red with embarrassment. She puts
her head on the floor and covers her face with a pillow.

SUPER SURPRISE

Playfully Aww... does this mean
you won't come over to give me my
"massage"?

Aerial Ace throws her pillow and hits Super Surprise.

CUT TO:

END OF ACT #2

START OF ACT #3

EXT. FLOWER SHOP - AFTERNOON

Holy Spelling and Sparity are walking out of a flower shop
as they hear someone scream in fear. They look towards
where the scream came from, and they see a mare looking at
a very injured Aerial Ace.

Sparity and Holy Spelling rush to their friends' side. They
see that her right wing is broken along with other cuts,
bruises all over her body. Sparity goes to hold Aerial Ace
up while Holy Spelling looks in fear.

SPARITY
Holy! Holy!

Holy Spelling goes and helps Sparity hold up Aerial Ace.

HOLY SPELLING
Sorry... We should get her to Nurse
Red Heart.

SPARITY
No, we need to take her to the
library!

Holy Spelling looks at Sparity oddly.

HOLY SPELLING
A library?

SPARITY
Just trust me.

The two start to carry Aerial Ace off.

CUT TO:

INT. GOLDEN OAK LIBRARY - MOMENTS LATER

As Sparity, Holy Spelling and Aerial Ace enter the
library Sparity turns her head to look around quickly.

SPARITY
Yells Dad!

Spike comes to the front and sees the three girls. As soon as
he sees the conduction of Aerial Ace he looks at Sparity.

SPIKE
Commanding Save State room, now!

Spike rushes off, as Sparity and Holy Spelling slowly
move Aerial Ace.

CUT TO:

INT. SAVE STATE ROOM - CONTINUOUS

With Aerial Ace in the Save State machine, Spike at
Sparity are talking but Holy Spelling isn't paying
attention to them.

Holy Spelling looks around the room, and hears random
voices, and sees ghostly outline figures. Every time she
goes to look at one of the figures, it disappears and a
new voice starts to talk.

VOICE-1
With the Save State...

Serene could you bring me the
capsule

VOICE-2
Alter you need to take a break...

VOICE-3
Alter, I'm hungry!

SPARITY
Holy... Holy!

Holy Spelling has tears coming from her eyes as she looks
at Sparity.

SPARITY
Are you okay?

HOLY SPELLING
(Wipes the tears away) Yes, sorry.
It's just...

Sparity puts a hoof on Holy Spelling's shoulder and smiles.

SPARITY
Don't worry, I know it's a bit
to take in seeing her hurt.

Come on. My Dad said that it'll
take an hour for her wounds to
be healed. Why don't we head to
the kitchen and get some tea.

Holy Spelling is still in a little bit of a daze, but nods.
Sparity leads Holy Spelling out of the room.

CUT TO:

INT. KITCHEN - CONTINUOUS

Holy Spelling is sitting at the kitchen table, as Sparity
goes to make them some tea. Sparity keeps an eye on Holy
Spelling and notices that she keeps looking around in
random places as if she is hearing something.

Sparity goes up to Holy Spelling.

SPARITY
Hey, are you okay?

Sparity sees that Holy Spelling looks like she's elsewhere.

HOLY SPELLING

Ya, sorry. It's just... I can't...
I can't quite describe it, sorry.

Sparity looks at Holy Spelling worried.

SPARITY

I think we should get you to Nurse
Red Heart.

HOLY SPELLING

(Shakes her head)

No, I'm fine. I want to stay and
makes sure Aerial Ace is okay.

SPARITY

Are you sure? It looks like
you're seeing ghosts.

HOLY SPELLING

(Smiles)

I'm fine. I think it's just a
little too much excitement, and
I have a headache.

Sparity gives Holy Spelling a smile. She hears the
tea kettle whistle and goes to get it.

Holy Spelling stays at the table looking down at it,
she's in more of a daze state then before.

SPARITY

Where does that stallion keep
his tea!?

Holy Spelling looks up from the table.

HOLY SPELLING

Forth cupboard from the right.

Sparity opens the cupboard and sees the tea. She takes
it out and looks a Holy Spelling oddly.

SPARITY

How did you know where it was?

HOLY SPELLING

You looked almost every place
else, and it's where I would keep
it with how the shelves are kept.

Sparity looks and notices that most of the cupboards are open from her looking for the tea. She finnish making the tea and pours a cup for Holy Spelling.

CLOSE UP OF HOLY SPELLING

Holy Spelling holds on to the tea cup, lost in her thoughts. She doesn't move much and doesn't take a drink of her tea.

Sparity places a hoof on Holy Spelling's shoulder and snaps her out of her daze.

SPARITY

Come on. Aerial Ace should be
healed now.

Holy Spelling looks up at Sparity and nods.

CUT TO:

INT. SAVE STATE ROOM - CONTINUOUS

As Sparity and Holy Spelling enter the room they see Spike and Aerial Ace talking.

Aerial Ace sees the two and stops talking to Spike. She hops down from the Save State machine and looks at her friends with a smile.

Holy Spelling walks up to Aerial Ace and hugs her. She breaks down and starts to cry.

Aerial Ace smiles lovingly and hugs Holy Spelling back.

AERIAL ACE

Hey, it's okay. I'm fine.

HOLY SPELLING

Crying I was so worried.

Sparity looks at the two and smiles. But she turns to Aerial Ace with a concerned face.

SPARITY

So what happened?

AERIAL ACE

When I was flying around the woods, I thought I saw something. When I went down to check it out, I ended up hitting a tree... and a few more as I fell to the ground.

SPARITY

That's a little odd for you.

AERIAL ACE
Jokingly Well even the best
have off days.

Aerial Ace looks down at Holy Spelling and sees she
still looks a little shaken.

AERIAL ACE
Are you okay, Holy?

Holy Spelling holds on to Aerial Ace a little tighter,
but nods.

HOLY SPELLING
Yes. I just have a headache, and I
think I'm just a little over tired.

AERIAL ACE
How about we stop somewhere for
dinner, and head home.

Holy Spelling just nods and she continues to hug Aerial Ace.
Aerial Ace looks at Spike.

AERIAL ACE
Could you make sure Princess
Twilight gets my report for me?

SPIKE
Sure thing. Just make sure to take
it easy for the rest of the day.

AERIAL ACE
Sure thing.

Aerial Ace slowly walks off with Holy Spelling following
next to her. As soon as they're gone, Sparity looks at
Spike a little worried.

SPARITY
So what really happened?

CUT TO:

INT. RESTAURANT - LATER

While at the restaurant Aerial Ace is talking, while
Holy Spelling is holding her head from her headache.

AERIAL ACE
Laughing Why there was this one
time Alter heard Apple Eden scream
at the hot springs he jumped the
wall... *Laughs*

HOLY SPELLING

He saw that she screamed since
SS was holding her down, and
Sparity was rubbing her pussy...

Aerial Ace looks at Holy Spelling surprisingly.

AERIAL ACE

Yea. How did you know that?

Holy Spelling closes her eyes.

HOLY SPELLING

I... I think I was there.

AERIAL ACE

That was like 4 months ago though.
Were you in Ponyville then?

HOLY SPELLING

I don't know... I think so.

Holy Spelling has her eyes closed tightly as she continues to
hold her head. She looks like she's about to cry.

HOLY SPELLING

I'm sorry to cut our date short
Aerial. But my headache is just
getting worse. Could we go home?

Aerial Ace goes up to Holy Spelling and holds her hoof.

AERIAL ACE

Caring Sure thing, snuggle bug.

CUT TO:

INT. AERIAL ACE'S HOUSE - MOMENTS LATER

As Aerial Ace and Holy Spelling enter the house, Aerial Ace
heads to Holy Spelling's room, and lays her down. Aerial
Ace can see that her headache must be bad since tears are
coming from her eyes, and she's breathing a little heavy.

AERIAL ACE

Worried Did you want me to get
you anything?

HOLY SPELLING

No... I think I just need to get
some sleep.

AERIAL ACE

Okay. But if you want or need
anything just call me okay?

Holy Spelling grabs Aerial Ace's hoof, and opens her eyes
to look at her.

HOLY SPELLING

Could you stay with me please?
At least until I fall asleep.

Aerial Ace looks down at Holy Spelling and smiles.

AERIAL ACE

Lovingly I'll spend the whole
night with you.

Aerial Ace moves to the other side of the bed and gets on.
She moves behind Holy Spelling and holds her from behind,
but Holy Spelling turns around and buries herself into
Aerial Ace.

HOLY SPELLING

I love you Aerial.

Aerial Ace opened her eyes widely. She looks at Holy
Spelling with love.

AERIAL ACE

I love you too, Holy.

Aerial Ace kisses Holy Spelling on the head and closes
her eyes.

FADE OUT

INT. AERIAL ACE'S HOUSE - THE NEXT DAY

Aerial Ace wakes up and sees the Holy Spelling's face
doesn't show the pain that she was in from last night.
She gets off the bed and tries to leave the room quietly.

Holy Spelling wakes up hearing the door to her room
being opened. She looks up and sees Aerial Ace leaving.

HOLY SPELLING

Is it morning?

AERIAL ACE

(Moves back to Holy Spelling,
and sits on the bed) Yea, but
the sun hasn't come up yet.

HOLY SPELLING

Sleepy Come back to bed then.

AERIAL ACE

I have an early patrol with Apple,
and I have to follow up with my
report with Princess Twilight.

I'll be home before dinner though. I
was thinking we could try going on
our date again, when I get back.

HOLY SPELLING

I'd like that.

Holy Spelling sits up and hugs Aerial Ace.

HOLY SPELLING

I meant what I said last night.

AERIAL ACE

What do you mean?

Holy moves her head, and kisses Aerial Ace. Aerial Ace eyes
show that she's shocked, but she closes her eyes and wraps her
wings around Holy Spelling. After a few moments they pull away
from kissing each other, and look at each other.

HOLY SPELLING

I love you.

Aerial Ace is full of love, and smiles. She wipes a
tear from her eye, and hugs Holy Spelling.

AERIAL ACE

I love you too!

The two kiss deeply, and allow their tongues to meet.

HOLY SPELLING

You should get going before
you're late.

AERIAL ACE

Okay. I'll see you later snuggle
bug.

Aerial Ace gives Holy Spelling a quick kiss and leaves.

Holy Spelling stays sitting up until she hears that
Aerial Ace leaves. She lays back down and smiles as she
goes back to sleep.

CUT TO:

INT. AERIAL ACE'S HOUSE - AFTERNOON

Holy Spelling wakes up feeling great, and is full of energy. She makes her way to the bathroom and has a shower, humming all the time.

As she gets out, she makes her way to the mirror and whips the steam off of it. She looks at her reflection and goes from being happy to worried.

HOLY SPELLING

No, no,no!

(Looks worried to the point she
looks like she'll start to cry)

She's going to be so mad...

FADE OUT

INT. AERIAL ACE'S HOUSE - LATER

Aerial Ace returns home and sees Holy Spelling on the couch. She moves up to her and hugs her from behind.

AERIAL ACE

Hey there cutie!

Holy Spelling snaps out from her thoughts, and looks worried.

HOLY SPELLING

Hey Aerial... I think we should
talk.

AERIAL ACE

(Moves to the front of the couch)

What's wrong?

Aerial Ace sees that Holy Spelling must have been crying before she got home, and still looks down.

AERIAL ACE

Did your headache back?

HOLY SPELLING

No... It's just that I'm afraid
you won't like me once you know
who I really am.

AERIAL ACE

What do you mean?

HOLY SPELLING

I remember who I am. And you
might not like me after. (Trying
not to cry.)

Aerial Ace moves up to Holy Spelling and hugs her.

AERIAL ACE

Hey, I don't care about your past.
(MORE)

AERIAL ACE (CONT'D)

I only care about your future,
and I'm kind of hopping there's a
spot for me in it.

Aerial Ace kisses Holy Spelling, but she moves away after
a moment. Holy Spelling walks towards the kitchen.

HOLY SPELLING

I'm sorry.

Holy Spelling takes off her necklace, and the spell it
casts ends. Holy Spelling form slowly transforms into
Alternate Dawn.

Aerial Ace looks at Alternate Dawn not knowing what to
say. Alternate Dawn sits on his hind legs. He slowly
looks at Aerial Ace.

ALTERNATE DAWN

I'm sorry Ace.

Aerial Ace looks at Alternate Dawn in disbelief.

AERIAL ACE

Okay, jokes over. Where's Holy?

ALTERNATE DAWN

I'm sorry Ace. With everything
that happened last month I needed
some time just to relax.

I made up the story about heading to
Rose Town, and had the necklace made
so no one would know who I was. This
way I could stay in Ponyville in
case anything happened.

AERIAL ACE

Angry Where's Holy, Alter!

ALTERNATE DAWN

I'm sorry Ace. But I really
didn't know who I was when I woke
up at Red Heart's clinic. But
everything over the past two
weeks, and the love... (Cutoff)

Aerial Ace looks up, she's hysterical that she's
almost laughing as she cries.

AERIAL ACE

My special somepony... The one I
could settle down with, maybe get
married too. *lightly laughs*

The one I loved... She was a
fake, nothing more than a lie...

Alternate Dawn walks to Aerial Ace.

ALTERNATE DAWN

But I'm right... (Cutoff)

AERIAL ACE

Angry My love... You made my
love into a "lie"!

Aerial Ace is looking at Alternate Dawn completely upset
and is at the point where she's about to cry. Alternate
Dawn looks at Aerial Ace ashamed. He goes to speak, but
Aerial Ace talks first.

AERIAL ACE

Upset, commanding Get out!

ALTERNATE DAWN

Ace I know your upset, but can't
we talk...(Cutoff)

AERIAL ACE

Commanding, starting to cry I
said get out!

ALTERNATE DAWN

But.

AERIAL ACE

Yells Leave!

Alternate Dawn looks at the floor ashamed at himself for
what happened. He turns around and heads for the door. As
he opens it, he turns to Aerial Ace to say something. But
he sees she's doing her best not to cry. Alternate Dawn
quietly leaves.

Alternate Dawn stays outside of Aerial Ace's home for a moment. He turns to open the door, but hears Aerial Ace quietly crying. He turns around and slowly walks off.

FADE OUT

END OF ACT #3

START OF ACT #4

INT. ALTERNATE DAWN'S STUDY - 5 DAYS LATER

Alternate Dawn is at his desk going over papers, when he hears a knock at the library doors.

ALTERNATE DAWN

Could you see who it is please,
Serene.

Serene stops putting books away and heads out of the room. She comes back a moment later.

SERENE

It's for you.

As Serene goes back to putting the books away, Alternate Dawn looks at her in dismay.

ALTERNATE DAWN

Did you ask them what they wanted?

SERENE

Yes. You.

Alternate Dawn takes a deep breath and leaves his desk. As he heads to the front door he sees Aerial Ace.

ALTERNATE DAWN

Hey, Ace.

Aerial Ace still looks upset, and is looking off to the side.

AERIAL ACE

(Keeps trying to look at Alternate Dawn, but looks away every time)

Hey, I came over to talk. But it's just...*Sigh*

ALTERNATE DAWN

Little sad You still can't look at me, can you.

AERIAL ACE

Look, it's just... I want to say...

I'm sorry, but can you change into Holy please?

ALTERNATE DAWN

Ace, you said it yourself...(Cutoff)

AERIAL ACE

Please! I need to say this to "her".

ALTERNATE DAWN

(Looks at the floor)

Okay... The necklace is just in my room.

The two walk to Alternate Dawn's study in silence. When they get there Alternate Dawn walks to his desk.

ALTERNATE DAWN

Hey Serene, we need a little time to talk alone. How about you go to Tapper's and get yourself a treat.

Alternate Dawn gets his bag of bits, and hands it Serene. Serene looks at the two and nods. She leaves without a word.

Alternate Dawn opens a drawer from his desk and pulls out a small box. He opens it and sees the necklace. He takes it out and looks at Aerial Ace. She still can't bring herself to look at him and her face is a mixture of sadness and anger. He put the necklace on.

Aerial Ace is looking off to the side, she's fighting with herself not to dash out of Alternate Dawn's room. But she hears the voice of the pony she loves.

HOLY SPELLING

Aerial...

Hearing the voice of Holy Spelling, the anger from Aerial Ace's face fades away, but her sadness remains. She looks up and sees the pony she loves.

Aerial Ace goes up and hugs Holy Spelling.

AERIAL ACE

Hey snuggle bug, I've missed you.

Aerial Ace's hug catches Holy Spelling off guard for a moment, but she happily returns it.

HOLY SPELLING
I know. I've missed you too. But
you know that... (Cutoff)

AERIAL ACE
Let me talk first, okay?

HOLY SPELLING
Sure.

Aerial Ace pulls away from Holy Spelling and looks her
in the eyes.

AERIAL ACE
Holy I really think you're the
first one I really truly love.
Even now, I would walk to tartarus
and back for you.

Holy Spelling looks at Aerial Ace fighting the urge to cry.

AERIAL ACE
It's just... No matter how much I
fight it, I just can't bring
myself to live a lie.

Holy Spelling starts to cry, and wipes her tears away.

HOLY SPELLING
I understand.

Aerial Ace goes and hugs Holy Spelling.

AERIAL ACE
Just know, I'll always love you.

Aerial Ace kisses Holy Spelling lovingly. After they
kiss for a moment, Aerial Ace raises her hoof and grabs
Holy Spelling's necklace. She rips it off her neck and
goes to smash it on the floor.

AERIAL ACE
Sad Goodbye.

As the necklace smashes on the floor, Holy Spelling
turns back into Alternate Dawn.

Alternate Dawn is surprised at what happened, and is
speechless.

Aerial Ace hugs Alternate Dawn, who holds her.

AERIAL ACE
Alter... If it's all the same
I'm going to cry now.

ALTERNATE DAWN

Go ahead...

Aerial Ace holds onto Alternate Dawn as she cries, she buries her head into Alternate Dawn's chest. Alternate Dawn holds onto Aerial Ace tightly, as he cries slightly.

ZOOM OUT

FADE OUT

INT. ALTERNATE DAWN'S STUDY. - LATER

Alternate Dawn and Aerial Ace are sitting on his bed, still holding each other, but they've calmed down and aren't crying anymore.

Aerial Ace moves her head away from Alternate Dawn's chest and looks at him.

AERIAL ACE

I want to ask a favor, if that's okay.

ALTERNATE DAWN

You can ask me for anything.

Aerial Ace closes her eyes and takes a deep breath, before she looks at Alternate Dawn again.

AERIAL ACE

Make love to me.

Alternate Dawn is stunned hearing this, he looks at Aerial Ace and doesn't know what to say.

AERIAL ACE

I need to know something... You can make one of those new cards if you want. But if the love you felt as her is real... I don't want you just to fuck me, but make love to me.

Alternate Dawn looks at Aerial Ace and smiles lovingly. He moves and kisses Aerial Ace. As they start to kiss, Alternate Dawn lays Aerial Ace down on the bed.

Since Alternate Dawn is still emotional, he becomes erect quite fast. He starts to move his hips, letting his cock rub against Aerial Ace's pussy.

Alternate Dawn moves his head and starts to kiss and nibble

Aerial Ace's neck. With his hips moving his cock slides into Aerial Ace's pussy.

Aerial Ace winches at the feeling of having Alternate Dawn's cock inside her. She moves her head and looks at him.

AERIAL ACE

You know, you're supposed to make a girl wet before putting it in.

ALTERNATE DAWN

Sorry. Kind of went in on its own. Did you want me to pull out?

AERIAL ACE

It's okay, you can go ahead.

Alternate Dawn starts to slowly thrust, working his cock fully into Aerial Ace's pussy.

Aerial Ace braces herself feeling Alternate Dawn's warm cock moving inside her. She can feel Alternate Dawn start to move fast and faster.

ALTERNATE DAWN

Ace, I'm sorry.

Aerial Ce looks up at Alternate Dawn confused.

AERIAL ACE

What do you...(Cutoff)

Alternate Dawn quickly kisses Aerial Ace, as he thrusts hard into her and cums.

Having a stallion cum inside her for the first time, Aerial Ace feels Alternate Dawn's cum rush inside her. She looks at Alternate Dawn a little disappointed.

AERIAL ACE

For your sake, I hope you're not a "one trick pony".

ALTERNATE DAWN

Sorry. Just with all the emotions, I couldn't help it. Don't worry, I'll be good to go again in a minute.

AERIAL ACE

Sarcastically, teasing Sre thing there "quick draw"

Alternate Dawn frowns at Aerial Ace, but smirks as he gives his replay.

ALTERNATE DAWN

You know, it's not smart to make fun of the stallion that's on top of you.

More so when they study magic, and the pony body.

AERIAL ACE

Playfully Oh, really. And why is that?

ALTERNATE DAWN

Evilly I know where are the ticklish parts are!

Before Aerial Ace can say anything, Alternate Dawn starts to tickle her all over. The two squirm against each other, as Aerial Ace tries to break free.

AERIAL ACE

Laughing Stop... Please... Can't stand it!

Alternate Dawn stops tickling Aerial Ace for a moment and looks at her.

ALTERNATE DAWN

So what are you going to call me?

Aerial Ace looks at Alternate Dawn and smirks.

AERIAL ACE

"Quick Draw"!

Alternate Dawn starts to tickle Aerial Ace again. She's able to move one of her hind legs in front of Alternate Dawn and push him off.

Alternate Dawn falls off the bed lightly, and starts to laugh. He looks back to Aerial Ace who's catching her breath, but grins at him when she sees him.

AERIAL ACE

You know why it's not a good idea to tease somepony who's also a part fiend?

Alternate Dawn looks at Aerial Ace and shakes his head.

AERIAL ACE

It's because I make sure I get
my payback!

Aerial Ace pounces off the bed and lands on Alternate Dawn, knocking him to the ground. She quickly kisses him, and bites his bottom lip before moving her head back to look at him.

ALTERNATE DAWN

So what now, my captive?

Aerial Ace gives a playful face to Alternate Dawn as she thinks for a moment.

AERIAL ACE

Honestly... I want to see what a
cock is like.

Alternate Dawn is stunned at what he hears, and watches Aerial Ace move down to his cock. She slowly starts to stroke his cock.

ALTERNATE DAWN

You mean you've never been with
a stallion before?

Aerial Ace looks up at Alternate Dawn as she slowly works his cock.

AERIAL ACE

No. I'm a fillyfooler. Sure me
and the girls have used toys
together. And I've sucked on a
few fake cocks... But you're the
first stallion I've been with.

Alternate Dawn looks at Aerial Ace in shock from what she's said. He can't believe that he's Aerial Ace's "first" stallion.

AERIAL ACE

Don't let it go to your head.
This is just a test drive.

Aerial Ace looks down at Alternate Dawn's cock and sees that's grown in size. She moves her head down to it, and goes to lick it. She starts halfway down on Alternate Dawn's cock, and drags her tongue up. She makes a strange face at Alternate Dawn.

ALTERNATE DAWN

What is it?

AERIAL ACE

Sorry, it just tastes funny.

ALTERNATE DAWN

Sarcastically That's because it's real, and not made out of rubber.

Aerial Ace frowns at Alternate Dawn, and tightens her grip around his cock.

AERIAL ACE

You know, it's not a "bright" idea to smart mouth the mare, that's holding your cock.

ALTERNATE DAWN

Sorry, sorry!

Aerial Ace loosens her grip, and moves her head back down to Alternate Dawn's cock. She starts to lick it again working from the ring of his cock to the tip, while she still stokes the bottom half of Alternate Dawn's cock.

Alternate Dawn uses his front hoofs to keep himself up as he watches Aerial Ace. For a pony that never licked or serviced a cock before, she's doing a good job.

ALTERNATE DAWN

Hey could you move your tongue
around a little?

Aerial Ace starts to move her tongue left and right as she licks upwards. After a few times, she stops at the head of Alternate Dawn's cock and places it in her mouth. Without hesitation, she makes her way down on Alternate Dawn's cock taking everything in the first time.

Alternate Dawn watches Aerial Ace as she works the full length of his cock. Without stopping, she's able to work her way up and down his cock. Alternate Dawn notices that she's started to move her tongue as she gives him his blow job.

Aerial Ace looks up, and sees that Alternate Dawn has closed his eyes and is smiling. She notices that his cock has started to release some of it's juices, adding to the strange taste. She stops at the top of Alternate Dawn's cock and lets it fall out of her mouth.

AERIAL ACE

Sorry I can't... It just taste
"odd"

Alternate Dawn opens his eyes and looks in dismay.

ALTERNATE DAWN

But...

AERIAL ACE

You were close to cumming again?

Alternate Dawn blushes and nods his head.

Aerial Ace frowns a little but get's an idea.

AERIAL ACE

Wait here for a minute, I want
to get something.

Alternate Dawn watches Aerial Ace leave. He gets up and moves back to his bed, and slowly strokes his cock to keep it from going limp.

Aerial Ace comes back a few moments later with a bottle of strawberry syrup. She holds it up as she walks to Alternate Dawn

AERIAL ACE

I take it this is all you have,
no chocolate?

ALTERNATE DAWN

No sorry. I try to watch my
sugar intake, and I think that's
Serene's.

Aerial Ace pop opens the top to the bottle as she gets to Alternate Dawn. Alternate Dawn looks a little confused.

ALTERNATE DAWN

What are you...(Cutoff)

Alternate Dawn stops talking as he sees Aerial Ace start to pour the syrup on his cock.

As Aerial Ace pours two lines of syrup on Alternate Dawn's cock, she looks up to him and smiles. She moves her muzzle down to his cock and opens her mouth.

CUT TO:

INT. GOLDEN OAK LIBRARY

Serene walks into the Library. She's carrying a take home bag from Tapper's, and Alternate Dawn's bit bag. She makes her way to the kitchen to put her bag away, and she sees that a lot of the cupboards were left open.

Serene puts her bag away in the fridge and closes all the doors. She makes her way to Alternate Dawn's study and goes to enter.

Serene stops at the door and is stunned from what she sees. She see's Aerial Ace on her knees, with Alternate Dawn at the edge of his bed. But Aerial Ace is licking Alternate Dawn's cock.

Serene slowly closes the door a little to hide herself, and watches the two. She sees Aerial Ace slowly lick Alternate Dawn's cock starting from the top, and works her way down to the bottom. Aerial Ace then starts to move back up on Alternate Dawn's cock.

After seeing Aerial Ace repeat this a few times, she places Alternate Dawn's cock in her mouth and moves down on it. Serene is shocked at seeing this and thinks Aerial Ace might be trying to eat Alternate Dawn until she moves her head back up, letting most of Alternate Dawn's cock come back out.

Seeing Aerial Ace do this, Serene can't help but want to suck on something. But since she doesn't want to leave, she puts two of her fingers in her mouth and starts to sucks on them.

Serene watches a little more and sees that Aerial Ace started to rub herself between her legs. Serene goes to copy where Aerial Ace is rubbing, and quickly feels that she's rubbing her pussy. Although it feels a little odd, Serene likes the feeling this is giving her. She sits on the floor and continues to watch Aerial Ace and Alternate Dawn.

CUT TO:

INT. ALTERNATE DAWN'S STUDY - CONTINUOUS

Alternate Dawn can feel his cock start to twitch as it gets ready to release another load of cum.

ALTERNATE DAWN

Aerial, I'm getting close again.

Aerial Ace looks up at Alternate Dawn and nods. She moves to the tip of Alternate Dawn's cock and keeps the head in. She moves her tongue around the top of Alternate Dawn's cock as she strokes the rest of his cock.

Hearing Alternate Dawn moan in pleasure, Aerial Ace strokes Alternate Dawn's cock faster. Alternate Dawn holds on to

Aerial Ace's head as he cums into her mouth. Aerial Ace is surprised with the amount of cum that comes out of Alternate Dawn's cock, but she swallows everything.

Alternate Dawn lets go of Aerial Ace's head, and falls backwards onto his bed.

ALTERNATE DAWN

That was awesome.

Aerial Ace moves on the bed, and looks down at Alternate Dawn with a smirk.

AERIAL ACE

Kind of bitter tasting for me.
But it wasn't that bad.

Alternate Dawn turns his head, and grins.

ALTERNATE DAWN

Does this mean I get to "taste"
you then?

AERIAL ACE

Heck ya, I want mine too!

Alternate Dawn sits up and looks at Aerial Ace with love. He kisses her passionately. As they allow their tongues to meet, Alter moves his right hoof between Aerial Ace's legs and starts to rub her pussy.

Aerial Ace moves her front hooves up and holds Alternate Dawn's head. She moves her head backwards and guides

Alternate Dawn's head down to her neck. Enjoying the feeling of having her pussy rubbed and having her neck kissed, Aerial Ace starts to paint.

Alternate Dawn pushes his right hoof into Aerial Ace's pussy a little harder, allowing it to slip in a little. Despite Aerial Ace holding his head, Alternate Dawn moves his head up to her left ear, and starts to lightly nibble on it.

Taken by the feeling, Aerial Ace lets out a few moans. As Alternate Dawn rubs over her clitoris, she lets out a loud gasp as her wings pop out.

With the sudden burst of air, Alternate Dawn moves back a little and sees that Aerial Ace's wings are fully extended. He looks at her and smiles.

ALTERNATE DAWN

And here I thought "wing boners"
were a myth.

Aerial Ace looks at Alternate Dawn a little shocked. She turns her head, and sees that her wings did extend out on their own. She turns back to Alternate Dawn and blushes.

AERIAL ACE

If you tell anyone, I swear.

Alternate Dawn moves to Aerial Ace and places his hooves around her neck. He places his head on hers, and smiles.

ALTERNATE DAWN

I promise.

Alternate Dawn kisses Aerial Ace quickly before laying her down on the bed. He then moves down to Aerial Ace's pussy, and starts to lick it.

Aerial Ace enjoying herself starts to squirm a little.

AERIAL ACE

Come on Alter, show me what that
tongue can do.

Alternate Dawn sticks his tongue into Aerial Ace's pussy, and starts to move it around. Hearing Aerial Ace painting and moaning, he sticks his tongue into her pussy as much as he can. Alternate Dawn feels Aerial Ace's left leg start to twitch a little.

AERIAL ACE

Painting More... Stick it in a

little please.

Alternate Dawn moves his hoof up and starts to rub Aerial Ace's pussy. He moves his head away and looks to Aerial Ace.

ALTERNATE DAWN

If you want something in further...
Well you know.

Aerial Ace looks up to Alternate Dawn and nods.

AERIAL ACE

Okay. But I want to be on top.

Alternate Dawn and Aerial Ace trade places. Alternate Dawn lays down on the bed, as Aerial Ace positions herself over Alternate Dawn's cock.

Aerial Ace holds Alternate Dawn's cock up as she guides it into her pussy. Once it's in she moves down on it, taking it all in. She then slowly starts to move her hips back and forth riding Alternate Dawn.

Alternate Dawn places his hooves on Aerial Ace's hips, and times his thrusts to her hip movements. The two pick up their speed as they continue.

ALTERNATE DAWN

So which is better? Rubber or a real one?

AERIAL ACE

Panting Well... A toy is always ready, and doesn't cum within 3 minutes...

But you feel nice... It's warm...and moves around more.

Aerial Ace moves her body down and kisses Alternate Dawn, and then looks at him.

AERIAL ACE

Now shut up and fuck me!

Alternate Dawn moves as hard and as fast as he can. Every time he feels Aerial Ace about to move down on his cock, he thrusts up. Slamming his cock as hard as he can into Aerial Ace's pussy.

Aerial Ace feeling Alternate Dawn's cock moving so fast in her. She can't help but feel in a daze. She feels herself climaxing while Alternate Dawn's cock is fully in her. The feeling of her juices and Alternate Dawn's cock in her pussy is beyond words. She lets out a load gasp as she cums. Letting her wings pop out again.

Alternate Dawn feeling Aerial Ace's pussy tighten around his cock, and then a warm feeling push against his cock, he knows Aerial Ace climaxed. He looks up and sees that her wings are extended again. Being close to cumming again, Alternate Dawn flips Aerial Ace down on the bed and fucks her.

Feeling Alternate Dawn slamming his cock into her pussy from the top, Aerial Ace is in a daze. She wants to move with him, but her body isn't responding.

AERIAL ACE

Alter... I can't... Just give me a minute...

ALTERNATE DAWN

Sorry Aerial... But I'm too close.

Alternate Dawn moves as fast as he can. He feels his balls tightening up, and his cock twitching. With a few more thrusts, he cums inside Aerial Ace again.

After releasing all of his cum into Aerial Ace's pussy, Alternate Dawn pulls his cock out slowly, letting his mixture of his and Aerial Ace's cum pour out.

Alternate Dawn lays down beside Aerial Ace. He sees that Aerial Ace is still in a little bit of a daze. As he snuggles into her, Alternate Dawn uses his magic to cover them with the blanket.

Feeling the blanket covering her, Aerial Ace looks towards Alternate Dawn and sees he's trying to cuddle with her. Aerial Ace turns into him, and lets him cuddle into her as they drift off to sleep.

FADE OUT

INT. ALTERNATE DAWN'S STUDY. - THE NEXT DAY

Aerial Ace wakes up and sees that Alternate Dawn is still asleep. She slowly gets up and moves off the bed.

Alternate Dawn wakes up from the movement and looks at Aerial Ace.

ALTERNATE DAWN

Morning...

AERIAL ACE

Hey, sorry I didn't mean to wake you up.

Alternate Dawn sits up and smiles.

ALTERNATE DAWN

If it means you're the first thing I wake up to, you can wake me up anytime.

Aerial Ace sits down on the bed and looks at Alternate Dawn. She takes and holds his left hoof.

AERIAL ACE

Alter, don't get me wrong. Last was nice, and having a real cock for the first time was awesome. *Sigh*

AERIAL ACE (CONT'D)

It's just...

ALTERNATE DAWN

I'm not her.

AERIAL ACE

Yea... I'm sorry. I don't regret anything from last night. But you're not her and you're not a mare.

ALTERNATE DAWN

(Holds Aerial Ace's hoof as well)

A little upset It's alright. You tried to love me the way you loved her. And I couldn't ask for more.

I hope the two of us can still be friends though.

Aerial Ace looks at Alternate Dawn and smiles.

AERIAL ACE

I would love nothing more.

Aerial Ace kisses Alternate Dawn on the cheek, and gets up.

AERIAL ACE

I'll talk to you later.

Alternate Dawn smiles and waves to Aerial Ace as she leaves. Once he hears the door to the library close his smiles fades.

He looks down at his hooves and tears start to fall. As much as he fights the feeling, he can't help but start to cry.

Serene walks up to his bed and climbs on. She goes up to Alternate Dawn and hugs him. Alternate Dawn returns the hug as he cries.

FADE TO BLACK.
